INTERNATIONAL TRADE COMMISSION

19 CFR Part 210

AGENCY: International Trade Commission.

ACTION: Notice that a proposed rulemaking will not proceed.

SUMMARY: The Commission will not proceed at this time with the proposed amendment of certain final rules for investigations and related proceedings under section 337 of the Tariff Act of 1930 (19 U.S.C. 1337). The proposed amendments were intended to do the following: (1) Increase the number of votes required for the Commission to review an initial determination (ID) on a matter other than temporary relief or grant a request for oral argument in connection with such a review; and (2) prescribe the effect of a tie vote concerning post-review disposition of an ID on a matter other than temporary relief.

SUPPLEMENTARY INFORMATION: On January 19, 1995, the Commission published an advance notice of proposed rulemaking for the final rules to be codified in 19 CFR part 210 concerning investigations and related proceedings under section 337 of the Tariff Act. 60 FR 3785 (Jan. 19, 1995). The notice solicited written comments on a proposed amendment of final rule 210.45(c), without statutory changes, to state what effect a tie vote will have on the Commission’s disposition of an ID on a matter other than temporary relief—e.g., that a tie vote on the disposition of an ID after a review will constitute an affirmation of the ID.

Comments were filed by the American Bar Association’s Section of International Law and Practice, the Customs and International Trade Bar Association, and the International Trade Commission Trial Lawyers Association. For the most part, the commenters advocated alternative amendments or retention of the existing rule or practice in response to the questions whether the Commission should amend rules 210.43(d) and 210.45(a) as described in the advance notice. The commenters that addressed final rule 210.45(c) were evenly divided on whether the Commission should amend that rule as described in the advance notice. A majority of the Commission has determined not to proceed with the proposed amendment of final rules 210.43(d) and 210.45(a) at this time. A majority of the Commission also has determined not to proceed with the proposed amendment of final rule 210.45(c) at this time.

By order of the Commission.

Donna R. Koehnke,
Secretary.
