Investigation No. 337-TA-1352

LIMITED EXCLUSION ORDER

The United States International Trade Commission (“Commission”) has determined that there is a violation of section 337 of the Tariff Act of 1930, as amended (19 U.S.C. § 1337), in the unlawful importation into the United States of certain selective thyroid hormone receptor-beta agonists, processes for manufacturing or relating to same, and products containing same, by respondents Ascletis Pharma Inc. of Hangzhou, Zhejiang Province, China; Ascletis Pharmaceuticals Co. Ltd. of Shaoxing, Zhejiang Province, China; Ascletis Bioscience Co., Ltd. of Hangzhou, Zhejiang Province, China; and Gannex Pharma Co., Ltd. of Shanghai, China (collectively, “Respondents”) by reason of misappropriation of certain trade secrets owned by complainant Viking Therapeutics, Inc. of San Diego, California (“Complainant”), namely certain aspects of the formulation, preclinical studies, and clinical studies relating to Viking’s VK2809 product (hereinafter “Misappropriated Trade Secrets”).

Having reviewed the record in this investigation, including the written submissions of the parties, the Commission has made its determinations on the issues of remedy, the public interest, and bonding. The Commission has determined that the appropriate form of relief is a seven-year limited exclusion order prohibiting the unlicensed entry of certain selective thyroid hormone

receptor-beta agonists, processes for manufacturing or relating to same, and products containing same, manufactured by or on behalf of Respondents or any of their affiliated companies, parents, subsidiaries, agents, or other related business entities, or its successors or assigns.

The Commission has also determined that the public interest factors enumerated in 19 U.S.C. § 1337(d) do not preclude the issuance of the limited exclusion order, and that the bond during the period of Presidential review shall be in the amount of one hundred percent (100%) of the entered value of the entered value of the articles subject to this Order.

Accordingly, the Commission hereby **ORDERS** that:

1. Selective thyroid hormone receptor-beta agonists, processes for manufacturing or relating to same, and products containing same, that are made from or use the Misappropriated Trade Secrets and that are manufactured abroad by, or on behalf of, or imported by or on behalf of Respondents or any of their affiliated companies, parents, subsidiaries, agents, or other related business entities, or its successors or assigns, are excluded for a period of seven (7) years from the effective date of this Order, from entry for consumption into the United States, entry for consumption from a foreign-trade zone, or withdrawal from a warehouse for consumption, except under license of the trade secrets owner or as provided by law.

2. The selective thyroid hormone receptor-beta agonists, processes for manufacturing or relating to same, and products containing same, subject to this exclusion order (“covered articles”) are as follows: drug products and drug substances that are selective thyroid hormone receptor-beta agonists for the treatment of metabolic disorders and liver diseases.

3. Notwithstanding paragraph 1 of this Order, covered articles are entitled to entry into the United States for consumption, entry for consumption from a foreign trade zone, or withdrawal from a warehouse for consumption, under bond in the amount of one hundred

percent (100%) of their entered value, pursuant to subsection (j) of section 337 (19 U.S.C. § 1337(j)) and the Presidential Memorandum for the United States Trade Representative of July 21, 2005 (70 Fed. Reg. 43,251), from the day after this Order is received by the United States Trade Representative until such time as the United States Trade Representative notifies the Commission that this Order is approved or disapproved but, in any event, not later than sixty (60) days after the receipt of this Order. All entries of covered articles made pursuant to this paragraph are to be reported to U.S. Customs and Border Protection (“CBP”), in advance of the date of the entry, pursuant to procedures CBP establishes.

4. Prior to entry for consumption into the United States, entry for consumption from a foreign trade zone, entry into a bonded warehouse or foreign trade zone, or withdrawal from a warehouse for consumption of articles that are potentially subject to paragraph 1 of this Order, any of the persons listed in paragraph 1 of this Order shall seek a ruling from the Commission to determine whether such articles are covered by paragraph 1 of this Order.

5. After a Commission determination of admissibility under paragraph 4 of this Order, and at the discretion of CBP and pursuant to the procedures it establishes, persons seeking to import articles that are potentially subject to paragraph 1 of this Order may be required to certify that they are familiar with the terms of this Order, that they have made appropriate inquiry, and thereupon state that, to the best of their knowledge and belief, the products being imported are not excluded from entry under paragraph 1 of this Order. At its discretion, CBP may require persons who have provided the certification described in this paragraph to furnish such records or analyses as are necessary to substantiate the certification.

6. The Commission may modify this Order in accordance with the procedures described in Rule 210.76 of the Commission's Rules of Practice and Procedure (19 C.F.R. § 210.76).

7. The Secretary shall serve copies of this Order upon each party of record in this investigation and upon CBP.

8. Notice of this Order shall be published in the Federal Register.
