**AGENCY:** U.S. International Trade Commission.

**ACTION:** Notice.

**SUMMARY:** Notice is hereby given that the U.S. International Trade Commission has determined not to review the presiding administrative law judge's ("ALJ") initial determinations ("ID") (Order Nos. 14 & 15) granting unopposed motions for summary determination of importation (Order No. 14) and the existence of a domestic industry that practices the asserted patents (Order No. 15).

**SUPPLEMENTARY INFORMATION:** The Commission instituted Inv. No. 337-TA-926 on August 21, 2014, based on a complaint filed by Johnson Outdoors Inc. of Racine, Wisconsin and Johnson Outdoors Marine Electronics, Inc. of Eufaula, Alabama (collectively, "Johnson Outdoors"). 79 *Fed. Reg.* 49536 (Aug. 21, 2014). The complaint alleged violations of section 337 of the Tariff Act of 1930, as amended, (19 U.S.C. § 1337) in the importation into the United States, the sale for importation, and the sale within the United States after importation of certain marine sonar imaging systems, products containing the same, and components thereof by reason

of infringement of various claims of United States Patent Nos. 7,652,952; 7,710,825; and 7,755,974. The notice of investigation named the following respondents: Garmin International, Inc.; Garmin North America, Inc.; Garmin USA, Inc. all of Olathe, Kansas; and Garmin Corporation of Xizhi District, Taiwan (collectively, "Garmin"). The Office of Unfair Import Investigations is not a party to the investigation.

On March 24, 2015, the ALJ issued the subject IDs, granting unopposed motions for summary determinations of importation (Order No. 14) and the existence of a domestic industry that practices the asserted patents (Order No. 15). Johnson Outdoors and Garmin stipulated to importation under 19 U.S.C. § 1337(a)(1)(B) and the existence of a domestic industry under 19 U.S.C. § 1337(a)(2). In addition, the ALJ found that the record evidence establishes that the accused products have been imported into the United States and that Johnson Outdoors has a domestic industry that practices the asserted patents under 19 U.S.C. §§ 1337(a)(3)(A), (B) and (C). None of the parties petitioned for review of the IDs.

The Commission has determined not to review the IDs.

The authority for the Commission's determination is contained in section 337 of the Tariff Act of 1930, as amended (19 U.S.C. § 1337), and in Part 210 of the Commission's Rules of Practice and Procedure (19 C.F.R. Part 210).

By order of the Commission.
