
ACTION: Notice.

SUMMARY: The Commission hereby gives notice of the scheduling of expedited reviews pursuant to the Tariff Act of 1930 (“the Act”) to determine whether revocation of the countervailing and antidumping duty orders on certain amorphous silica fabric from China would be likely to lead to continuation or recurrence of material injury within a reasonably foreseeable time.

DATE: May 9, 2022

FOR FURTHER INFORMATION CONTACT: Alejandro Orozco (202-205-3177), Office of Investigations, U.S. International Trade Commission, 500 E Street SW, Washington, DC 20436. Hearing-impaired persons can obtain information on this matter by contacting the Commission’s TDD terminal on 202-205-1810. Persons with mobility impairments who will need special assistance in gaining access to the Commission should contact the Office of the Secretary at 202-205-2000. General information concerning the Commission may also be obtained by accessing its internet server (https://www.usitc.gov). The public record for this review may be viewed on the Commission’s electronic docket (EDIS) at https://edis.usitc.gov.

SUPPLEMENTARY INFORMATION:

Background.--On May 9, 2022, the Commission determined that the domestic interested party group response to its notice of institution (87 FR 5511, February 1, 2022) of the subject five-year reviews was adequate and that the respondent interested party group
response was inadequate. The Commission did not find any other circumstances that would warrant conducting full reviews.\footnote{A record of the Commissioners’ votes is available from the Office of the Secretary and at the Commission’s website.} Accordingly, the Commission determined that it would conduct expedited reviews pursuant to section 751(c)(3) of the Tariff Act of 1930 (19 U.S.C. 1675(c)(3)).

For further information concerning the conduct of these reviews and rules of general application, consult the Commission’s Rules of Practice and Procedure, part 201, subparts A and B (19 CFR part 201), and part 207, subparts A, D, E, and F (19 CFR part 207).

Please note the Secretary’s Office will accept only electronic filings at this time. Filings must be made through the Commission’s Electronic Document Information System (EDIS, https://edis.usitc.gov). No in-person paper-based filings or paper copies of any electronic filings will be accepted until further notice.

\textbf{Staff report}.--A staff report containing information concerning the subject matter of the reviews has been placed in the nonpublic record, and will be made available to persons on the Administrative Protective Order service list for these reviews on August 19, 2022. A public version will be issued thereafter, pursuant to section 207.62(d)(4) of the Commission’s rules.

\textbf{Written submissions}.--As provided in section 207.62(d) of the Commission’s rules, interested parties that are parties to the reviews and that have provided individually adequate responses to the notice of institution,\footnote{The Commission has found the responses to its notice of institution filed on behalf of Auburn Manufacturing, Inc. and SGL Composites Inc., domestic producers of amorphous silica fabric, to be individually adequate. Comments from other interested parties will not be accepted (see 19 CFR 207.62(d)(2)).} and any party other than an interested party to the reviews may file written comments with the Secretary on what determinations the Commission should reach in the reviews. Comments are due on or before August 26, 2022 and may not contain new factual information. Any person that is neither a party to the five-year reviews nor an interested party may submit a brief written statement (which shall not contain any new factual information) pertinent to the reviews by August 26, 2022. However, should the Department of Commerce (“Commerce”) extend the time limit for its completion of the final
results of its reviews, the deadline for comments (which may not contain new factual
information) on Commerce’s final results is three business days after the issuance of
Commerce’s results. If comments contain business proprietary information (BPI), they must
conform with the requirements of sections 201.6, 207.3, and 207.7 of the Commission’s rules.
The Commission’s Handbook on Filing Procedures, available on the Commission’s website at
https://www.usitc.gov/documents/handbook_on_filing_procedures.pdf, elaborates upon the
Commission’s procedures with respect to filings.

In accordance with sections 201.16(c) and 207.3 of the rules, each document filed by a
party to the reviews must be served on all other parties to the reviews (as identified by either
the public or BPI service list), and a certificate of service must be timely filed. The Secretary will
not accept a document for filing without a certificate of service.

Determination.--The Commission has determined these reviews are extraordinarily
complicated and therefore has determined to exercise its authority to extend the review period
by up to 90 days pursuant to 19 U.S.C. 1675(c)(5)(B).

AUTHORITY: These reviews are being conducted under authority of title VII of the Tariff Act
of 1930; this notice is published pursuant to section 207.62 of the Commission’s rules.

By order of the Commission.

Katherine Hiner
Acting Secretary to the Commission
