The Commission also found that the respondent interested party group responses to its notice of institution concerning the countervailing duty order on imports from Turkey and the antidumping duty order on imports from Ukraine were adequate and, therefore, determined to proceed with full reviews of those orders. The Commission determined that the respondent interested party group responses to its notice of institution concerning the countervailing and antidumping duty orders on imports from India and the antidumping duty orders on imports from Korea, Turkey, and Vietnam were

inadequate with respect to those reviews. The Commission determined, however to conduct full reviews of those orders in order to promote administrative efficiency in light of its determination to conduct full reviews of the countervailing duty order on imports from Turkey and the antidumping duty order on imports from Ukraine. A record of the Commissioners' votes, the Commission's statement on adequacy, and any individual Commissioner's statements will be available from the Office of the Secretary and at the Commission's website.
