SUPPLEMENTARY INFORMATION:

Scope.-- For purposes of these investigations, Commerce has defined the subject merchandise as "steel concrete reinforcing bar imported in either straight length or coil form (rebar) regardless of metallurgy, length, diameter, or grade or lack thereof. The subject merchandise includes rebar that has been further processed in the subject country or a third country, including but not limited to cutting, grinding, galvanizing, painting, coating, or any other processing that would not otherwise remove the merchandise from the scope of this investigation if performed in the country of manufacture of the rebar. Specifically excluded are plain rounds (i.e., nondeformed or smooth rebar)."

Background.--The final phase of these investigations is being scheduled pursuant to sections 705(b) and 731(b) of the Tariff Act of 1930 (19 U.S.C. 1671d(b) and 1673d(b)), as a result of an affirmative preliminary determination by Commerce that rebar from Algeria is being sold in the United States at less than fair value within the meaning of § 733 of the Act (19 U.S.C. 1673b). Commerce's preliminary determinations with respect to rebar from Bulgaria, Egypt, and Vietnam that are alleged to be sold in the United States at less than fair value and with respect to rebar alleged to be subsidized by the Governments of Algeria, Egypt, and Vietnam are pending. The investigations were requested in petitions filed on June 4, 2025, by Rebar Trade Action Coalition, Washington, DC. The individual members of the Rebar Trade Action Coalition are Byer Steel Corporation; Commercial Metals Company; Gerdau Ameristeel US Incorporated; Nucor Corporation; Optimus Steel; and Steel Dynamics, Incorporated.

For further information concerning the conduct of this phase of the investigations, hearing procedures, and rules of general application, consult the Commission's Rules of Practice and Procedure, part 201, subparts A and B (19 CFR part 201), and part 207, subparts A and C (19 CFR part 207).

The Secretary will maintain a public service list containing the names and addresses of all persons, or their representatives, who are parties to the investigations.

Please note the Secretary's Office will accept only electronic filings during this time. Filings must be made through the Commission's Electronic Document Information System (EDIS, <https://edis.usitc.gov>). No in-person paper-based filings or paper copies of any electronic filings will be accepted until further notice.

Limited disclosure of business proprietary information (BPI) under an administrative protective order (APO) and BPI service list.--Pursuant to § 207.7(a) of the Commission's rules, the Secretary will make BPI gathered in the final phase of these investigations available to authorized applicants under the APO issued in the investigations, provided that the application is made no later than 21 days prior to the hearing date specified in this notice. Authorized applicants must represent interested parties, as defined by 19 U.S.C. 1677(9), who are parties to the investigations. A party granted access to BPI in the preliminary phase of the investigations need not reapply for such access.
