

Appendix H. Category VI Petitions

As required by Section 3(b)(3)(C)(ii) of the AMCA, the following table provides: "(VI) A list of petitions for duty suspensions and reductions that the Commission does not recommend for inclusion in a miscellaneous tariff bill, other than petitions specified in subclause (V)." These petitions are referred to as "Category VI Petitions" for the purposes of this preliminary report.

Click on the petition identification number (ID) bookmark listing to link to a detailed summary for a specific petition. If your petition ID does not appear in the first column it may have been consolidated. Please refer to Appendix A to identify the Master petition ID.

ID	Petitioner	Product Name	Consolidated Petitions
6	Covestro LLC	Aniline	N/A
8	Whirlpool Corporation	Spiralizer Attachment Parts For Food Stand Mixers	N/A
10	Covestro LLC	Acrylonitrile butadiene styrene	N/A
12	Covestro LLC	Bisphenol A copolycarbonate	N/A
18	Covestro LLC	polyisocyanate crosslinking agent	N/A
20	Covestro LLC	crosslinker for solvent borne adhesives	N/A
22	Whirlpool Corporation	Pasta shaping parts for food stand mixer	N/A
24	Whirlpool Corporation	handheld food and beverage blending devices	N/A
27	Whirlpool Corporation	electric food processors	N/A
28	Whirlpool Corporation	electric food choppers	N/A
30	Whirlpool Corporation	Food beaters designed to attach to handheld mixers	N/A
35	Whirlpool Corporation	Dough hooks designed to attach to handheld mixers	N/A
49	Whirlpool Corporation	Ravioli making parts for food stand mixers	N/A
53	Whirlpool Corporation	Ice cream making parts for food stand mixers	N/A
62	Whirlpool Corporation	Spiralizer attachment parts for food stand mixers	N/A
75	Bayer CropScience LP	Product mixtures containing glufosinate ammonium	868, 1375
78	Whirlpool Corporation	Pasta making parts for stand food mixer	N/A
80	Covestro LLC	IPDI and HDI based aliphatic polyisocyanate	N/A
86	ANN, INC.	Women's polyurethane belt with certain trims	N/A
151	Yu Shan Company USA Ltd.	Luggage	N/A
152	Casual Home Worldwide	Luggage	N/A
155	Bayer CropScience LP	Trifluoroacetic Acid	N/A
170	PetSmart Home Office, Inc.	Disposable pet litter box tray	N/A
173	Dixie Consumer Products LLC	Single wrapped cutlery joined by a skewer	N/A

Preliminary Report - Petition 8

Overview

Preliminary Category:	VI
Petitioner:	Whirlpool Corporation
Petitioner Location:	Benton Harbor, MI 49022
Product Name:	Spiralizer Attachment Parts For Food Stand Mixers
HTS Number:	8509.90.55
Chapter 99 Number:	N/A
CAS Number:	N/A
Article Description:	Food spiralizing parts designed for use on electromechanical food stand mixers, each including fewer than five interchangeable cutting blades and a removable peeling blade (provided for in subheading 8509.90.55)
Technical Comments:	The Commission does not recommend this petition because the article description does not identify or describe clearly the distinct article of commerce intended to be covered by the petition, taking into account input from U.S. Customs and Border Protection. The Commission did not calculate, or was unable to calculate, likely future imports for this petition because it was determined that the article description in the petition does not clearly describe the intended merchandise.

Preliminary Report - Petition 35

Overview

Preliminary Category:	VI
Petitioner:	Whirlpool Corporation
Petitioner Location:	Benton Harbor, MI 49022
Product Name:	Dough hooks designed to attach to handheld mixers
HTS Number:	8509.90.55
Chapter 99 Number:	N/A
CAS Number:	N/A
Article Description:	Dough hook parts designed for use on electromechanical food hand mixers (provided for in subheading 8509.90.55)
Technical Comments:	<p>The Commission does not recommend the petition based on information from U.S. Customs and Border Protection in the U.S. Department of Commerce report, which indicates that the article description in the petition is not administrable as drafted. The article description lacks sufficient information for CBP to identify or classify the intended merchandise or allow CBP to propose technical changes that would do the same.</p> <p>The Commission did not calculate, or was unable to calculate, likely future imports for this petition because it was determined that the article description cannot be administered by U.S. Customs and Border Protection.</p>

Preliminary Report - Petition 53

Overview

Preliminary Category:	VI
Petitioner:	Whirlpool Corporation
Petitioner Location:	Benton Harbor, MI 49022
Product Name:	Ice cream making parts for food stand mixers
HTS Number:	8509.90.55
Chapter 99 Number:	N/A
CAS Number:	N/A
Article Description:	Ice cream-making parts designed for use with electromechanical food stand mixers (provided for in subheading 8509.90.55)
Technical Comments:	The Commission does not recommend the petition because the article description does not identify or describe clearly the distinct article of commerce intended to be covered by the petition, taking into account input from U.S. Customs and Border Protection. The Commission does not recommend the petition because USITC staff cannot calculate likely future imports attributable to the proposed heading, and thus is unable to estimate the amount of revenue loss to the United States.

Preliminary Report - Petition 78

Overview

Preliminary Category:	VI
Petitioner:	Whirlpool Corporation
Petitioner Location:	Benton Harbor, MI 49022
Product Name:	Pasta making parts for stand food mixer
HTS Number:	8509.90.55
Chapter 99 Number:	N/A
CAS Number:	N/A
Article Description:	Pasta-making parts designed for use on electromechanical stand food mixers, such parts of steel (whether or not coated or plated with nickel or chrome), the foregoing including pasta rollers or cutters (provided for in subheading 8509.90.55)
Technical Comments:	The Commission does not recommend the petition because the intended merchandise as described is not classifiable in the referenced HTS subheading, and public information in the petition does not support a technical correction to resolve this conflict. The Commission did not calculate, or was unable to calculate, likely future imports for this petition because it was determined that the article description cannot be administered.

Preliminary Report - Petition 224

Overview

Preliminary Category:	VI
Petitioner:	PetSmart Home Office, Inc.
Petitioner Location:	Phoenix, AZ 85027
Product Name:	Toys for pets other than dogs.
HTS Number:	6307.90.75
Chapter 99 Number:	N/A
CAS Number:	N/A
Article Description:	Toys for any pets other than dogs, of textile materials with or without internal plastic squeaker(s), whether or not stuffed (as provided for under 6307.90.75).
Technical Comments:	<p>The Commission does not recommend the petition based on information from U.S. Customs and Border Protection in the U.S. Department of Commerce report, which indicates that the article description in the petition is not administrable as drafted. The article description lacks sufficient information for CBP to identify or classify the intended merchandise or allow CBP to propose technical changes that would do the same.</p> <p>The Commission did not calculate, or was unable to calculate, likely future imports for this petition because it was determined that the article description cannot be administered by U.S. Customs and Border Protection.</p> <p>The Commission does not recommend this petition based on domestic producer objection(s).</p>

Preliminary Report - Petition 318

Overview

Preliminary Category:	VI
Petitioner:	ANN, INC.
Petitioner Location:	New York, NY 10036
Product Name:	Business card case with outer surface of plastics
HTS Number:	4202.32.10
Chapter 99 Number:	N/A
CAS Number:	N/A
Article Description:	Cases with outer surfaces of reinforced or laminated plastics, rectangular in shape, no larger than 4.5 inches in length and 3.5 inches in width, designed to hold business, identification, money cards and the like by having either internal extended edges or slots to secure cards (as provided for under subheading 4202.32.10)
Technical Comments:	The Commission does not recommend the petition because the article description does not identify or describe clearly the distinct article of commerce intended to be covered by the petition, taking into account input from U.S. Customs and Border Protection. The Commission did not calculate, or was unable to calculate, likely future imports for this petition because the article description is not sufficiently clear to allow staff to do so. The Commission does not recommend this petition based on domestic producer objection(s).

Preliminary Report - Petition 337

Overview

Preliminary Category: VI

Petitioner: PetSmart Home Office, Inc.

Petitioner Location: Phoenix, AL 85027

Product Name: Travel bags & cases 4 pets w/out wheels

HTS Number: 4202.92.91

Chapter 99 Number: N/A

CAS Number: N/A

Article Description: Bags and cases with outer surface of man-made fibers textile material, with one or more articulated opening(s) on sides or top that may or may not be covered by a mesh textile designed to allow ventilation, without wheels, to transport dogs, cats, and other small pets (as provided under subheading 4202.92.91)

Technical Comments: The Commission does not recommend the petition because the article description does not identify or describe clearly the distinct article of commerce intended to be covered by the petition, and public information in the petition or language in the HTS does not permit the Commission to resolve CBP concerns. The Commission did not calculate, or was unable to calculate, likely future imports for this petition because the article description is not sufficiently clear to allow staff to do so.
The Commission does not recommend this petition based on domestic producer objection(s).

Chapter 99 Number:	N/A
CAS Number:	N/A
Article Description:	Fabric of plain weave construction composed of 100% textured polyester filament yarns constructed of yarns of different colors. The fabric weft consists of PBT (Polybutylene Terephthalate) yarn giving the fabric sideways stretch. The fabric contains a range of 31 – 36 single yarns per cm in the warp and 14 - 18 single yarns per cm in the weft and weighs at least 96 g/m2. The minimum fabric width is 142.2 cm and is light brown in color. (provided for in subheading 5407.53.20).

Technical Comments:

The Commission does not recommend the petition based on information from U.S. Customs and Border Protection in the U.S. Department of Commerce report, which indicates the article description in the petition is not administrable as drafted. The petition provides for multiple articles that are classifiable in more than one subheading, and are not goods put up in sets or combinations.

The Commission did not calculate, or was unable to calculate, likely future imports for this petition because it was determined that the article description cannot be administered by U.S. Customs and Border Protection.

Petitioner: Toho Tenax America, Inc.

Petitioner Location: Rockwood, TN 37854

Product Name: OPF precursor

HTS Number: 5501.30.00

Chapter 99 Number: N/A

CAS Number: N/A

Article Description: Acrylic filament tow(polyacrlonitrile tow)containing by weight 94 percent or more of polyacrylonitrile, with at least 25% of water, imported in the form of flat filament tow with 310,000 to 330,000 filaments in the tow band and an individual filament denier between 1.0 and 1.8 denier (provided for in subheading 5501.30.0090)

Technical Comments: The Commission does not recommend this petition based on domestic producer objection(s). The Commission notes that while information available to the Commission suggests the relief sought may not be available to any person importing the article, the language of the article description itself does not limit importation by any person and the Commission's affirmative determination is based upon the language of the article description, as specified in the petition with any necessary technical changes incorporated.

Preliminary Report - Petition 616

Overview

Preliminary Category:	VI
Petitioner:	W.L. Gore and Associates
Petitioner Location:	Newark, DE 19714
Product Name:	e-PTFE sheets ≤1.5mm for sealants
HTS Number:	3921.19.00
Chapter 99 Number:	N/A
CAS Number:	N/A
Article Description:	Sheets or spools of 100% expanded polytetrafluoroethylene (PTFE) sealant for industrial use, not O-Rings, cellular, flat, no adhesive, 1.5 mm in thickness or smaller, and have a temperature range of -268°C to + 315°C (-450°F to +600°F), operating pressure of vacuum to 3,000 psi (200 bar), tensile strength of at least 7,000 psi as demonstrated by High Temperature Aged Load Relaxation "HALR" testing and Hot Blowout testing "HOBT", resistant to all chemical media in the 0-14 pH range except molten alkali metals and element fluorine, and have 57% compressibility per American Society for Testing and Materials "ASTM" F-36 test, that is further modified after importation into various sealant applications (as provided for under subheading 3921.19.00)
Technical Comments:	<p>The Commission does not recommend the petition based on input from U.S. Customs and Border Protection in the U.S. Department of Commerce report. CBP indicates that technical requirements in the proposed article description would require CBP to perform a physical inspection or laboratory analysis of an imported article to verify that it falls within the scope of that description.</p> <p>The Commission did not calculate, or was unable to calculate, likely future imports for this petition because it was determined that the article description cannot be administered.</p> <p>The Commission does not recommend this petition based on domestic producer objection(s).</p>

Overview

Preliminary Category:	VI
Petitioner:	W.L. Gore and Associates
Petitioner Location:	Newark, DE 19714
Product Name:	e-PTFE sheets 1.6mm ≤ 3.00mm for sealants
HTS Number:	3921.19.00
Chapter 99 Number:	N/A
CAS Number:	N/A
Article Description:	Sheets or spools of 100% expanded polytetrafluoroethylene (PTFE) sealant for industrial use, not O-Rings, cellular, flat, no adhesive, greater than 1.5 mm but no more than 3.0 mm in thickness, and have a temperature range of -268°C to + 315°C (-450°F to +600°F), operating pressure of vacuum to 3,000 psi (200 bar), tensile strength of at least 7,000 psi as demonstrated by High Temperature Aged Load Relaxation "HALR" testing and Hot Blowout testing "HOBt", resistant to all chemical media in the 0-14 pH range except molten alkali metals and element fluorine, and have 57% compressibility per American Society for Testing and Materials "ASTM" F-36 test, that is further modified after importation into various sealant applications (as provided for under subheading 3921.19.00)
Technical Comments:	The Commission does not recommend the petition based on information from U.S. Customs and Border Protection in the U.S. Department of Commerce report, which indicates the article description in the petition is not administrable as drafted. The article description includes one or more requirements that relate to the actual use of the product. The Commission did not calculate, or was unable to calculate, likely future imports for this petition because it was determined that the article description cannot be administered by U.S. Customs and Border Protection.

Preliminary Report - Petition 671

Overview

Preliminary Category:	VI
Petitioner:	3V Sigma USA Inc.
Petitioner Location:	Georgetown, SC 29440
Product Name:	UV Absorber
HTS Number:	3907.20.00
Chapter 99 Number:	N/A
CAS Number:	104810-48-2
Article Description:	A mixture of: a-3-(3-(2Hbenzotriazol- 2-yl)-5-tert-butyl- 4-hydroxyphenyl)propionyl- whydroxypoly(oxyethylene);a-3- (3-(2H-benzotriazo & EO bis(benztriazolyl)phenylpropionat & Poly(oxy-1,2-ethanediyl),a-hydro-ω-hydroxy- Ethane-1,2-diol, ethoxylated (CAS No. 104810-48-2 & 104810-47-1 & 25322-68-3) (provided for in subheading 3907.20.00)
Technical Comments:	The Commission does not recommend the petition because the article description does not identify or describe clearly the distinct article of commerce intended to be covered by the petition, and public information in the petition or language in the HTS does not permit the Commission to resolve these concerns. The Commission did not calculate, or was unable to calculate, likely future imports for this petition because it was determined that the article description cannot be administered.

Preliminary Report - Petition 774

Overview

Preliminary Category:	VI
Petitioner:	BGF Inudstries
Petitioner Location:	Greensboro, NC 27410
Product Name:	Alumina/silica fiber
HTS Number:	7019.19.30
Chapter 99 Number:	N/A
CAS Number:	N/A
Article Description:	Glass fibers: Chopped strands, of a length more than 50 mm: derived from an alumina/silica hydrate, SIALOXOL, described by the chemical formula $\text{AlO}_{1.5} @ 18 [(\text{SiO}_2)_{0.6} (\text{SiO}_{1.5} \text{OH})_{0.4}]$ (provided for in subheading 7019.19.30)
Technical Comments:	<p>The Commission does not recommend the petition based on information from U.S. Customs and Border Protection in the U.S. Department of Commerce report, which indicates that the article description in the petition is not administrable as drafted. The article description lacks sufficient information for CBP to identify or classify the intended merchandise or allow CBP to propose technical changes that would do the same.</p> <p>The Commission did not calculate, or was unable to calculate, likely future imports for this petition because it was determined that the article description cannot be administered by U.S. Customs and Border Protection.</p>

Overview

Preliminary Category:	VI
Petitioner:	Peg Perego
Petitioner Location:	Fort Wayne, IN 46808
Product Name:	Baby stroller
HTS Number:	8715.00.00
Chapter 99 Number:	N/A
CAS Number:	N/A
Article Description:	One-piece baby stroller with non-detachable seat, with foldable, non-removable anchor points for car seat mounting and a folding mechanism which allows the backrest to collapse forward against the seat.
Technical Comments:	The Commission does not recommend the petition because the article description does not identify or describe clearly the distinct article of commerce intended to be covered by the petition, taking into account input from U.S. Customs and Border Protection. The Commission did not calculate, or was unable to calculate, likely future imports for this petition because the article description is not sufficiently clear to allow staff to do so.

Preliminary Report - Petition 933

Overview

Preliminary Category: VI

Petitioner: MTU America Inc

Petitioner Location: Novi, MI 48377

Product Name: Governor

HTS Number: 9032.89.60

Chapter 99 Number: N/A

CAS Number: N/A

Article Description: Electronic control units for off-highway diesel engines, with water tight aluminum enclosure and cannon style connection points for wiring harness, containing programmable software with complex algorithms to control multiple engine parameters, including turbochargers, combustion sytem and emissions.(provided for in subheading 9032.89.60)

Technical Comments: The Commission does not recommend the petition based on information from U.S. Customs and Border Protection in the U.S. Department of Commerce report, which indicates that the article description in the petition is not administrable as drafted. The article description lacks sufficient information for CBP to identify or classify the intended merchandise or allow CBP to propose technical changes that would do the same.
The Commission did not calculate, or was unable to calculate, likely future imports for this petition because it was determined that the article description cannot be administered by U.S. Customs and Border Protection.

Preliminary Report - Petition 986

Overview

Preliminary Category: VI

Petitioner: Dixie Consumer Products LLC

Petitioner Location: Atlanta, GA 30303

Product Name: Birch Wood Drink Stirrers

HTS Number: 4421.90.60

Chapter 99 Number: N/A

CAS Number: N/A

Article Description: Drink mixers consisting solely of birch wood, having a surface area more than 20 cm², but not greater than 30 cm², and a thickness more than .12 cm, but not greater than .13 cm (provided for in subheading 4421.90.60)

Technical Comments: The Commission does not recommend the petition based on input from U.S. Customs and Border Protection in the U.S. Department of Commerce report. CBP indicates that technical requirements in the proposed article description would require CBP to perform a physical inspection or laboratory analysis of an imported article to verify that it falls within the scope of that description.
The Commission did not calculate, or was unable to calculate, likely future imports for this petition because it was determined that the article description cannot be administered.
The Commission does not recommend this petition based on domestic producer objection(s).

Preliminary Report - Petition 1067

Overview

Preliminary Category:	VI
Petitioner:	Bayer CropScience LP
Petitioner Location:	RTP, NC 27709
Product Name:	Thiencarbazone-methyl+Isoxadifen-ethyl+Tembotrione
HTS Number:	3808.93.15
Chapter 99 Number:	N/A
CAS Number:	317815-83-1
Article Description:	Product mixtures containing Methyl 4-({[(3-methoxy-4-methyl-5-oxo-4,5-dihydro-1H-1,2,4-triazol-1-yl)carbonyl]amino}sulfonyl)-5-methylthiophene-3-carboxylate (Thiencarbazone-methyl) (CAS No. 317815-83-1), Ethyl 4,5-dihydro-5,5-diphenyl-3-isoxazolecarboxylate (Isoxadifen-ethyl) (CAS No. 163520-33-0) and 2-{2-Chloro-4-mesyl-3-[(2,2,2-trifluoroethoxy)methyl]benzoyl}cyclohexane-1,3-dione (Tembotrione) (CAS No. 335104-84-2) (provided for in subheading 3808.93.15)
Technical Comments:	The Commission does not recommend this petition based on domestic producer objection(s). The Commission notes that while petitioner indicated the relief sought is not available to any person importing the article, the language of the article description itself does not limit importation by any person and the Commission's affirmative determination is based upon the language of the article description, as specified in the petition with any necessary technical changes incorporated.

Preliminary Report - Petition 1127

Overview

Preliminary Category: VI

Petitioner: Air Products and Chemicals, Inc.

Petitioner Location: Allentown, PA 18195

Product Name: Epilink 701

HTS Number: 3911.90.45

Chapter 99 Number: 9902.40.02

CAS Number: 260549-92-6

Article Description: Aqueous emulsion of a modified aliphatic amine mixture of: decanedioic acid, compounds with 1,3- benzenedimethanamine-bisphenol A-bisphenol A diglycidyl ether-diethylenetriamine glycidyl phenyl ether reaction product-epichlorohydrin- formaldehyde-propylene oxide- triethylenetetramine polymer (CAS No. 260549-92-6) (provided for in subheading 3911.90.45)

Technical Comments: The Commission does not recommend the petition because the article description does not identify or describe clearly the distinct article of commerce intended to be covered by the petition, and public information in the petition or language in the HTS does not permit the Commission to resolve these concerns.
The Commission did not calculate, or was unable to calculate, likely future imports for this petition.

Preliminary Report - Petition 1158

Overview

Preliminary Category:	VI
Petitioner:	Simms Fishing Products LLC
Petitioner Location:	Bozeman, MT 59718
Product Name:	Woven Poly/Nylon fabric of conjugated filament
HTS Number:	5407.72.00
Chapter 99 Number:	N/A
CAS Number:	N/A
Article Description:	Woven fabric of 60-70% polyester and 30-40% nylon, composed with 150x250 warp and 100x130 filling, of conjugated microfiber filament (225 individual filaments at .366 decitex (.33 denier); such fabric is piece dyed, weighing not more than 170 g/m2 (provided for in subheading 5407.72.00)

Technical Comments:	<p>The Commission does not recommend the petition based on input from U.S. Customs and Border Protection in the U.S. Department of Commerce report. CBP indicates that technical requirements in the proposed article description would require CBP to perform a physical inspection or laboratory analysis of an imported article to verify that it falls within the scope of that description.</p> <p>The Commission did not calculate, or was unable to calculate, likely future imports for this petition because it was determined that the article description cannot be administered. Taking into account the U.S. Department of Commerce report and based on all information available, the Commission has made a negative determination on domestic producer objection.</p>

Overview

Preliminary Category:	VI
Petitioner:	Keysight Technologies, Inc.
Petitioner Location:	Santa Rosa, CA 95403-1738
Product Name:	Digital Storage Oscilloscope
HTS Number:	9030.20.10
Chapter 99 Number:	N/A
CAS Number:	N/A
Article Description:	Digital storage oscilloscope, having a bandwidth range of 20 GHz to 63 GHz, a sampling rate range of 90 gigasamples per second (GSa/s) to 160 GSa/s, 1 to 4 measurement channels, internal hard drive, and a color touch screen greater than 38 cm but not more than 41 cm (provided for in subheading 9030.20.10),
Technical Comments:	The Commission notes that the normal trade relations (NTR) rate of duty for the product changes within the next five years due to the product's inclusion in the WTO's Information Technology Agreement. The Commission's estimated Customs revenue loss reflects this anticipated change in the NTR rate of duty. The Commission does not recommend this petition based on domestic producer objection(s).

Chapter 99 Number:	N/A
CAS Number:	N/A
Article Description:	Low-profile modular power system (MPS) mainframe, having a power supply range of 400 to 1200 watts, 1 to 7 power output channels, with 1 to 4 slots for power modules, 1 U high, and an Ethernet connection (provided for in subheading 8504.90.96.50).
Technical Comments:	<p>The Commission does not recommend the petition based on information from U.S. Customs and Border Protection in the U.S. Department of Commerce report, which indicates that the article description in the petition is not administrable as drafted. The article description lacks sufficient information for CBP to identify or classify the intended merchandise or allow CBP to propose technical changes that would do the same.</p> <p>The Commission did not calculate, or was unable to calculate, likely future imports for this petition because it was determined that the article description cannot be administered by U.S. Customs and Border Protection.</p> <p>The Commission does not recommend this petition based on domestic producer objection(s).</p>

Preliminary Report - Petition 1209

Overview

Preliminary Category:	VI
Petitioner:	Zoetis
Petitioner Location:	Parsippany, NJ 07054
Product Name:	Phenicol
HTS Number:	2933.39.61
Chapter 99 Number:	N/A
CAS Number:	N/A
Article Description:	N-((1R,2S)-1-(4-(6-((S)-1-aminoethyl)pyridin-3-yl)phenyl)-3-fluoro-1-hydroxypropan-2-yl)-2,2-difluoroacetamide (provided for in subheading 2933.39.61)
Technical Comments:	<p>The Commission does not recommend the petition because the article description does not identify or describe clearly the distinct article of commerce intended to be covered by the petition. CBP's technical changes for this petition require the CAS number be included in the article description to identify the product at the time of entry, and public information in the petition or language in the HTS does not permit the Commission to resolve CBP concerns. The Commission did not calculate, or was unable to calculate, likely future imports for this petition.</p> <p>The Commission notes that while petitioner indicated the relief sought is not available to any person importing the article, the language of the article description itself does not limit importation by any person and the Commission's affirmative determination is based upon the language of the article description, as specified in the petition with any necessary technical changes incorporated.</p>

Preliminary Report - Petition 1236

Overview

Preliminary Category:	VI
Petitioner:	Keysight Technologies, Inc.
Petitioner Location:	Santa Rosa, CA 95403-1738
Product Name:	LCR Meter: 20 Hz - 2 MHz
HTS Number:	9030.89.01
Chapter 99 Number:	N/A
CAS Number:	N/A
Article Description:	LCR (Impedance capacitance resistance) meter, having a test frequency range of 20 Hz to 2 MHz, plus or minus 42 Volt peak maximum output, Ethernet/LAN interface, and an LCD display greater than 10 cm but not more than 13 cm (provided for in subheading 9030.89.01.00).
Technical Comments:	The Commission does not recommend this petition based on domestic producer objection(s). The Commission notes that the normal trade relations (NTR) rate of duty for the product changes within the next five years due to the product's inclusion in the WTO's Information Technology Agreement. The Commission's estimated Customs revenue loss reflects this anticipated change in the NTR rate of duty.

Petitioner: Pure Fishing Inc.

Petitioner Location: Kansas City, MO 64153

Product Name: Fishing Tackle Kit, valued \$6 - \$30

HTS Number: 9507.90.80

Chapter 99 Number: N/A

CAS Number: N/A

Article Description: Complete fishing tackle kits, with rod, pre-spoiled reel, artificial baits, hooks, lures, weights, sinkers and plastic tackle box put up for retail sell in one package, valued over \$6 but not more than \$30 (provided for in subheading 9507.90.80)

Technical Comments: The Commission does not recommend the petition based on information from U.S. Customs and Border Protection in the U.S. Department of Commerce report, which indicates that the article description in the petition is not administrable as drafted. The article description lacks sufficient information for CBP to identify or classify the intended merchandise or allow CBP to propose technical changes that would do the same. The Commission did not calculate, or was unable to calculate, likely future imports for this petition because it was determined that the article description cannot be administered by U.S. Customs and Border Protection.

Preliminary Report - Petition 1286

Overview

Preliminary Category: VI

Petitioner: W.L. Gore and Associates

Petitioner Location: Newark, DE 19714-9029

Product Name: M's gloves of 100% poly w/muff 4 hunting

HTS Number: 6216.00.08

Chapter 99 Number: N/A

CAS Number: N/A

Article Description: A men's full-fingered glove made of 100 percent polyester woven fabric coated with plastics, stuffed with synthetic microfiber for thermal insulation; such gloves have a muff attached to the back of the glove into which the opposite hand may be inserted, and are designed for use in the sport of hunting; sold as a single unit when put up for retail sale (provided for in subheading 6216.00.08)

Technical Comments: The Commission does not recommend the petition based on information from U.S. Customs and Border Protection in the U.S. Department of Commerce report, which indicates that the article description in the petition is not administrable as drafted. The article description lacks sufficient information for CBP to identify or classify the intended merchandise or allow CBP to propose technical changes that would do the same. The Commission did not calculate, or was unable to calculate, likely future imports for this petition because it was determined that the article description cannot be administered by U.S. Customs and Border Protection.

Preliminary Report - Petition 1288

Overview

Preliminary Category:	VI
Petitioner:	Keysight Technologies, Inc.
Petitioner Location:	Santa Rosa, CA 95403-1738
Product Name:	Optical Reference Transmitter-1310/1550nm
HTS Number:	9013.80.90
Chapter 99 Number:	N/A
CAS Number:	N/A
Article Description:	Optical Reference Transmitter, having an electro-optical bandwidth range of 10 MHz to 33 GHz, having a 1310/1550nm single fiber laser transmitter, plus or minus 2 Volts maximum, 2 Volts peak to peak (2Vpp), one data in connector, one output connector, and a single mode fiber (SMF) optical interface (provided for in subheading 9013.80.90.00).
Technical Comments:	The Commission does not recommend the petition because the article description does not identify or describe clearly the distinct article of commerce intended to be covered by the petition or permit the identification of its appropriate classification in the HTS. The Commission does not recommend the petition because USITC staff cannot calculate likely future imports attributable to the proposed heading, and thus is unable to estimate the amount of revenue loss to the United States.

Preliminary Report - Petition 1299

Overview

Preliminary Category: VI

Petitioner: Keysight Technologies, Inc.

Petitioner Location: Santa Rosa, CA 95403-1738

Product Name: Coaxial Switch - 67GHz

HTS Number: 8536.50.90

Chapter 99 Number: N/A

CAS Number: N/A

Article Description: Coaxial Switch with 3 or 4-Ports, having a frequency range of DC up to 67 GHz, up to a 24 Volts DC drive, and a maximum power range of 1 to 2 Watts CW (continuous wave) (provided for in subheading 8536.50.90.65).

Technical Comments: The Commission does not recommend the petition based on information from U.S. Customs and Border Protection in the U.S. Department of Commerce report, which indicates that the article description in the petition is not administrable as drafted. The article description lacks sufficient information for CBP to identify or classify the intended merchandise or allow CBP to propose technical changes that would do the same.
The Commission did not calculate, or was unable to calculate, likely future imports for this petition because it was determined that the article description cannot be administered by U.S. Customs and Border Protection.
The Commission does not recommend this petition based on domestic producer objection(s).

Preliminary Report - Petition 1385

Overview

Preliminary Category:	VI
Petitioner:	Cummins Inc.
Petitioner Location:	Columbus, IN 47201
Product Name:	Injector Fuel Supply Tubes
HTS Number:	8409.99.91
Chapter 99 Number:	N/A
CAS Number:	N/A
Article Description:	Injector Fuel Supply Tubes for compression-ignition engines, at least 15 cm in length, not exceeding 70 cm in length, at least 1 cm in width, not exceeding 40 cm in width, at least 0.1 cm in height, not exceeding 6 cm in height. (provided for in subheading 8409.99.91).
Technical Comments:	The Commission does not recommend the petition because the article description does not identify or describe clearly the distinct article of commerce intended to be covered by the petition, taking into account input from U.S. Customs and Border Protection. The Commission did not calculate, or was unable to calculate, likely future imports for this petition because the article description is not sufficiently clear to allow staff to do so.

Preliminary Report - Petition 1407

Overview

Preliminary Category: VI

Petitioner: Simms Fishing Products LLC

Petitioner Location: Bozeman, MT 59718

Product Name: Neoprene stockingfoot for fishing waders

HTS Number: 6210.40.55

Chapter 99 Number: N/A

CAS Number: N/A

Article Description: Men's stockingfoot of neoprene that is 4mm thick and covered on both sides with a knitted nylon fabric, whose height does exceed 20.53 cm (8 inches); such stockingfeet is formed anatomically and designed to attach to unfinished fishing wader bottoms (provided for in subheading 6210.40.55)

Technical Comments: The Commission does not recommend the petition based on information from U.S. Customs and Border Protection in the U.S. Department of Commerce report, which indicates that the article description in the petition is not administrable as drafted. The article description lacks sufficient information for CBP to identify or classify the intended merchandise or allow CBP to propose technical changes that would do the same.
The Commission did not calculate likely future imports for this petition because it was determined that the article description cannot be administered by U.S. Customs and Border Protection.

Preliminary Report - Petition 1516

Overview

Preliminary Category:	VI
Petitioner:	NUK USA LLC
Petitioner Location:	Reedsburg, WI 53959
Product Name:	Regen cellulose strips for industrial sponges
HTS Number:	3921.14.00
Chapter 99 Number:	N/A
CAS Number:	N/A
Article Description:	Nonadhesive rectangular and flat strips of regenerated cellulose, having a 20times dry weight absorption rate and >1daN/cm2 tensile strength; where such sheets are imported dry and are 806mm in length, 82mm in width and 60mm in thickness (provided for in subheading 3921.14.00)
Technical Comments:	<p>The Commission does not recommend the petition based on input from U.S. Customs and Border Protection in the U.S. Department of Commerce report. CBP indicates that technical requirements in the proposed article description would require CBP to perform a physical inspection or laboratory analysis of an imported article to verify that it falls within the scope of that description.</p> <p>The Commission did not calculate, or was unable to calculate, likely future imports for this petition because it was determined that the article description cannot be administered.</p>

Preliminary Report - Petition 1562

Overview

Preliminary Category: VI

Petitioner: PetSmart, Inc.

Petitioner Location: Phoenix, AZ 85027

Product Name: Glass tanks for household pets

HTS Number: 7013.99.90

Chapter 99 Number: N/A

CAS Number: N/A

Article Description: Glass tank, entirely enclosed on bottom and sides, with an open top designed for lid attachment, whether or not containing aquarium, terrarium and other accessories; such tanks are for household use and are intended to house fish, reptiles or other small pets including but not limited to chinchilla, hamsters, rats, mice, guinea pigs and gerbils (provided for in subheading 7103.99.90)

Technical Comments: The Commission does not recommend the petition based on information from U.S. Customs and Border Protection in the U.S. Department of Commerce report, which indicates that the article description in the petition is not administrable as drafted. The article description lacks sufficient information for CBP to identify or classify the intended merchandise or allow CBP to propose technical changes that would do the same.

The Commission did not calculate, or was unable to calculate, likely future imports for this petition because it was determined that the article description cannot be administered by U.S. Customs and Border Protection.

The Commission does not recommend this petition based on domestic producer objection(s).

Chapter 99 Number:	9902.05.07
CAS Number:	N/A
Article Description:	High tenacity single multifilament yarn of viscose rayon with a decitex equal to or greater than 1000 (other than sewing thread), having 98 z-twists/m, with a tenacity over 27 cN/tex, not put up for retail sale (provided for in subheading 5403.10.30)
Technical Comments:	<p>The Commission does not recommend the petition based on input from U.S. Customs and Border Protection in the U.S. Department of Commerce report. CBP indicates that technical requirements in the proposed article description would require CBP to perform a physical inspection or laboratory analysis of an imported article to verify that it falls within the scope of that description.</p> <p>The Commission did not calculate, or was unable to calculate, likely future imports for this petition because it was determined that the article description cannot be administered.</p>

Preliminary Report - Petition 1646

Overview

Preliminary Category: VI

Petitioner: Bridgestone Americas Tire Operations, LLC

Petitioner Location: Nashville, TN 37214

Product Name: Parts for Extruders

HTS Number: 8477.90.85

Chapter 99 Number: 9902.84.85

CAS Number: N/A

Article Description: Parts used exclusively for Extruders classified under HTS Subheading 8477.20.00 and used in the production of new, pneumatic tires designed in all sizes for motor cars (subheadings 4011.10.10 & 4011.10.50), buses and trucks (subheadings 4011.20.10 & 4011.20.50), motorcycles (subheading 4011.40.00, and agricultural, forestry, construction or industrial vehicles (subheadings 4011.61.00, 4011.62.00, 4011.63.00, 4011.69.00, 4011.92.00, 4011.93.40, 4011.33.80, 4011.94.40, 4011.94.80, 4011.99.45 & 4011.99.85)

Technical Comments: The Commission does not recommend the petition based on information from U.S. Customs and Border Protection in the U.S. Department of Commerce report, which indicates the article description in the petition is not administrable as drafted. The petition provides for multiple articles that are classifiable in more than one subheading, and are not goods put up in sets or combinations.

The Commission did not calculate, or was unable to calculate, likely future imports for this petition because it was determined that the article description cannot be administered by U.S. Customs and Border Protection.

The Commission does not recommend this petition based on domestic producer objection(s).

Overview

Preliminary Category:	VI
Petitioner:	Alcatel-Lucent USA Inc.
Petitioner Location:	New Providence, NJ 07974
Product Name:	Chassis or shelving containing backplane
HTS Number:	8537.10.91
Chapter 99 Number:	N/A
CAS Number:	N/A
Article Description:	Chassis or shelving containing backplane equipped with two or more apparatus of heading 8535 or 8536, for electric control or the distribution of electricity, not rated over 1000 volts, specifically designed for telecommunications (provided for in subheading 8537.10.91)
Technical Comments:	The Commission does not recommend the petition based on information from U.S. Customs and Border Protection in the U.S. Department of Commerce report, which indicates the article description in the petition is not administrable as drafted. The article description includes one or more requirements that relate to the actual use of the product. The Commission did not calculate, or was unable to calculate, likely future imports for this petition because it was determined that the article description cannot be administered by U.S. Customs and Border Protection.

Preliminary Report - Petition 1675

Overview

Preliminary Category:	VI
Petitioner:	EMS-CHEMIE (North America) Inc.
Petitioner Location:	Sumter, SC 29154
Product Name:	Grilpet B 24 H NZ (and related derivatives)
HTS Number:	3907.99.50
Chapter 99 Number:	N/A
CAS Number:	2041102-79-6
Article Description:	Grilpet B 24 H NZ and derivative products
Technical Comments:	<p>The Commission does not recommend the petition because it does not identify or clearly describe the distinct article of commerce intended to be covered. The article description includes a trade name for which necessary supporting technical information was not provided in the petition, and for which a CAS number does not match the indicated name. The Commission did not calculate, or was unable to calculate, likely future imports for the petition because the article description does not clearly identify the intended merchandise, so that staff is unable to calculate the same.</p> <p>The Commission notes that while petitioner indicated the relief sought is not available to any person importing the article, the language of the article description itself does not limit importation by any person and the Commission's affirmative determination is based upon the language of the article description, as specified in the petition with any necessary technical changes incorporated.</p>

Preliminary Report - Petition 1845

Overview

Preliminary Category:	VI
Petitioner:	Zeon Chemicals L.P.
Petitioner Location:	Louisville, KY 40211
Product Name:	Hydrogenated polymers of norbornene derivatives
HTS Number:	3911.90.25
Chapter 99 Number:	N/A
CAS Number:	503442-46-4
Article Description:	Cyclo olefin polymers 1,4-methano-1H-fluorene, 4,4a,9,9a-tetrahydro-, polymer with 1,2,3,4,4a,5,8,8a-octahydro-1,4:5,8-dimethanonaphthalene and 3a,4,7,7a-tetrahydro-4,7-methano-1H-indene, hydrogenated (CAS No. 503442-46-4); 1,4-methano-1H-fluorene, 4,4a,9,9a-tetrahydro-, polymer with 1,2,3,4,4a,5,8,8a-octahydro-1,4:5,8-dimethanonaphthalene, hydrogenated (CAS No. 503298-02-0); and 1,4:5,8-Dimethanonaphthalene, 1,2,3,4,4a,5,8,8a-octahydro-, polymer with bicyclo[2.2.1]hept-2-ene and 3a,4,7,7a-tetrahydro-4,7-methano-1H-indene, hydrogenated (CAS 881026-16-0), each of the foregoing imported in pellet form (provided for in subheading 3911.90.25).
Technical Comments:	<p>The Commission does not recommend the petition because the article description does not identify or describe clearly a distinct article of commerce intended to be covered by the petition. The article description appears to cover three distinct chemical products, but it is not possible from the public information in the petition to resolve concerns about this matter.</p> <p>The Commission did not calculate, or was unable to calculate, likely future imports for this petition.</p>

Preliminary Report - Petition 1928

Overview

Preliminary Category:	VI	Duplicate Petitions:	2175
Petitioner:	Niconovum USA, Inc.		
Petitioner Location:	Winston-Salem, NC 27102		
Product Name:	Nicotine gum		
HTS Number:	2106.90.99		
Chapter 99 Number:	N/A		
CAS Number:	N/A		
Article Description:	Nicotine gum that is a confectionery (including gum) containing synthetic sweetening agents (e.g., saccharin) instead of sugar and including nicotine (provided for in subheading 2106.90.9985)		
Technical Comments:	The Commission does not recommend the petition because the intended merchandise as described is not classifiable in the referenced HTS subheading, and public information in the petition does not support a technical correction to resolve this conflict. Nor was U.S. Customs and Border Protection able to propose technical changes to the article description that would make it administrable. The Commission did not calculate, or was unable to calculate, likely future imports for this petition because it was determined that the article description is unadministrable.

Preliminary Report - Petition 1994

Overview

Preliminary Category:	VI
Petitioner:	Avery Dennison Retail Information Services, LLC
Petitioner Location:	Fitchburg, MA 01420
Product Name:	Plastic clip fasteners
HTS Number:	3926.90.85
Chapter 99 Number:	N/A
CAS Number:	N/A
Article Description:	Nylon or polypropylene fasteners with a nominal filament length in the range of 6mm to 127mm, a nominal applied strength in the range of 1.27kg to 6.6kg, on a clip in the quantity of 25, 50, or 100 pieces, suitable for use in a mechanical attaching device (provided for in subheading 3926.90.85)
Technical Comments:	<p>The Commission does not recommend the petition based on input from U.S. Customs and Border Protection in the U.S. Department of Commerce report. CBP indicates that technical requirements in the proposed article description would require CBP to perform a physical inspection or laboratory analysis of an imported article to verify that it falls within the scope of that description.</p> <p>The Commission did not calculate, or was unable to calculate, likely future imports for this petition because it was determined that the article description cannot be administered.</p>

Preliminary Report - Petition 2049

Overview

Preliminary Category:	VI
Petitioner:	Cardolite Corporation
Petitioner Location:	Monmouth Junction, NJ 08852
Product Name:	Cashew nutshell liq., amines, formaldehyde
HTS Number:	3824.90.92
Chapter 99 Number:	N/A
CAS Number:	68413-29-6
Article Description:	CAS nos. 68413-29-6 CAS name Cashew nutshell liq., polymer with diethylenetriamine and formaldehyde blend with CAS nos.68413-28-5 Cashew nutshell liq., polymer with ethylenediamine and formaldehyde, (provided for in subheading 3824.90.92.90)
Technical Comments:	The Commission does not recommend the petition based on information from U.S. Customs and Border Protection in the U.S. Department of Commerce report, which indicates that the article description in the petition is not administrable as drafted. The article description lacks sufficient information for CBP to identify or classify the intended merchandise or allow CBP to propose technical changes that would do the same. The Commission did not calculate, or was unable to calculate, likely future imports for this petition because it was determined that the article description cannot be administered by U.S. Customs and Border Protection.

(Provided for in subheading 5503.30.00)
Technical Comments:	<p>The Commission does not recommend the petition based on input from U.S. Customs and Border Protection in the U.S. Department of Commerce report. CBP indicates that technical requirements in the proposed article description would require CBP to perform a physical inspection or laboratory analysis of an imported article to verify that it falls within the scope of that description.</p> <p>The Commission did not calculate, or was unable to calculate, likely future imports for this petition because it was determined that the article description cannot be administered.</p> <p>The Commission does not recommend this petition based on domestic producer objection(s).</p>

Preliminary Report - Petition 2166

Overview

Preliminary Category:	VI
Petitioner:	VF Outdoor, LLC.
Petitioner Location:	Alameda, CA 94502
Product Name:	Women's woven down jackets
HTS Number:	6202.93.15
Chapter 99 Number:	N/A
CAS Number:	N/A
Article Description:	Women's padded, down-filled jacket with a shell composed of woven man-made fiber fabric, containing 15 percent or more by weight of down and waterfowl plumage and of which Goose down comprises 40 percent or more by weight; the jacket features include full front opening secured by a zipper closure which extends to the top of the collar, pockets with closures at or below the waist, Fill Power rating of between 500-599 as measured in in3/oz
Technical Comments:	<p>The Commission does not recommend the petition based on input from U.S. Customs and Border Protection in the U.S. Department of Commerce report. CBP indicates that technical requirements in the proposed article description would require CBP to perform a physical inspection or laboratory analysis of an imported article to verify that it falls within the scope of that description.</p> <p>The Commission did not calculate, or was unable to calculate, likely future imports for this petition because it was determined that the article description cannot be administered.</p> <p>The Commission does not recommend this petition based on domestic producer objection(s).</p>

CBP Technical Changes Required: Yes

Preliminary Report - Petition 2218

Overview

Preliminary Category:	VI
Petitioner:	VF Outdoor, LLC.
Petitioner Location:	Alameda, CA 94502
Product Name:	Women's woven down jackets
HTS Number:	6202.93.15
Chapter 99 Number:	N/A
CAS Number:	N/A
Article Description:	Women's padded, down-filled jacket with a shell composed of woven man-made fiber fabric, containing 15 percent or more by weight of down and waterfowl plumage and of which Goose down comprises 40 percent or more by weight; the jacket features include full front opening secured by a zipper closure which extends to the top of the collar, pockets with closures at or below the waist, Fill Power rating of between 800-899 as measured in in3/oz.
Technical Comments:	<p>The Commission does not recommend the petition based on input from U.S. Customs and Border Protection in the U.S. Department of Commerce report. CBP indicates that technical requirements in the proposed article description would require CBP to perform a physical inspection or laboratory analysis of an imported article to verify that it falls within the scope of that description.</p> <p>The Commission did not calculate, or was unable to calculate, likely future imports for this petition because it was determined that the article description cannot be administered.</p> <p>The Commission does not recommend this petition based on domestic producer objection(s).</p>

Preliminary Report - Petition 2280

Overview

Preliminary Category: VI

Petitioner: VF Outdoor, LLC.

Petitioner Location: Alameda, CA 94502

Product Name: Boys' woven down jackets

HTS Number: 6201.93.50

Chapter 99 Number: N/A

CAS Number: N/A

Article Description: Boys' padded, down-filled jacket with a shell composed of woven man-made fiber fabric, containing 15 percent or more by weight of down and waterfowl plumage and of which Goose down comprises 40 percent or more by weight; the jacket features include full front opening secured by a zipper closure which extends to the top of the collar, pockets with closures at or below the waist, Fill Power rating of between 500-599 as measured in in3/oz

Technical Comments: The Commission does not recommend the petition based on input from U.S. Customs and Border Protection in the U.S. Department of Commerce report. CBP indicates that technical requirements in the proposed article description would require CBP to perform a physical inspection or laboratory analysis of an imported article to verify that it falls within the scope of that description.
The Commission did not calculate, or was unable to calculate, likely future imports for this petition because it was determined that the article description cannot be administered.
The Commission does not recommend this petition based on domestic producer objection(s).

Preliminary Report - Petition 2292

Overview

Preliminary Category:	VI
Petitioner:	Tektronix Corp.
Petitioner Location:	Beaverton, OR 97077
Product Name:	Oscilloscopes
HTS Number:	9030.20.10
Chapter 99 Number:	N/A
CAS Number:	N/A
Article Description:	Oscilloscopes with a sampling rate less than or equal to 2.5 GS/s. 9030.20.10
Technical Comments:	The Commission does not recommend this petition based on domestic producer objection(s). The Commission notes that the normal trade relations (NTR) rate of duty for the product changes within the next five years due to the product's inclusion in the WTO's Information Technology Agreement. The Commission's estimated Customs revenue loss reflects this anticipated change in the NTR rate of duty.

Preliminary Report - Petition 2295

Overview

Preliminary Category:	VI
Petitioner:	Baxter Healthcare
Petitioner Location:	Deerfield, IL 60015
Product Name:	Synthetic sulfur-cured polyisoprene tubing
HTS Number:	4009.11.00
Chapter 99 Number:	N/A
CAS Number:	N/A
Article Description:	Synthetic sulfur-cured polyisoprene tubing without fittings, cut to length between 146.05mm – 158.75mm with a durometer between 30-40, an inner diameter of 4.09mm - 4.60mm, and a wall thickness of 2.46mm–2.97mm (as provided for in subheading 4009.11.00)
Technical Comments:	<p>The Commission does not recommend the petition based on information from U.S. Customs and Border Protection in the U.S. Department of Commerce report. The technical requirements contained in the article description would require that CBP conduct a physical inspection or laboratory analysis to verify that the article falls within the scope of the proposed article description.</p> <p>The Commission did not calculate, or was unable to calculate, likely future imports for this petition because it was determined that the article description cannot be administered.</p>

Preliminary Report - Petition 2369

Overview

Preliminary Category:	VI
Petitioner:	OurPet's Company
Petitioner Location:	Fairport Harbor, OH 44077
Product Name:	Pounce House
HTS Number:	8479.89.94
Chapter 99 Number:	N/A
CAS Number:	N/A
Article Description:	The "Pounce House" is an electrical/mechanical pet toy whereby the electrical function in each case, supplies power to the moving parts, actually supporting the mechanical function of the toy. The toy consists of a fabric tent with an electrical/mechanical feather wand that revolves around a base that is suspended from the top of the tent down into the middle cavity of the tent. The tent has two openings for the cat to enter and "bat" the feather wand as it revolves around its base.
Technical Comments:	<p>The Commission does not recommend the petition because the article description does not identify or describe clearly the distinct article of commerce intended to be covered by the petition, and public information in the petition or language in the HTS does not permit the Commission to suggest technical changes to resolve these concerns.</p> <p>The Commission did not calculate, or was unable to calculate, likely future imports for this petition because it was determined that the article description cannot be administered.</p>

Overview

Preliminary Category:	VI
Petitioner:	Tektronix Corp.
Petitioner Location:	Beaverton, OR 97077
Product Name:	Oscilloscopes
HTS Number:	9030.20.10
Chapter 99 Number:	N/A
CAS Number:	N/A
Article Description:	Mixed domain oscilloscopes. 9030.20.10
Technical Comments:	The Commission does not recommend this petition based on domestic producer objection(s). The Commission notes that the normal trade relations (NTR) rate of duty for the product changes within the next five years due to the product's inclusion in the WTO's Information Technology Agreement. The Commission's estimated Customs revenue loss reflects this anticipated change in the NTR rate of duty.

CBP Technical Changes Required:	No

Preliminary Report - Petition 2395

Overview

Preliminary Category: VI

Petitioner: American Fiber & Finishing, Inc.

Petitioner Location: Albemarle, NC 28001

Product Name: Unbleached crimped cotton woven fabrics

HTS Number: 5208.11.40

Chapter 99 Number: N/A

CAS Number: N/A

Article Description: Three-ply crimped (crinkled) woven fabrics, wholly of cotton, unbleached but scoured, of yarn numbers 43 to 68, with widths of 60 cm or more but not over 90 cm (measured in the unplied status), such fabrics presented in a Z-folded state and put up in rolls with widths of 20 cm or more but not over 30 cm (measured in the plied status), each roll either continuous or comprising fabric pieces of various counts and lengths positioned in an overlapping configuration (provided for in subheading 5208.11.40)

Technical Comments: The Commission does not recommend the petition based on input from U.S. Customs and Border Protection in the U.S. Department of Commerce report. CBP indicates that technical requirements in the proposed article description would require CBP to perform a physical inspection or laboratory analysis of an imported article to verify that it falls within the scope of that description.

The Commission did not calculate, or was unable to calculate, likely future imports for this petition because it was determined that the article description cannot be administered.

Preliminary Report - Petition 2458

Overview

Preliminary Category: VI

Petitioner: Fluke Corp.

Petitioner Location: Everett, WA 98203

Product Name: 9030.39.01

HTS Number: 9030.39.01

Chapter 99 Number: N/A

CAS Number: N/A

Article Description: RF calibration reference source for oscilloscope calibration system 9030.39.01

Technical Comments: The Commission does not recommend the petition based on information from U.S. Customs and Border Protection in the U.S. Department of Commerce report, which indicates that the article description in the petition is not administrable as drafted. The article description lacks sufficient information for CBP to identify or classify the intended merchandise or allow CBP to propose technical changes that would do the same.

The Commission did not calculate, or was unable to calculate, likely future imports for this petition because it was determined that the article description cannot be administered by U.S. Customs and Border Protection.

The Commission notes that the normal trade relations (NTR) rate of duty for the product changes within the next five years due to the product's inclusion in the WTO's Information Technology Agreement.

Preliminary Report - Petition 2462

Overview

Preliminary Category: VI

Petitioner: American Fiber & Finishing, Inc.

Petitioner Location: Albemarle, NC 28001

Product Name: Bleached Cotton Gauze Sponges

HTS Number: 5208.21.40

Chapter 99 Number: N/A

CAS Number: N/A

Article Description: Eight or Twelve Plyed bleached woven fabrics, wholly of cotton of yarn numbers 43 to 68, measuring (as imported in plied state) in length between 8.5 and 10.5 centimeters and width between 8.5 and 10.5 centimeters put up as individual pieces in paper or plastic packages containing at least 50 pieces and not more than 1000 pieces, with each piece being also known as a gauze sponge (provided for in subheading 5208.21.40).

Technical Comments: The Commission does not recommend the petition based on input from U.S. Customs and Border Protection in the U.S. Department of Commerce report. CBP indicates that technical requirements in the proposed article description would require CBP to perform a physical inspection or laboratory analysis of an imported article to verify that it falls within the scope of that description.
The Commission did not calculate, or was unable to calculate, likely future imports for this petition because it was determined that the article description cannot be administered.

Preliminary Report - Petition 2571

Overview

Preliminary Category:	VI
Petitioner:	Bayer CropScience LP
Petitioner Location:	RTP, NC 27709
Product Name:	Celsius® Herbicide
HTS Number:	3808.93.15
Chapter 99 Number:	N/A
CAS Number:	317815-83-1
Article Description:	Product mixtures containing methyl 4-[(4,5-dihydro-3-methoxy-4-methyl-5-oxo-1H-1,2,4-triazol-1-yl)carbonylsulfamoyl]-5-methylthiophene-3-carboxylate (Thiencarbazone-methyl) (CAS No. 317815-83-1); Methyl 4-iodo-2-[3-(4-methoxy-6-methyl-1,3,5-triazin-2-yl)ureidosulfonyl]benzoate, sodium salt (Iodosulfuron-methyl-sodium) (CAS No. 144550-36-7) and 3,6-Dichloro-o-anisic acid (Dicamba) (CAS No. 1918-00-9) (provided for in subheading 3808.93.15)
Technical Comments:	The Commission does not recommend this petition based on domestic producer objection(s). The Commission notes that while petitioner indicated the relief sought is not available to any person importing the article, the language of the article description itself does not limit importation by any person and the Commission's affirmative determination is based upon the language of the article description, as specified in the petition with any necessary technical changes incorporated.

Preliminary Report - Petition 2573

Overview

Preliminary Category: VI

Petitioner: Columbia Brands USA LLC

Petitioner Location: Portland, OR 97229

Product Name: Men's mmf woven shirt with 1 color in warp/filling

HTS Number: 6205.30.20

Chapter 99 Number: N/A

CAS Number: N/A

Article Description: An apparel garment classified under USHTS 6205.30.2070 containing recycled 100% nylon, woven ripstop fabric weighting between 105 grams/m2 and 125 grams/m2. The shell fabric shall cover at least 90% of the visible external surface area of the stated garment, excluding findings and trims, The stated garments shall meet all of the following additional criteria: (1) adhere to the ISO 14021 definition of recycled content as interpreted by the US Federal Trade Commission Green Guidelines; (2) meet recycled content certification standards set forth by one of three globally recognized, equivalent standards - Recycled Claim Standard (RCS), Scientific Certification Services' (SCS) Recycled Claim Standard, or Global Recycled Standard (GRS) for tracking, verification, and validation of the content of recycled materials throughout the supply chain; (3) obtain prescribed certification of conformity through an accredited 3rd party certification body as defined by the standards within item 2, including but not limited to supplier scope certificates; and (4) meet or exceed an Ultra Violet Protection Factor (UPF) 50 rating or greater rating, administered under test method AATCC 183.

Technical Comments: The Commission does not recommend the petition based on input from U.S. Customs and Border Protection in the U.S. Department of Commerce report. CBP indicates that technical requirements in the proposed article description would require CBP to perform a physical inspection or laboratory analysis of an imported article to verify that it falls within the scope of that description.
The Commission did not calculate, or was unable to calculate, likely future imports for this petition because it was determined that the article description cannot be administered.

Preliminary Report - Petition 2577

Overview

Preliminary Category: VI

Petitioner: ARRIS Solutions, Inc.

Petitioner Location: Suwanee, GA 30024

Product Name: Optical multiplexer/demultiplexers

HTS Number: 9013.80.90

Chapter 99 Number: N/A

CAS Number: N/A

Article Description: Optical multiplexer/demultiplexer modules in a metal housing with 8 degree angle polished fiber optic connectors, optical bulkhead connectors, and ports for 2, 4, 6, 8, 16 or 40 channels for cable television signal transmissions in the 1260nm – 1620nm wavelength range, the aforementioned certified by the importer as transmitting signals with a wavelength slope of less than plus or minus 0.15 dB/nm within a filter passband wavelength of 0.07 nm; a wavelength slope of less than plus or minus 0.25 dB/nm within a filter passband wavelength of 0.15 nm; or a wavelength slope of less than plus or minus 0.35 dB/nm within a filter passband wavelength of 0.22 nm (provided for in subheading 9013.80.90)

Technical Comments: The Commission does not recommend the petition because the article description does not identify or describe clearly the distinct article of commerce intended to be covered by the petition, and public information in the petition or language in the HTS does not permit the Commission to resolve CBP concerns.
The Commission did not calculate, or was unable to calculate, likely future imports for this petition because it was determined that the article description cannot be administered.

Preliminary Report - Petition 2603

Overview

Preliminary Category:	VI
Petitioner:	Columbia Brands USA, LLC
Petitioner Location:	Portland, OR 97229
Product Name:	Women's mmf woven shirt w/ 2+ colors warp/filling
HTS Number:	6206.40.30
Chapter 99 Number:	N/A
CAS Number:	N/A
Article Description:	An apparel garment classified under USHTS 6206.40.3010 containing recycled 100% nylon, woven ripstop fabric weighting between 105 grams/m2 and 125 grams/m2. The shell fabric shall cover at least 90% of the visible external surface area of the stated garment, excluding findings and trims, The stated garments shall meet all of the following additional criteria: (1) adhere to the ISO 14021 definition of recycled content as interpreted by the US Federal Trade Commission Green Guidelines; (2) meet recycled content certification standards set forth by one of three globally recognized, equivalent standards - Recycled Claim Standard (RCS), Scientific Certification Services' (SCS) Recycled Claim Standard, or Global Recycled Standard (GRS) for tracking, verification, and validation of the content of recycled materials throughout the supply chain; (3) obtain prescribed certification of conformity through an accredited 3rd party certification body as defined by the standards within item 2, including but not limited to supplier scope certificates; and (4) meet or exceed an Ultra Violet Protection Factor (UPF) 50 rating or greater rating, administered under test method AATCC 183.
Technical Comments:	<p>The Commission does not recommend the petition based on input from U.S. Customs and Border Protection in the U.S. Department of Commerce report. CBP indicates that technical requirements in the proposed article description would require CBP to perform a physical inspection or laboratory analysis of an imported article to verify that it falls within the scope of that description.</p> <p>The Commission did not calculate, or was unable to calculate, likely future imports for this petition because it was determined that the article description cannot be administered.</p>

Preliminary Report - Petition 2607

Overview

Preliminary Category:	VI
Petitioner:	Columbia Brands USA, LLC
Petitioner Location:	Portland, OR 97229
Product Name:	Women's mmf woven shirt w/ 1 color in warp/filling
HTS Number:	6206.40.30
Chapter 99 Number:	N/A
CAS Number:	N/A
Article Description:	An apparel garment classified under USHTS 6202.40.3030 containing recycled 100% nylon, woven ripstop fabric weighting between 105 grams/m2 and 125 grams/m2. The shell fabric shall cover at least 90% of the visible external surface area of the stated garment, excluding findings and trims, The stated garments shall meet all of the following additional criteria: (1) adhere to the ISO 14021 definition of recycled content as interpreted by the US Federal Trade Commission Green Guidelines; (2) meet recycled content certification standards set forth by one of three globally recognized, equivalent standards - Recycled Claim Standard (RCS), Scientific Certification Services' (SCS) Recycled Claim Standard, or Global Recycled Standard (GRS) for tracking, verification, and validation of the content of recycled materials throughout the supply chain; (3) obtain prescribed certification of conformity through an accredited 3rd party certification body as defined by the standards within item 2, including but not limited to supplier scope certificates; and (4) meet or exceed an Ultra Violet Protection Factor (UPF) 50 rating or greater rating, administered under test method AATCC 183.

Technical Comments:	The Commission does not recommend the petition based on input from U.S. Customs and Border Protection in the U.S. Department of Commerce report. CBP indicates that technical requirements in the proposed article description would require CBP to perform a physical inspection or laboratory analysis of an imported article to verify that it falls within the scope of that description. The Commission did not calculate, or was unable to calculate, likely future imports for this petition because it was determined that the article description cannot be administered.

Preliminary Report - Petition 2661

Overview

Preliminary Category: VI

Petitioner: Troy Chemical Corporation

Petitioner Location: Florham Park, NJ 07932

Product Name: Polymerized amphoteric oil derivative

HTS Number: 3824.90.28

Chapter 99 Number: N/A

CAS Number: 25265-71-8

Article Description: Mixture of dipropylene glycol (CAS No. 25265-71-8), fatty acids unsaturated reaction byproducts with aliphatic diamine, hydrotreated heavy naphtha (CAS No. 64742-48-9), methyl salicylate (CAS No. 119-36-8), oleic acid (CAS No. 112-80-1) and propylene glycol methyl ether (CAS No. 107-98-2) (provided for in subheading 3824.90.28)

Technical Comments: The Commission does not recommend the petition based on information from U.S. Customs and Border Protection in the U.S. Department of Commerce report, which indicates that the article description in the petition is not administrable as drafted. The article description lacks sufficient information for CBP to identify or classify the intended merchandise or allow CBP to propose technical changes that would do the same. The Commission did not calculate, or was unable to calculate, likely future imports for this petition because it was determined that the article description cannot be administered by U.S. Customs and Border Protection.

Preliminary Report - Petition 2719

Overview

Preliminary Category:	VI
Petitioner:	American Fiber & Finishing, Inc.
Petitioner Location:	Albemarle, NC 28001
Product Name:	4-Plied Bleached Cotton Woven Fabric
HTS Number:	5208.21.40
Chapter 99 Number:	N/A
CAS Number:	N/A
Article Description:	Four-ply woven fabrics, wholly of cotton, bleached, of yarn numbers 43 to 68, measuring 85 cm or more but not over 95 cm in width (measured in the unplied state), such fabrics presented in a twice-folded state measuring 20 cm or more but not over 30 cm in width (measured in the plied state) and laid flat in a box or plastic bag, or put up in rolls (presented as a continuous roll of at least 50 meters or as a non-continuous roll comprising at least 80 overlapping pieces of various lengths) (provided for in subheading 5208.21.40)
Technical Comments:	<p>The Commission does not recommend the petition based on input from U.S. Customs and Border Protection in the U.S. Department of Commerce report. CBP indicates that technical requirements in the proposed article description would require CBP to perform a physical inspection or laboratory analysis of an imported article to verify that it falls within the scope of that description.</p> <p>The Commission did not calculate, or was unable to calculate, likely future imports for this petition because it was determined that the article description cannot be administered.</p>

HTS Number:	3910.00.00
Chapter 99 Number:	N/A
CAS Number:	298211-68-4
Article Description:	Conditioning agent for shampoos and hair rinses. Improves the body and volume of hair. Strongly substantive to hair and skin proteins.
Technical Comments:	<p>The Commission does not recommend the petition because the intended merchandise as described is not classifiable in the referenced HTS subheading, and public information in the petition does not support a technical correction to resolve this conflict. The article description does not identify or describe clearly the merchandise intended to be covered by the petition.</p> <p>The Commission did not calculate, or was unable to calculate, likely future imports for this petition because it was determined that the article description cannot be administered.</p>

Preliminary Report - Petition 2758

Overview

Preliminary Category:	VI
Petitioner:	Columbia Brands USA, LLC
Petitioner Location:	Portland, OR 97229
Product Name:	Women's synthetic mmf woven shorts
HTS Number:	6204.63.90
Chapter 99 Number:	N/A
CAS Number:	N/A
Article Description:	An apparel garment classified under USHTS 6204.63.9032 containing recycled 100% nylon, woven ripstop fabric weighting between 105 grams/m2 and 125 grams/m2. The shell fabric shall cover at least 90% of the visible external surface area of the stated garment, excluding findings and trims, The stated garments shall meet all of the following additional criteria: (1) adhere to the ISO 14021 definition of recycled content as interpreted by the US Federal Trade Commission Green Guidelines; (2) meet recycled content certification standards set forth by one of three globally recognized, equivalent standards - Recycled Claim Standard (RCS), Scientific Certification Services' (SCS) Recycled Claim Standard, or Global Recycled Standard (GRS) for tracking, verification, and validation of the content of recycled materials throughout the supply chain; (3) obtain prescribed certification of conformity through an accredited 3rd party certification body as defined by the standards within item 2, including but not limited to supplier scope certificates; and (4) meet or exceed an Ultra Violet Protection Factor (UPF) 50 rating or greater rating, administered under test method AATCC 183.
Technical Comments:	<p>The Commission does not recommend the petition based on input from U.S. Customs and Border Protection in the U.S. Department of Commerce report. CBP indicates that technical requirements in the proposed article description would require CBP to perform a physical inspection or laboratory analysis of an imported article to verify that it falls within the scope of that description.</p> <p>The Commission did not calculate, or was unable to calculate, likely future imports for this petition because it was determined that the article description cannot be administered.</p>

Preliminary Report - Petition 2777

Overview

Preliminary Category: VI

Petitioner: Evonik Corporation

Petitioner Location: Parsippany, NJ 07054

Product Name: Isostearamide MIPA; Glyceryl Laurate

HTS Number: 3824.90.92

Chapter 99 Number: N/A

CAS Number: 298211-68-4

Article Description: Efficient PEG-free thickening and conditioning agent for skin and hair cleansing formulations. Excellent viscosity builder, even for PEG-free systems.

Technical Comments: The Commission does not recommend the petition based on information from U.S. Customs and Border Protection in the U.S. Department of Commerce report, which indicates that the article description in the petition is not administrable as drafted. The article description lacks sufficient information for CBP to identify or classify the intended merchandise or allow CBP to propose technical changes that would do the same.

The Commission did not calculate, or was unable to calculate, likely future imports for this petition because it was determined that the article description cannot be administered by U.S. Customs and Border Protection.

The Commission notes that while the petition information suggests the relief sought may not be available to any person importing the article, the language of the article description itself does not limit importation by any person and the Commission's affirmative determination is based upon the language of the article description, as specified in the petition with any necessary technical changes incorporated.

Preliminary Report - Petition 2832

Overview

Preliminary Category:	VI
Petitioner:	Harbor Freight Tools
Petitioner Location:	Calabasas, CA 91302
Product Name:	Leather gloves with fourchettes
HTS Number:	4203.29.08
Chapter 99 Number:	N/A
CAS Number:	N/A
Article Description:	Gloves of horsehide or cowhide (except calfskin) leather, not specially designed for use in sports, wholly of leather, with fourchettes or sidewalls which, at a minimum, extend from fingertip to fingertip between each of the four fingers (provided for in subheading 4203.29.0800)
Technical Comments:	The Commission does not recommend the petition because the intended merchandise as described is not classifiable in the referenced HTS subheading, and public information in the petition does not support a technical correction to resolve this conflict. The Commission did not calculate, or was unable to calculate, likely future imports for this petition because it was determined that the article description cannot be administered.

Preliminary Report - Petition 2897

Overview

Preliminary Category:	VI
Petitioner:	Columbia Brands USA, LLC
Petitioner Location:	Portland, OR 97229
Product Name:	Men's mmf woven shirt with 2+ warp/filling
HTS Number:	6205.30.20
Chapter 99 Number:	N/A
CAS Number:	N/A
Article Description:	An apparel garment classified under USHTS 6205.30.2050 containing recycled 100% nylon, woven ripstop fabric weighting between 105 grams/m2 and 125 grams/m2. The shell fabric shall cover at least 90% of the visible external surface area of the stated garment, excluding findings and trims, The stated garments shall meet all of the following additional criteria: (1) adhere to the ISO 14021 definition of recycled content as interpreted by the US Federal Trade Commission Green Guidelines; (2) meet recycled content certification standards set forth by one of three globally recognized, equivalent standards - Recycled Claim Standard (RCS), Scientific Certification Services' (SCS) Recycled Claim Standard, or Global Recycled Standard (GRS) for tracking, verification, and validation of the content of recycled materials throughout the supply chain; (3) obtain prescribed certification of conformity through an accredited 3rd party certification body as defined by the standards within item 2, including but not limited to supplier scope certificates; and (4) meet or exceed an Ultra Violet Protection Factor (UPF) 50 rating or greater rating, administered under test method AATCC 183.
Technical Comments:	<p>The Commission does not recommend the petition based on input from U.S. Customs and Border Protection in the U.S. Department of Commerce report. CBP indicates that technical requirements in the proposed article description would require CBP to perform a physical inspection or laboratory analysis of an imported article to verify that it falls within the scope of that description.</p> <p>The Commission did not calculate, or was unable to calculate, likely future imports for this petition because it was determined that the article description cannot be administered.</p>

Preliminary Report - Petition 2979

Overview

Preliminary Category: VI

Petitioner: Amerchol Corporation

Petitioner Location: Philadelphia, PA 19106

Product Name: Viscophobe™ DB 1000

HTS Number: 3906.90.50

Chapter 99 Number: N/A

CAS Number: N/A

Article Description: Dodecanoic acid, 2propenoic acid, methyl propenoate, 2sulfoethyl2methyl propenoate, and modified ethoxylated behenyl alcohol (provided for in subheading 3906.90.50)

Technical Comments: The Commission does not recommend the petition because the article description does not identify or describe clearly the distinct article of commerce intended to be covered by the petition. CBP's technical changes for this petition require the CAS number be included in the article description to identify the product at the time of entry, and public information in the petition or language in the HTS does not permit the Commission to resolve CBP concerns. The Commission did not calculate, or was unable to calculate, likely future imports for this petition.

Preliminary Report - Petition 2981

Overview

Preliminary Category:	VI
Petitioner:	Momeni, Inc.
Petitioner Location:	Carlstadt, NJ 07072
Product Name:	Cotton Dhurries
HTS Number:	5702.99.05
Chapter 99 Number:	N/A
CAS Number:	N/A
Article Description:	Flat-woven dhurrie textile floor coverings, not tufted or flocked, not made on a power-driven loom, not of pile construction, made up, of cotton (provided for in subheading 5702.99.05).
Technical Comments:	<p>The Commission does not recommend the petition based on information from U.S. Customs and Border Protection in the U.S. Department of Commerce report, which indicates that the article description in the petition is not administrable as drafted. The article description lacks sufficient information for CBP to identify or classify the intended merchandise or allow CBP to propose technical changes that would do the same.</p> <p>The Commission did not calculate, or was unable to calculate, likely future imports for this petition because it was determined that the article description cannot be administered by U.S. Customs and Border Protection.</p>

CBP Technical Changes Required:	Yes

Preliminary Report - Petition 2985

Overview

Preliminary Category: VI

Petitioner: Columbia Brands USA, LLC

Petitioner Location: Portland, OR 97229

Product Name: Men's synthetic mmf woven pants

HTS Number: 6203.43.90

Chapter 99 Number: N/A

CAS Number: N/A

Article Description: An apparel garment classified under USHTS 6203.43.9010 containing recycled 100% nylon, woven ripstop fabric weighting between 105 grams/m2 and 125 grams/m2. The shell fabric shall cover at least 90% of the visible external surface area of the stated garment, excluding findings and trims, The stated garments shall meet all of the following additional criteria: (1) adhere to the ISO 14021 definition of recycled content as interpreted by the US Federal Trade Commission Green Guidelines; (2) meet recycled content certification standards set forth by one of three globally recognized, equivalent standards - Recycled Claim Standard (RCS), Scientific Certification Services' (SCS) Recycled Claim Standard, or Global Recycled Standard (GRS) for tracking, verification, and validation of the content of recycled materials throughout the supply chain; (3) obtain prescribed certification of conformity through an accredited 3rd party certification body as defined by the standards within item 2, including but not limited to supplier scope certificates; and (4) meet or exceed an Ultra Violet Protection Factor (UPF) 50 rating or greater rating, administered under test method AATCC 183.

Technical Comments: The Commission does not recommend the petition based on input from U.S. Customs and Border Protection in the U.S. Department of Commerce report. CBP indicates that technical requirements in the proposed article description would require CBP to perform a physical inspection or laboratory analysis of an imported article to verify that it falls within the scope of that description.

The Commission did not calculate, or was unable to calculate, likely future imports for this petition because it was determined that the article description cannot be administered.

Overview

Preliminary Category: VI

Petitioner: The adidas Group

Petitioner Location: Portland, OR 97217

Product Name: Textile based heart rate monitor

HTS Number: 6105.20.20

Chapter 99 Number: N/A

CAS Number: N/A

Article Description: Knit garments of fabric containing elastomeric fiber, whether assembled or knitted in the piece, with textile or polymer-based electrodes knit into or attached to the fabric and that incorporates two snaps designed to secure a module that transmits heart rate information from the electrodes to a compatible monitor (provided for subheading 6105.20.20)

Technical Comments: The Commission does not recommend the petition based on information from U.S. Customs and Border Protection in the U.S. Department of Commerce report, which indicates that the article description in the petition is not administrable as drafted. The article description lacks sufficient information for CBP to identify or classify the intended merchandise or allow CBP to propose technical changes that would do the same. The Commission did not calculate, or was unable to calculate, likely future imports for this petition because it was determined that the article description cannot be administered by U.S. Customs and Border Protection.
