

**UNITED STATES INTERNATIONAL TRADE COMMISSION**  
**Washington, DC**

**Investigation Nos. 731-TA-1174-1175 (Review)**

**SEAMLESS REFINED COPPER PIPE AND TUBE FROM CHINA AND MEXICO**

**DETERMINATION**

On the basis of the record<sup>1</sup> developed in these subject five-year reviews, the United States International Trade Commission ("Commission") determines, pursuant to the Tariff Act of 1930 ("the Act"), that revocation of the antidumping duty orders on seamless refined copper pipe and tube from China and Mexico would be likely to lead to continuation or recurrence of material injury to an industry in the United States within a reasonably foreseeable time.

**BACKGROUND**

The Commission, pursuant to section 751(c) of the Act (19 U.S.C. 1675(c)), instituted these reviews on October 1, 2015 (80 F.R. 59186) and determined on January 4, 2016 that it would conduct full reviews (81 F.R. 1967, January 14, 2016). Notice of the scheduling of the Commission's reviews and of a public hearing to be held in connection therewith was given by posting copies of the notice in the Office of the Secretary, U.S. International Trade Commission, Washington, DC, and by publishing the notice in the *Federal Register* on June 23, 2016 (81 F.R. 40922). The hearing was held in Washington, DC, on October 11, 2016, and all persons who requested the opportunity were permitted to appear in person or by counsel.

The Commission made these determinations pursuant to section 751(c) of the Act (19 U.S.C. 1675(c)). It completed and filed its determinations in these reviews on December 2, 2016. The views of the Commission are contained in USITC Publication 4650 (November 2016), entitled *Seamless Refined Copper Pipe and Tube from China and Mexico: Investigation Nos. 731-TA-1174-1175 (Review)*.

By order of the Commission.

Lisa R. Barton  
Secretary to the Commission

Issued: December 5, 2016

---

<sup>1</sup> The record is defined in sec. 207.2(f) of the Commission's Rules of Practice and Procedure (19 CFR § 207.2(f)).
