

UNITED STATES INTERNATIONAL TRADE COMMISSION

Washington, DC

In the Matter of

CERTAIN POCKET LIGHTERS

Inv. No. 337-TA-1142

GENERAL EXCLUSION ORDER

The United States International Trade Commission (“Commission”) has determined that there is a violation of Section 337 of the Tariff Act of 1930, as amended (19 U.S.C. § 1337) (“section 337”), in the unlawful importation, sale for importation, or sale within the United States after importation of certain pocket lighters that include an oblong body which is elliptical in cross-section, a fork which is generally parabolic in cross-section, and/or a hood which is generally parabolic in cross-section, that infringe one or more of U.S. Trademark Registration Nos. 1,761,622 and 2,278,917 (collectively, “the Asserted Trade Dress Marks”).¹

Having reviewed the record of this investigation, including the written submissions of the parties, the Commission has made its determination on the issues of remedy, the public interest, and bonding. The Commission has determined pursuant to 19 U.S.C. § 1337(d)(2), that a general exclusion from entry for consumption is necessary to prevent circumvention of an exclusion order limited to products of named persons or entities and because there is a pattern of violation of section 337 and it is difficult to identify the source of infringing products. Accordingly, the Commission has determined to issue a general exclusion order prohibiting the unlicensed entry of pocket lighters that include an oblong body which is elliptical in cross-

¹ Copies of the registration certificates for the Asserted Trade Dress Marks are attached as Exhibits 1 and 2.

section, a fork which is generally parabolic in cross-section, and/or a hood which is generally parabolic in cross-section, that infringe the Asserted Trade Dress Marks.

The Commission has also determined that the public interest factors enumerated in 19 U.S.C. § 1337(d)(1) do not preclude the issuance of the general exclusion order. The Commission has further determined that a bond of one hundred (100) percent of the entered value will be required during the period of Presidential review.

Accordingly, the Commission hereby **ORDERS** that:

1. Pocket lighters that include an oblong body which is elliptical in cross-section, a fork which is generally parabolic in cross-section, and/or a hood which is generally parabolic in cross-section, that infringe one or more of the Asserted Trade Dress Marks (“covered articles”) are excluded from entry for consumption into the United States, entry for consumption from a foreign trade zone, or withdrawal from a warehouse for consumption except under license from, or with the permission of, the trademark owner or as provided by law, until such date as the Asserted Trade Dress Marks are abandoned, canceled, or rendered invalid or unenforceable.
2. Notwithstanding paragraph 1 of this Order, covered articles are entitled to entry into the United States for consumption, entry for consumption from a foreign-trade zone, or withdrawal from a warehouse for consumption under bond in the amount of one hundred (100) percent of the entered value of the products pursuant to subsection (j) of Section 337 (19 U.S.C. § 1337(j)) and the Presidential Memorandum for the United States Trade Representative of July 21, 2005 (70 Fed. Reg. 43251), from the day after this Order is received by the United

States Trade Representative until such time as the United States Trade Representative notifies the Commission that this Order is approved or disapproved but, in any event, not later than sixty (60) days after the date of receipt of this Order. All entries of covered articles made pursuant to this paragraph are to be reported to U.S. Customs and Border Production (“CBP”) in advance of the date of the entry, pursuant to procedures CBP establishes.

3. At the discretion of CBP and pursuant to procedures that it establishes, persons seeking to import pocket lighters that include an oblong body which is elliptical in cross-section, a fork which is generally parabolic in cross-section, and/or a hood which is generally parabolic in cross-section that are potentially subject to this Order may be required to certify that they are familiar with the terms of this Order, that they have made appropriate inquiry, and thereupon state that, to the best of their knowledge and belief, the products being imported are not excluded from entry under paragraph 1 of this Order. At its discretion, CBP may require persons who have provided the certification described in this paragraph to furnish such records or analyses as are necessary to substantiate the certification.
4. This Order does not exempt infringing articles from seizures under the trademark laws enforced by CBP, most notably 19 U.S.C. § 1526(e) and 19 U.S.C. § 1595a(c)(2)(C) for a violation of 15 U.S.C. § 1124.
5. The Commission may modify this Order in accordance with the procedures described in section 210.76 of the Commission’s Rules of Practice and Procedure (19 C.F.R. § 210.76).

6. The Secretary shall serve copies of this Order upon each party of record in this investigation and upon CBP.

7. Notice of this Order shall be published in the Federal Register.

By order of the Commission.

VI. Record-Keeping and Inspection

(A) For the purpose of securing compliance with this Order, Respondent shall retain any and all records relating to the sale, offer for sale, marketing, or distribution in the United States of covered products, made and received in the usual and ordinary course of business, whether in detail or in summary form, for a period of three (3) years from the close of the fiscal year to which they pertain.

(B) For the purposes of determining or securing compliance with this Order and for no other purpose, subject to any privilege recognized by the federal courts of the United States, and upon reasonable written notice by the Commission or its staff, duly authorized representatives of the Commission shall be permitted access and the right to inspect and copy, in Respondent's principal offices during office hours, and in the presence of counsel or other representatives if Respondent so chooses, all books, ledgers, accounts, correspondence, memoranda, and other records and documents, in detail and in summary form, that must be retained under subparagraph VI(A) of this Order.

VIII. Confidentiality

Any request for confidential treatment of information obtained by the Commission pursuant to section V of this Order should be made in accordance with section 201.6 of the Commission's Rules of Practice and Procedure (19 C.F.R. § 201.6). For all reports for which confidential treatment is sought, Respondent must provide a public version of such report with confidential information redacted.

IX. Enforcement

Violation of this order may result in any of the actions specified in section 210.75 of the Commission's Rules of Practice and Procedure (19 C.F.R. § 210.75), including an action for civil penalties under section 337(f) of the Tariff Act of 1930 (19 U.S.C. § 1337(f)), as well as any other action that the Commission deems appropriate. In determining whether Respondent is in violation of this order, the Commission may infer facts adverse to Respondent if it fails to provide adequate or timely information.

X. Modification

The Commission may amend this Order on its own motion or in accordance with the procedure described in section 210.76 of the Commission's Rules of Practice and Procedure (19 C.F.R. § 210.76).

XI. Bonding

The conduct prohibited by section III of this order may be continued during the sixty-day period in which this Order is under review by the United States Trade Representative, as delegated by the President (70 Fed. Reg. 43251 (Jul. 21, 2005)), subject to Respondent posting of a bond in the amount of one hundred (100) percent of the entered value of the covered products. This bond provision does not apply to conduct that is otherwise permitted by section IV of this Order. Covered products imported on or after the date of issuance of this Order are subject to the entry bond as set forth in the exclusion order issued by the Commission and are not subject to this bond provision.

The bond is to be posted in accordance with the procedures established by the Commission for the posting of bonds by complainants in connection with the issuance of temporary exclusion orders. *See* 19 C.F.R. § 210.68. The bond and any accompanying documentation are to be provided to and approved by the Commission prior to the commencement of conduct that is otherwise prohibited by section III of this Order. Upon the Secretary's acceptance of the bond, (a) the Secretary will serve an acceptance letter on all parties, and (b) Respondent must serve a copy of the bond and accompanying documentation on Complainant's counsel.³

³ *See* Footnote 1.

The bond is to be forfeited in the event that the United States Trade Representative approves this Order (or does not disapprove it within the review period), unless (i) the U.S. Court of Appeals for the Federal Circuit, in a final judgment, reverses any Commission final determination and order as to Respondent on appeal, or (ii) Respondent exports or destroys the products subject to this bond and provides certification to that effect that is satisfactory to the Commission.

This bond is to be released in the event (i) the United States Trade Representative disapproves this Order and no subsequent order is issued by the Commission and approved (or not disapproved) by the United States Trade Representative, (ii) the U.S. Court of Appeals for the Federal Circuit, in a final judgment, reverses any Commission final determination and order as to Respondent on appeal, or (iii) Respondent exports or destroys the products subject to this bond and provides certification to that effect that is satisfactory to the Commission, upon service on Respondent of an order issued by the Commission based upon application therefor made by Respondent to the Commission.

By order of the Commission.
