**Investigation Nos. 701-TA-610 and 731-TA-1425 and 1427 (Review)**

**Refillable Stainless Steel Kegs from China and Mexico**

Termination of five-year reviews.

AGENCY: United States International Trade Commission.

ACTION: Notice.

SUMMARY: The Commission instituted the subject five-year reviews on September 3, 2024 to determine whether revocation of the countervailing duty order on refillable stainless steel kegs from China and the antidumping duty orders on refillable stainless steel kegs from China and Mexico would be likely to lead to continuation or recurrence of material injury. On November 21, 2024, the Department of Commerce published a notice in the Federal Register that it was revoking the order on Mexico effective October 10, 2024, and the orders on China effective December 16, 2024, because no domestic interested party filed a timely notice of intent to participate. Accordingly, the subject reviews are terminated.

DATES: October 10, 2024 and December 16, 2024.
