AGENCY: United States International Trade Commission.

ACTION: Notice.

SUMMARY: The Commission hereby gives notice that it will proceed with full reviews pursuant to the Tariff Act of 1930 to determine whether revocation of the antidumping duty orders on emulsion styrene-butadiene rubber from Brazil, Mexico, Poland, and South Korea would be likely to lead to continuation or recurrence of material injury within a reasonably foreseeable time. A schedule for the reviews will be established and announced at a later date.

The Commission also found that the respondent interested party group responses from Brazil and Poland were inadequate but determined to conduct full reviews of the orders on imports from those countries in order to promote administrative efficiency in light of its determinations to conduct full reviews of the orders with respect to Mexico and South Korea. A record of the Commissioners' votes will be available from the Office of the Secretary and at the Commission's website.
