#### BACKGROUND

On October 19, 2011, a petition was filed with the Commission and Commerce by Solar World Industries America, Hillsboro, OR, alleging that an industry in the United States is materially injured or threatened with material injury by reason of LTFV and subsidized imports of crystalline silicon photovoltaic cells and modules from China. Accordingly, effective October 19, 2011, the Commission instituted countervailing duty investigation No. 701-TA-481 and antidumping duty investigation No. 731-TA-1190 (Preliminary).

Notice of the institution of the Commission's investigations and of a public conference to be held in connection therewith was given by posting copies of the notice in the Office of the Secretary, U.S. International Trade Commission, Washington, DC, and by publishing the notice in the *Federal Register* of October 27, 2011 (76 FR 66748). The conference was held in Washington, DC, on November 8, 2011, and all persons who requested the opportunity were permitted to appear in person or by counsel.
