RESPONDENTS FOUND IN DEFAULT; TERMINATION OF INVESTIGATION**

AGENCY: U.S. International Trade Commission.

ACTION: Notice.

SUMMARY: Notice is hereby given that the U.S. International Trade Commission has terminated the above-captioned investigation under section 337 of the Tariff Act of 1930, as amended (19 U.S.C. § 1337), and has issued the following remedial orders against respondents previously found in default: a cease and desist order against infringing products of Vehicles Online, Inc. ("Vehicles") of Charlotte, North Carolina, and a limited exclusion order and a cease and desist order against infringing products of Shanghai Tandem Industrial Co., Ltd. ("Shanghai Tandem") of China.

Hearing-impaired persons are advised that information on this matter can be obtained by contacting the Commission's TDD terminal on (202) 205-1810.

SUPPLEMENTARY INFORMATION: The Commission instituted this investigation on June 17, 2010, based on a complaint filed by Chrysler Group LLC ("Chrysler") of Auburn Hills, Michigan. 75 Fed. Reg. 34483-84 (June 17, 2010). The complaint alleges violations of section 337 of the Tariff Act of 1930, as amended, 19 U.S.C. §1337, in the importation into the United States, the sale for importation, and the sale within the United States after importation of certain

automotive vehicles and designs therefor by reason of infringement of U.S. Patent No. D513,395 (“the ‘395 patent”). The complaint further alleges the existence of a domestic industry. The Commission’s notice of investigation named several respondents including Vehicles, Boat N RV Supercenter (“Boat N RV”) of Rockwood, Tennessee, and Shanghai Tandem.

On July 7, 2010, Chrysler moved, pursuant to 19 C.F.R. § 210.16, for: (1) an order directing respondents Vehicles and Boat N RV to show cause why they should not be found in default for failure to respond to the complaint and notice of investigation as required by 19 C.F.R. § 210.13, and (2) the issuance of an initial determination (“ID”) finding Vehicles and Boat N RV in default upon their failure to show cause. On July 19, 2010, the ALJ issued Order No. 8, which required Vehicles and Boat N RV to show cause no later than August 2, 2010, as to why they should not be held in default and judgment rendered against them pursuant to § 210.16. Boat N RV responded to Order No. 8, but no response was received from Vehicles.

The presiding administrative law judge (“ALJ”) issued an ID on August 11, 2010, finding Vehicles in default, pursuant to §§ 210.13 and 210.16, because Vehicles did not respond to the complaint and notice of investigation or to Order No. 8’s instruction to show cause. On September 9, 2010, the Commission issued notice of its determination not to review the ALJ’s ID finding Vehicles in default.

On August 19, 2010, Chrysler moved, pursuant to § 210.16, for: (1) an order directing respondent Shanghai Tandem to show cause why it should not be found in default for failure to respond to the complaint and notice of investigation as required by § 210.13, and (2) the issuance of an ID finding Shanghai Tandem in default upon its failure to show cause. On August 31, 2010, the ALJ issued Order No. 12, which required Shanghai Tandem to show cause no later than September 14, 2010, as to why it should not be held in default and judgment rendered against it pursuant to § 210.16.

The ALJ issued an ID on September 22, 2010, finding Shanghai Tandem in default, pursuant to §§ 210.13 and 210.16, because Shanghai Tandem did not respond to the complaint and notice of investigation or to Order No. 12’s instruction to show cause. On October 14, 2010, the Commission issued notice of its determination not to review the ALJ’s ID finding Shanghai Tandem in default.

On October 29, 2010, complainant Chrysler filed declarations requesting immediate relief against the defaulting respondents. On November 15, 2010, the Commission determined not to review an ID (Order No. 17) terminating the last remaining respondents, including Boat N RV, on the basis of a consent order. On November 29, 2010, the Commission issued a Notice that requested briefing from interested parties on remedy, the public interest, and bonding with respect to respondents found in default. 75 *Fed. Reg.* 75184-85 (Dec. 2, 2010).

Chrysler and the Commission investigative attorney submitted briefing responsive to the Commission’s request on December 6 and 14, 2010, respectively. Each proposed a cease and desist order directed to Vehicles’ infringing products, and a limited exclusion order and a cease

and desist order directed to Shanghai Tandem's infringing products. Neither party requested bonding during the period of Presidential review.

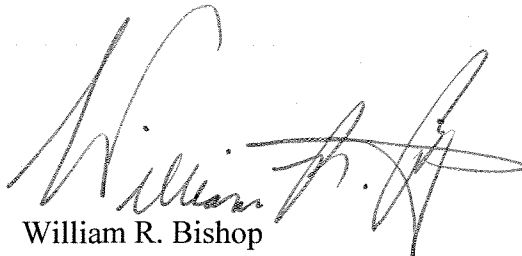

The Commission found that the statutory requirements of section 337(g)(1)(A)-(E) (19 U.S.C. § 1337(g)(1)(A)-(E)) were met with respect to the defaulting respondents. Accordingly, pursuant to section 337(g)(1) (19 U.S.C. § 1337(g)(1)) and Commission rule 210.16(c) (19 C.F.R. § 210.16(c)), the Commission presumed the facts alleged in the complaint to be true.

The Commission has determined that the appropriate form of relief is the following: (1) cease and desist orders prohibiting Vehicles and Shanghai Tandem from conducting any of the following activities in the United States: importing, selling, marketing, advertising, distributing, offering for sale, transferring (except for exportation), and soliciting U.S. agents or distributors for automotive vehicles and designs therefor that infringe the '395 patent; and (2) a limited exclusion order prohibiting the unlicensed entry of automotive vehicles and designs therefore that infringe the '395 patent, which are manufactured abroad by or on behalf of, or are imported by or on behalf of, Shanghai Tandem, or any of its affiliated companies, parents, subsidiaries, licensees, contractors, or other related business entities, or its successors or assigns.

The Commission has further determined that the public interest factors enumerated in section 337(g)(1) (19 U.S.C. § 1337(g)(1)) do not preclude issuance of the limited exclusion order or the cease and desist orders. Finally, the Commission has determined that no bond is required during the period of Presidential review (19 U.S.C. § 1337(j)). The Commission's orders were delivered to the President and to the United States Trade Representative on the day of their issuance.

The Commission has terminated this investigation. The authority for the Commission's determination is contained in section 337 of the Tariff Act of 1930, as amended (19 U.S.C. § 1337), and in sections 210.16(c) and 210.41 of the Commission's Rules of Practice and Procedure (19 C.F.R. §§ 210.16(c) and 210.41).

By order of the Commission.

Inv. No. 337-TA-722

LIMITED EXCLUSION ORDER

The Commission has previously found Respondent Shanghai Tandem Industrial Co., Ltd. ("Shanghai Tandem", herein "Respondent") in default for failing to respond to a Notice of Investigation and a Complaint that alleged a violation of section 337 of the Tariff Act of 1930, as amended (19 U.S.C. § 1337), with respect to the unlawful importation and sale of certain automotive vehicles and designs therefor by reason of infringement of the design claimed in U.S. Patent No. D513,395 ("the '395 patent").

Having reviewed the record in this investigation, including the written submissions of the parties, the Commission has made its determination on the issues of remedy, the public interest, and bonding. The Commission has determined that the appropriate form of relief is a limited exclusion order prohibiting the unlicensed entry of automotive vehicles and designs therefor that infringe the design claimed in the '395 patent, and that are manufactured by, or on behalf of, Respondent. The Commission has also determined that the

appropriate form of relief includes a cease and desist order directed against Respondent.

The Commission has determined that the public interest factors enumerated in 19 U.S.C. § 1337(d) do not preclude issuance of the limited exclusion order or cease and desist order, and that Respondent may import without posting bond during the period of Presidential review.

Accordingly, the Commission hereby **ORDERS** that:

1. Automotive vehicles having designs that infringe the design claimed in the '395 patent and that are manufactured abroad by or on behalf of, or are imported by or on behalf of, Shanghai Tandem or any of its affiliated companies, parents, subsidiaries, or other related business entities, or their successors or assigns, are excluded from entry for consumption into the United States, entry for consumption from a foreign-trade zone, or withdrawal from a warehouse for consumption, for the remaining term of the patent, except under license of the patent owner or as provided by law.

2. Notwithstanding paragraph 1 of this Order, the aforesaid automotive vehicles and designs therefor are entitled to entry into the United States for consumption, entry for consumption from a foreign-trade zone, or withdrawal from a warehouse for consumption, without posting bond pursuant to subsection (j) of section 337 of the Tariff Act of 1930, as amended (19 U.S.C. § 1337(j)), and the Presidential Memorandum for the United States Trade Representative of July 21, 2005 (70 *Fed. Reg.* 43251), from the day after this Order is received by the United

States Trade Representative, and until such time as the United States Trade Representative notifies the Commission that this action is approved or disapproved but, in any event, not later than sixty (60) days after the date of receipt of this action.

3. At the discretion of U.S. Customs and Border Protection ("CBP") and pursuant to the procedures it establishes, persons seeking to import automotive vehicles and designs therefor that are potentially subject to this Order may be required to certify that they are familiar with the terms of this Order, that they have made appropriate inquiry, and thereupon state that, to the best of their knowledge and belief, the products being imported are not excluded from entry under paragraph 1 of this Order. At its discretion, CBP may require persons who have provided the certification described in this paragraph to furnish such records or analyses as are necessary to substantiate this certification.

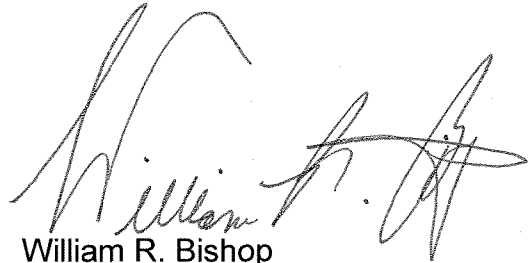

4. In accordance with 19 U.S.C. § 1337(l), the provisions of this Order shall not apply to infringing automotive vehicles and designs therefor that are imported by and for the use of the United States, or imported for and to be used for, the United States with the authorization or consent of the Government.

5. The Commission may modify this Order in accordance with the procedures described in Rule 210.76 of the Commission's Rules of Practice and Procedure (19 C.F.R. § 210.76).

6. The Secretary shall serve copies of this Order upon each party of record in this investigation and upon the Department of Health and Human Services, the Department of Justice, the Federal Trade Commission, and U.S. Customs and Border Protection.

7. Notice of this Order shall be published in the *Federal Register*.
