| Technical Comments: | The Commission modified the article description to more closely reflect HTS nomenclature or usage. The Commission notes that while petitioner indicated the relief sought is not available to any person importing the article, the language of the article description itself does not limit importation by any person and the Commission's affirmative determination is based upon the language of the article description, as specified in the petition with any necessary technical changes incorporated. The Commission modified the requested duty rate. |

|-----------------------------|--|
| Preliminary Report Updated: | No |
| Petitioner: | Bayer CropScience LP |
| Petitioner Location: | St. Louis, MO 63167 |
| Product Name: | Flupyradifurone |
| HTS Number: | 2934.99.16 |
| Chapter 99 Number: | 9902.07.32 |
| CAS Number: | 951659-40-8 |
| Article Description: | 4-{[(6-Chloro-3-pyridinyl)methyl](2,2-difluoroethyl)amino}-2(5H)-furanone (Flupyradifurone) (CAS No. 951659-40-8) (provided for in subheading 2934.99.16) |
| Technical Comments: | The Commission modified the article description to more closely reflect HTS nomenclature or usage. The Commission notes that while petitioner indicated the relief sought is not available to any person importing the article, the language of the article description itself does not limit importation by any person and the Commission's affirmative determination is based upon the language of the article description, as specified in the petition with any necessary technical changes incorporated. |
| | The Commission modified the requested duty rate. |

| Article Description: | Footwear for women, with outer soles and uppers of rubber or plastics (other than footwear described in subheading note 1 to chapter 64), that is designed for outdoor activities, such as hiking shoes, trekking shoes, running shoes and trail running shoes, valued over \$25/pair, which provides protection against water that is imparted by the use of a laminated textile fabric, with or without insulation, whose height from the bottom is at least 15.35 cm and does not exceed 25.4 cm (provided for in subheading 6402.91.50); the foregoing, if valued over \$27/pair, has openings in the bottom and/or side of the sole, or covered openings in the upper above the sole unit, or a combination thereof, designed to permit moisture vapor transport from under the foot |
| Technical Comments: | The Commission modified the requested duty rate. The Commission modified the article description to more closely reflect HTS nomenclature or usage. The Commission modified the article description so that its coverage does not overlap with petition 1900405. |
| Final Report Comments: | Based on comment(s) received after delivery of the preliminary report and further research and analysis, the Commission changed its determination on domestic producer objection. The technical comments have been updated from the preliminary report to reflect any changes to the article description and duty rate. The Commission reassigned the petition from category VI to category III. |
