SUPPLEMENTARY INFORMATION: The Commission instituted this investigation on September 24, 2015, based on a complaint filed by Silicon Genesis Corp. of San Jose, California (“Complainant”). 80 *Fed. Reg.* 57641 (Sept. 24, 2015). The complaint alleges violations of section 337 of the Tariff Act of 1930, as amended, 19 U.S.C. § 1337, in the importation into the United States, the sale for importation, and/or the sale within the United States after importation of certain silicon-on-insulator wafers by reason of infringement of certain claims of the ’742, ’599, ’814, ’747, and ’901 patents and U.S. Patent Nos. 6,013,563, 6,162,705, and 6,180,496. *Id.* The notice of investigation names Soitec S.A., Parc Technologique des Fontaines of Bernin,

France as a respondent. *Id.* The Office of Unfair Import Investigations also was named as a party to the investigation. *Id.*

On January 21, 2016, Complainant filed an unopposed motion to partially terminate the investigation with respect to all asserted claims of the '742, '814, '747, and '901 patents and claims 8 and 22 of the '599 patent.

On January 22, 2016, the presiding administrative law judge ("ALJ") issued an ID (Order No. 7) granting the motion. The ALJ found Complainant provided a statement that there are no agreements between the parties concerning the subject matter of this investigation. The ALJ also found no extraordinary circumstances preventing Complainant's withdrawal of the aforementioned patent claims. No petitions for review of the ID were filed.

The Commission has determined not to review the subject ID.

The authority for the Commission's determination is contained in section 337 of the Tariff Act of 1930, as amended (19 U.S.C. § 1337), and in Part 210 of the Commission's Rules of Practice and Procedure (19 C.F.R. Part 210).

By order of the Commission.

Secretary to the Commission
