ACTION: Notice.

SUMMARY: Notice is hereby given that the U.S. International Trade Commission has determined not to review the presiding administrative law judge’s (“ALJ”) initial determination (“ID”) (Order No. 24) terminating the investigation as to respondents Acer Inc. and Acer America Corp. of certain claims of U.S. Patent Nos. 5,825,898; 6,483,923; 6,049,607; 6,363,345; and 6,377,637. The complaint further alleges that an industry in the United States exists as required by 19 U.S.C. § 1337(a)(2). The notice of investigation named 13 respondents including Acer. The Office of Unfair Import Investigations is a party in this investigation.

On November 20, 2015, Andrea and Acer filed a joint motion to terminate Acer from the investigation on the basis of a settlement agreement and a patent technology and license agreement. The motion included a confidential version and a public version of the settlement agreement and the patent technology and license agreement. The moving parties affirmed that there are no other agreements, written or oral, express or implied, between them concerning the subject matter of the investigation. None of the other parties opposed the motion.

On November 25, 2015, the ALJ granted the motion as an ID. The ALJ found no information indicating that termination of the investigation with respect to Acer on the basis of the settlement agreement is contrary to the public health and welfare, competitive conditions in the U.S. economy, the production of like or directly competitive articles in the United States, or U.S. consumers. Order No. 24 at 3.

No petitions for review of the ID were filed. The Commission has determined not to review the ID.

By order of the Commission.

Secretary to the Commission
