AGENCY: U.S. International Trade Commission.

ACTION: Notice.

SUMMARY: Notice is hereby given that the U.S. International Trade Commission has determined not to review an initial determination (“ID”) (Order No. 86) of the presiding administrative law judge (“ALJ”) terminating the above-captioned investigation as to respondents Mamiye Imports LLC, d/b/a Lilly of New York located in Brooklyn, New York and Shoe Shox of Seattle, Washington (collectively, “Mamiye Imports”) based on a consent order stipulation, consent order, and settlement agreement. The Commission has issued the consent order.

SUPPLEMENTARY INFORMATION: The Commission instituted this investigation on November 17, 2014, based on a complaint filed on behalf of Converse Inc. of North Andover, Massachusetts. 79 *Fed. Reg.* 68482-83. The complaint alleges violations of section 337 of the Tariff Act of 1930, as amended, 19 U.S.C. § 1337, by reason of infringement of certain U.S. Trademark Registration Nos.: 4,398,753; 3,258,103; and 1,588,960. The complaint further alleges violations of section 337 based upon unfair competition/false designation of origin, common law trademark infringement and unfair competition, and trademark dilution, the threat or

effect of which is to destroy or substantially injure an industry in the United States. The Commission's notice of investigation named several respondents including Mamiye Imports. The Office of Unfair Import Investigations ("OUII") is also a party to the investigation. *Id.*

On March 30, 2015, complainant and Mamiye Imports jointly moved to terminate the investigation as to Mamiye Imports based on a consent order stipulation and settlement agreement. OUII supported the joint motion.

The ALJ issued the subject ID on April 10, 2015, granting the joint motion for termination. The ALJ found that the consent order stipulation, consent order, and settlement agreement satisfy the requirements of Commission rules 210.21(b) and (c). He further found, pursuant to Commission rule 210.50(b)(2), there is no indication that termination of this investigation as to Mamiye Imports based on the consent order stipulation and settlement agreement would adversely impact the public interest. No party petitioned for review of the ID.

The Commission has determined not to review the ID and has issued the consent order.

The authority for the Commission's determination is contained in section 337 of the Tariff Act of 1930, as amended, 19 U.S.C. § 1337, and in Part 210 of the Commission's Rules of Practice and Procedure, 19 C.F.R. Part 210.

By order of the Commission.

Secretary to the Commission
