SUPPLEMENTARY INFORMATION: The Commission instituted this investigation on March 5, 2014, based on a complaint filed by Cresta Technology Corporation, of Santa Clara, California ("Cresta"). 79 *Fed. Reg.* 12526 (Mar. 5, 2014). The complaint alleges violations of section 337 of the Tariff Act of 1930, as amended, 19 U.S.C. § 1337, by reason of infringement of certain claims of two United States patents. The notice of investigation, as amended, names several respondents, including Silicon Laboratories, Inc. of Austin, Texas ("Silicon Labs"); and MaxLinear, Inc. of Carlsbad, California ("MaxLinear").

On February 27, 2015, the presiding Administrative Law Judge issued the final initial determination ("ID"), which finds no violation of section 337.

On March 16, 2015, petitions for Commission review were filed by the following parties: the Commission investigative attorney (“IA”); Cresta; Silicon Labs (together with other respondents); and MaxLinear (together with other respondents). On March 24, 2015, the IA and Cresta each filed a reply to the other parties’ petitions. That same day, the respondents filed a reply to Cresta’s petition.

On April 30, 2015, the Commission determined to review the ID in part. On May 14, 2015, the IA, Cresta, and the respondents filed briefs in response to the Commission notice of review, and on May 26, 2015, they filed replies to each other’s briefs. On June 9, 2015, the Commission extended the target date for completion of the investigation by two weeks, from June 29, 2015, to July 13, 2015. The Commission is presently considering final disposition of the ID.

The Commission has determined to extend the target date for completion of the investigation by approximately five weeks, from July 13, 2015, to August 19, 2015.

The authority for the Commission’s determination is contained in section 337 of the Tariff Act of 1930, as amended (19 U.S.C. § 1337), and in Part 210 of the Commission’s Rules of Practice and Procedure (19 C.F.R. Part 210).

By order of the Commission.
