Investigation No. 337-TA-878

LIMITED EXCLUSION ORDER

The Commission has found Respondents Monsoon Multimedia, Inc. of San Mateo, California ("Monsoon") and C2 Microsystems, Inc. of San Jose, California ("C2 Microsystems") in violation of section 337 of the Tariff Act of 1930, as amended, 19 U.S.C. § 1337 ("section 337"). In particular, the Commission has found Monsoon and C2 Microsystems in default pursuant to subsection (g) of section 337 and section 210.16 of the Commission's Rules of Practice and Procedure (19 C.F.R. § 210.16) for failing to respond to a Notice of Investigation and a Complaint that alleged a violation of section 337 with respect to the unlawful importation, sale for importation, and sale after importation of certain electronic devices having placeshifting or display replication functionality and products containing the same by reason of infringement of one or more claims of U.S. Patent Nos. 7,877,776 ("the '776 patent"); 8,051,454 ("the '454 patent"); 8,060,909 ("the '909 patent"); 7,725,912 ("the '912 patent"); 8,266,657 ("the '657 patent"); and 8,365,236 ("the '236 patent").

Having reviewed the record of this investigation, including the written submissions of the parties, the Commission has made its determination on the issues of remedy, the public interest, and bonding. The Commission has determined that the appropriate form of relief is a limited exclusion order prohibiting the unlicensed entry of covered electronic devices having

placeshifting or display replication functionality and products containing the same manufactured for or on behalf of Monsoon, C2 Microsystems, or any of their affiliated companies, parents, subsidiaries, licensees, or other related business entities, or their successors or assigns.

The Commission has also determined that the public interest factors enumerated in 19 U.S.C. § 1337(g) do not preclude the issuance of the limited exclusion order, and that there shall be a bond of 100 percent for all covered products during the period of Presidential review.

Accordingly, the Commission hereby **ORDERS** that:

1. Electronic devices having placeshifting or display replication functionality and products containing the same that infringe one or more of claims 18-24, 26, 28-30, 32-40, 42, and 43 of the '776 patent; claims 7, 9-12, 14, 15, and 17 of the '909 patent; claims 1, 2, 4, and 6-20 of the '454 patent; claims 58-68, 70, 71, 73, 74, 103, 104, 106, and 108 of the '912 patent; claim 81 of the '657 patent; and claims 1-8 and 15-20 of the '236 patent, and that are manufactured abroad by or on behalf of, or imported by or on behalf of, Monsoon, C2 Microsystems, or any of their affiliated companies, parents, subsidiaries, or other related business entities, or their successors or assigns, are excluded from entry for consumption into the United States, entry for consumption from a foreign trade zone, or withdrawal from a warehouse for consumption, for the remaining term of the patent, except under license of the patent owner or as provided by law.

2. Notwithstanding paragraph 1 of this Order, the aforesaid electronic devices having placeshifting or display replication functionality and products containing the same are entitled to entry into the United States for consumption, entry for consumption from a foreign-trade zone, or withdrawal from a warehouse for consumption under bond in the amount of 100 percent of the entered value of such articles pursuant to subsection (j) of section 337 (19 U.S.C.

§ 1337(j)) and the Presidential Memorandum for the United States Trade Representative of July 21, 2005 (70 *Fed. Reg.* 43,251), from the day after this Order is received by the United States Trade Representative until such time as the United States Trade Representative notifies the Commission that this Order is approved or disapproved but, in any event, not later than sixty days after the date of receipt of this Order.

3. At the discretion of U.S. Customs and Border Protection (“CBP”) and pursuant to procedures that it establishes, persons seeking to import electronic devices having placeshifting or display replication functionality and products containing the same that are potentially subject to this Order may be required to certify that they are familiar with the terms of this Order, that they have made appropriate inquiry, and thereupon state that, to the best of their knowledge and belief, the products being imported are not excluded from entry under paragraph 1 of this Order. At its discretion, CBP may require persons who have provided the certification described in this paragraph to furnish such records or analyses as are necessary to substantiate the certification.

4. In accordance with subsection (l) of section 337 (19 U.S.C. § 1337(l)), the provisions of this Order shall not apply to covered electronic devices having placeshifting or display replication functionality and products containing the same imported by and for the use of the United States, or imported for, and to be used for, the United States with the authorization or consent of the Government.

5. The Commission may modify this Order in accordance with the procedures described in section 210.76 of the Commission’s Rules of Practice and Procedure (19 C.F.R. § 210.76).

6. The Secretary shall serve copies of this Order upon each party of record in this investigation and upon the Department of Health and Human Services, the Department of Justice, the Federal Trade Commission, and CBP.

7. Notice of this Order shall be published in the Federal Register.

By Order of the Commission.

Any Respondent desiring to submit a document to the Commission in confidence must file the original and a public version of the original with the Office of the Secretary and must serve a copy of the confidential version on Complainant's counsel.¹ Any failure to make the required report or the filing of any false or inaccurate report shall constitute a violation of this order, and the submission of a false or inaccurate report may be referred to the U.S. Department of Justice as a possible criminal violation of 18 U.S.C. § 1001.

¹ Complainant must file a letter with the Secretary identifying the attorney to receive reports and bond information associated with this order. The designated attorney must be on the protective order entered in the investigation.

VI. Record-Keeping and Inspection

(A) For the purpose of securing compliance with this Order, Respondent shall retain any and all records relating to the sale, marketing, or distribution in the United States of covered products, made and received in the usual and ordinary course of business, whether in detail or in summary form, for a period of three (3) years from the close of the fiscal year to which they pertain.

(B) For the purpose of determining or securing compliance with this Order and for no other purpose, and subject to any privilege recognized by the federal courts of the United States, duly authorized representatives of the Commission, upon reasonable written notice by the Commission or its staff, shall be permitted access and the right to inspect and copy in Respondent's principal offices during office hours, and in the presence of counsel or other representatives if Respondent so chooses, all books, ledgers, accounts, correspondence, memoranda, and other records and documents, both in detail and in summary form as are required to be retained by subparagraph VI(A) of this Order.

VII. Service of Cease and Desist Order

Respondent is ordered and directed to:

(A) Serve, within fifteen (15) days after the effective date of this Order, a copy of this Order upon each of their respective officers, directors, managing agents, agents, and employees who have any responsibility for the importation, marketing, distribution, or sale of imported covered products in the United States;

(C) Maintain such records as will show the name, title, and address of each person upon whom the Order has been served, as described in subparagraphs VII(A) and VII(B) of this Order, together with the date on which service was made.

The obligations set forth in subparagraphs VII(B) and VII(C) shall remain in effect until the Asserted Patents expire.

VIII. Confidentiality

Any request for confidential treatment of information obtained by the Commission pursuant to Sections V and VI of this Order should be in accordance with Commission Rule 201.6, 19 C.F.R. § 201.6. For all reports for which confidential treatment is sought, Respondent must provide a public version of such report with confidential information redacted.

IX. Enforcement

Violation of this Order may result in any of the actions specified in section 210.75 of the Commission's Rules of Practice and Procedure, 19 C.F.R. § 210.75, including an action for civil penalties in accordance with section 337(f) of the Tariff Act of 1930, 19 U.S.C. § 1337(f), and any other action as the Commission may deem appropriate. In determining whether Respondent is in violation of this Order, the Commission may infer facts adverse to Respondent if Respondent fails to provide adequate or timely information.

X. Modification

XI. Bonding

The conduct prohibited by Section III of this Order may be continued during the sixty (60) day period in which this Order is under review by the United States Trade Representative as delegated by the President, 70 *Fed. Reg.* 43251 (July 21, 2005), subject to Respondent posting a bond in the amount of one hundred (100) percent of entered value of the articles in question. This bond provision does not apply to conduct that is otherwise permitted by Section IV of this Order. Covered products imported after the date of issuance of this order are subject to the entry bond as set forth in the general exclusion order issued by the Commission, and are not subject to this bond provision.

The bond is to be posted in accordance with the procedures established by the Commission for the posting of bonds by complainants in connection with the issuance of temporary exclusion orders. *See* Commission Rule 210.68, 19 C.F.R. § 210.68. The bond and any accompanying documentation is to be provided to and approved by the Commission prior to the commencement of conduct which is otherwise prohibited by Section III of this Order. Upon acceptance of the bond by the Secretary, (a) the Secretary will serve an acceptance letter on all parties and (b) the Respondent must serve a copy of the bond and any accompanying documentation on Complainant's counsel.

The bond is to be forfeited in the event that the United States Trade Representative approves, or does not disapprove within the review period, this Order, unless the U.S. Court of Appeals for the Federal Circuit, in a final judgment, reverses any Commission final determination and order as to Respondent on appeal, or unless Respondent exports the products subject to this bond or destroys them and provides certification to that effect satisfactory to the Commission.

The bond is to be released in the event the United States Trade Representative disapproves this Order and no subsequent order is issued by the Commission and approved, or not disapproved, by the United States Trade Representative, upon service on Respondent of an order issued by the Commission based upon application therefore made by Respondent to the Commission.

By order of the Commission.
