

Appendix H. Category VI Petitions

As required by Section 3(b)(3)(E) of the AMCA, the following table provides a list of petitions for duty suspensions and reductions that the Commission does not recommend for inclusion in a miscellaneous tariff bill, other than petitions specified in subclause (V) and updated as appropriate under subparagraph (D). These petitions are referred to as "Category VI Petitions" for the purposes of this final report.

Click on the petition identification number (ID) bookmark listing to link to a detailed summary for a specific petition. If your petition ID does not appear in the first column it may have been consolidated. Please refer to Appendix A to identify the Master petition ID.

Petitioner:	Simms Fishing Products LLC
Petitioner Location:	Bozeman, MT 59718
Product Name:	Woven Poly/Nylon fabric of conjugated filament
HTS Number:	5407.72.00
Chapter 99 Number:	N/A
CAS Number:	N/A
Article Description:	Woven fabric of 60-70% polyester and 30-40% nylon, composed with 150x250 warp and 100x130 filling, of conjugated microfiber filament (225 individual filaments at .366 decitex (.33 denier); such fabric is piece dyed, weighing not more than 170 g/m2 (provided for in subheading 5407.72.00)

Technical Comments:	The Commission does not recommend the petition based on input from U.S. Customs and Border Protection in the U.S. Department of Commerce report. CBP indicates that technical requirements in the proposed article description would require CBP to perform a physical inspection or laboratory analysis of an imported article to verify that it falls within the scope of that description. The Commission did not calculate, or was unable to calculate, likely future imports for this petition because it was determined that the article description cannot be administered.

Product Name:	Cashew nutshell liq., amines, formaldehyde
HTS Number:	3824.90.92
Chapter 99 Number:	N/A
CAS Number:	68413-29-6
Article Description:	CAS nos. 68413-29-6 CAS name Cashew nutshell liq., polymer with diethylenetriamine and formaldehyde blend with CAS nos.68413-28-5 Cashew nutshell liq., polymer with ethylenediamine and formaldehyde, (provided for in subheading 3824.90.92.90)
Technical Comments:	The Commission does not recommend the petition based on information from U.S. Customs and Border Protection in the U.S. Department of Commerce report, which indicates that the article description in the petition is not administrable as drafted. The article description lacks sufficient information for CBP to identify or classify the intended merchandise or allow CBP to propose technical changes that would do the same. The Commission did not calculate, or was unable to calculate, likely future imports for this petition because it was determined that the article description cannot be administered by U.S. Customs and Border Protection.

Preliminary Report Updated:	No
Petitioner:	BassTech International, LLC
Petitioner Location:	Fort Lee, NJ 7024
Product Name:	Fluoborate Salts
HTS Number:	2826.90.90
Chapter 99 Number:	N/A
CAS Number:	13826-83-0
Article Description:	Fluorides; fluorosilicates, fluoroaluminates and other complex fluorine salts: Other: of ammonium having the CAS #13826-83-0; of potassium having the CAS #14075-53-7; of cadmium having the CAS #14486-19-2 and CAS #7732-18-5
Technical Comments:	The Commission does not recommend the petition based on information from U.S. Customs and Border Protection in the U.S. Department of Commerce report, which indicates the article description in the petition is not administrable as drafted. The petition provides for multiple articles that are classifiable in more than one subheading, and are not goods put up in sets or combinations. The Commission did not calculate, or was unable to calculate, likely future imports for this petition because it was determined that the article description cannot be administered by U.S. Customs and Border Protection.

Final Report - Petition 2306

Overview

Final Category:	VI
Preliminary Report Updated:	No
Petitioner:	Mannington Mills, Inc.
Petitioner Location:	Salem, NJ 08079
Product Name:	Laminate floor panels
HTS Number:	4411.12.90
Chapter 99 Number:	N/A
CAS Number:	N/A
Article Description:	Rigid laminate floor panels, typically in plank or tile format, with a decorative overlay, with a medium density fiberboard (including high density) fiberboard core.
Technical Comments:	The Commission does not recommend the petition based on information from U.S. Customs and Border Protection in the U.S. Department of Commerce report, which indicates the article description in the petition is not administrable as drafted. The petition provides for multiple articles that are classifiable in more than one subheading, and are not goods put up in sets or combinations. The Commission did not calculate, or was unable to calculate, likely future imports for this petition because it was determined that the article description cannot be administered by U.S. Customs and Border Protection.

Petitioner:	OurPet's Company
Petitioner Location:	Fairport Harbor, OH 44077
Product Name:	Pounce House
HTS Number:	8479.89.94
Chapter 99 Number:	N/A
CAS Number:	N/A
Article Description:	The "Pounce House" is an electrical/mechanical pet toy whereby the electrical function in each case, supplies power to the moving parts, actually supporting the mechanical function of the toy. The toy consists of a fabric tent with an electrical/mechanical feather wand that revolves around a base that is suspended from the top of the tent down into the middle cavity of the tent. The tent has two openings for the cat to enter and "bat" the feather wand as it revolves around its base.
Technical Comments:	The Commission does not recommend the petition because the article description does not identify or describe clearly the distinct article of commerce intended to be covered by the petition, and public information in the petition or language in the HTS does not permit the Commission to suggest technical changes to resolve these concerns. The Commission did not calculate, or was unable to calculate, likely future imports for this petition because it was determined that the article description cannot be administered by U.S. Customs and Border Protection.

Petitioner:	Columbia Brands USA LLC
Petitioner Location:	Portland, OR 97229
Product Name:	Men's mmf woven shirt with 1 color in warp/filling
HTS Number:	6205.30.20
Chapter 99 Number:	N/A
CAS Number:	N/A
Article Description:	An apparel garment classified under USHTS 6205.30.2070 containing recycled 100% nylon, woven ripstop fabric weighting between 105 grams/m2 and 125 grams/m2. The shell fabric shall cover at least 90% of the visible external surface area of the stated garment, excluding findings and trims, The stated garments shall meet all of the following additional criteria: (1) adhere to the ISO 14021 definition of recycled content as interpreted by the US Federal Trade Commission Green Guidelines; (2) meet recycled content certification standards set forth by one of three globally recognized, equivalent standards - Recycled Claim Standard (RCS), Scientific Certification Services' (SCS) Recycled Claim Standard, or Global Recycled Standard (GRS) for tracking, verification, and validation of the content of recycled materials throughout the supply chain; (3) obtain prescribed certification of conformity through an accredited 3rd party certification body as defined by the standards within item 2, including but not limited to supplier scope certificates; and (4) meet or exceed an Ultra Violet Protection Factor (UPF) 50 rating or greater rating, administered under test method AATCC 183.

Technical Comments:	The Commission does not recommend the petition based on input from U.S. Customs and Border Protection in the U.S. Department of Commerce report. CBP indicates that technical requirements in the proposed article description would require CBP to perform a physical inspection or laboratory analysis of an imported article to verify that it falls within the scope of that description. The Commission did not calculate, or was unable to calculate, likely future imports for this petition because it was determined that the article description cannot be administered.

Overview

Final Category:	VI
Preliminary Report Updated:	No
Petitioner:	ARRIS Solutions, Inc.
Petitioner Location:	Suwanee, GA 30024
Product Name:	Optical multiplexer/demultiplexers
HTS Number:	9013.80.90
Chapter 99 Number:	N/A
CAS Number:	N/A
Article Description:	Optical multiplexer/demultiplexer modules in a metal housing with 8 degree angle polished fiber optic connectors, optical bulkhead connectors, and ports for 2, 4, 6, 8, 16 or 40 channels for cable television signal transmissions in the 1260nm – 1620nm wavelength range, the aforementioned certified by the importer as transmitting signals with a wavelength slope of less than plus or minus 0.15 dB/nm within a filter passband wavelength of 0.07 nm; a wavelength slope of less than plus or minus 0.25 dB/nm within a filter passband wavelength of 0.15 nm; or a wavelength slope of less than plus or minus 0.35 dB/nm within a filter passband wavelength of 0.22 nm (provided for in subheading 9013.80.90)
Technical Comments:	<p>The Commission does not recommend the petition because the article description does not identify or describe clearly the distinct article of commerce intended to be covered by the petition, and public information in the petition or language in the HTS does not permit the Commission to resolve CBP concerns. The HTS classification for the product cannot be determined with certainty.</p> <p>The Commission did not calculate, or was unable to calculate, likely future imports for this petition because it was determined that the article description cannot be administered by U.S. Customs and Border Protection.</p>

Overview

Final Category:	VI
Preliminary Report Updated:	No
Petitioner:	Columbia Brands USA, LLC
Petitioner Location:	Portland, OR 97229
Product Name:	Women's mmf woven shirt w/ 1 color in warp/filling
HTS Number:	6206.40.30
Chapter 99 Number:	N/A
CAS Number:	N/A
Article Description:	An apparel garment classified under USHTS 6202.40.3030 containing recycled 100% nylon, woven ripstop fabric weighting between 105 grams/m2 and 125 grams/m2. The shell fabric shall cover at least 90% of the visible external surface area of the stated garment, excluding findings and trims, The stated garments shall meet all of the following additional criteria: (1) adhere to the ISO 14021 definition of recycled content as interpreted by the US Federal Trade Commission Green Guidelines; (2) meet recycled content certification standards set forth by one of three globally recognized, equivalent standards - Recycled Claim Standard (RCS), Scientific Certification Services' (SCS) Recycled Claim Standard, or Global Recycled Standard (GRS) for tracking, verification, and validation of the content of recycled materials throughout the supply chain; (3) obtain prescribed certification of conformity through an accredited 3rd party certification body as defined by the standards within item 2, including but not limited to supplier scope certificates; and (4) meet or exceed an Ultra Violet Protection Factor (UPF) 50 rating or greater rating, administered under test method AATCC 183.

Technical Comments:	The Commission does not recommend the petition based on input from U.S. Customs and Border Protection in the U.S. Department of Commerce report. CBP indicates that technical requirements in the proposed article description would require CBP to perform a physical inspection or laboratory analysis of an imported article to verify that it falls within the scope of that description. The Commission did not calculate, or was unable to calculate, likely future imports for this petition because it was determined that the article description cannot be administered.

Petitioner:	American Fiber & Finishing, Inc.
Petitioner Location:	Albemarle, NC 28001
Product Name:	4-Plied Bleached Cotton Woven Fabric
HTS Number:	5208.21.40
Chapter 99 Number:	N/A
CAS Number:	N/A
Article Description:	Four-ply woven fabrics, wholly of cotton, bleached, of yarn numbers 43 to 68, measuring 85 cm or more but not over 95 cm in width (measured in the unplied state), such fabrics presented in a twice-folded state measuring 20 cm or more but not over 30 cm in width (measured in the plied state) and laid flat in a box or plastic bag, or put up in rolls (presented as a continuous roll of at least 50 meters or as a non-continuous roll comprising at least 80 overlapping pieces of various lengths) (provided for in subheading 5208.21.40)
Technical Comments:	<p>The Commission does not recommend the petition based on input from U.S. Customs and Border Protection in the U.S. Department of Commerce report. CBP indicates that technical requirements in the proposed article description would require CBP to perform a physical inspection or laboratory analysis of an imported article to verify that it falls within the scope of that description.</p> <p>The Commission did not calculate, or was unable to calculate, likely future imports for this petition because it was determined that the article description cannot be administered.</p>
