AGENCY: United States International Trade Commission.

ACTION: Notice.

SUMMARY: The Commission hereby gives notice that it will proceed with a full review pursuant to the Tariff Act of 1930 to determine whether revocation of the antidumping duty order on pure magnesium from China would be likely to lead to continuation or recurrence of material injury within a reasonably foreseeable time. A schedule for the review will be established and announced at a later date.

DATE: June 6, 2022.

group response to its notice of institution (87 FR 11472, March 1, 2022) was adequate. The Commission found that the respondent interested party group response was inadequate but found that other circumstances warranted conducting a full review.¹ A record of the Commissioners' votes will be available from the Office of the Secretary and at the Commission's website.
