UNITED STATES INTERNATIONAL TRADE COMMISSION Washington, D.C.

In the Matter of

CERTAIN BLOOD FLOW RESTRICTION DEVICES WITH ROTATABLE WINDLASSES AND COMPONENTS THEREOF **Investigation No. 337-TA-1364**

GENERAL EXCLUSION ORDER

The United States International Trade Commission ("Commission") has determined that there is a violation of section 337 of the Tariff Act of 1930, as amended, 19 U.S.C. § 1337, in the unlawful importation, sale for importation, or sale within the United States after importation of certain blood flow restriction devices with rotatable windlasses and components thereof (as defined in paragraph 2 below) that infringe one or more of claims 1, 4, 15, and 16 of U.S. Patent No. 7,842,067 ("the '067 patent" or the "Asserted Patent").

Having reviewed the record in this investigation, including the written submissions of the parties, the Commission has made its determinations on the issues of remedy, the public interest, and bonding. The Commission has determined that a general exclusion from entry for consumption is necessary (1) to prevent circumvention of an exclusion order limited to products of named persons and (2) because there is a pattern of violation of section 337 and it is difficult to identify the source of the infringing products. Accordingly, the Commission has determined to issue a general exclusion order prohibiting the unlicensed importation of infringing blood flow restriction devices with rotatable windlasses and components thereof.

The Commission has also determined that the public interest factors enumerated in 19 U.S.C. § 1337(d) do not preclude the issuance of the general exclusion order, and that the bond during the period of Presidential review shall be in the amount of one hundred percent (100%) of the entered value of the articles subject to this Order.

Accordingly, the Commission hereby **ORDERS** that:

- 1. Blood flow restriction devices with rotatable windlasses and components thereof (as defined in paragraph 2 below) that infringe one or more of claims 1, 4, 15, and 16 of the '067 patent are excluded from entry for consumption into the United States, entry for consumption from a foreign-trade zone, or withdrawal from a warehouse for consumption, for the remaining term of the patent, except under license from, or with the permission of, the patent owner or as provided by law.
- 2. The blood flow restriction devices with rotatable windlasses and components thereof subject to this exclusion order (*i.e.*, "covered articles") are as follows: "single-handed combat tourniquets with rotatable windlasses that can be applied and tightened by a user to reduce blood loss from an arm or leg."
- 3. Notwithstanding paragraph 1 of this Order, covered articles are entitled to entry into the United States for consumption, entry for consumption from a foreign trade zone, or withdrawal from a warehouse for consumption, under bond in the amount of one hundred percent (100%) of their entered value, pursuant to subsection (j) of section 337 (19 U.S.C. § 1337(j)) and the Presidential Memorandum for the United States Trade Representative of July 21, 2005 (70 Fed. Reg. 43,251), from the day after this Order is received by the United States Trade Representative until such time as the United States Trade Representative notifies the Commission that this Order is approved or disapproved but, in any event, not later than sixty (60)

days after the receipt of this Order. All entries of covered articles made pursuant to this paragraph are to be reported to U.S. Customs and Border Protection ("CBP"), in advance of the date of the entry, pursuant to procedures CBP establishes.

- 4. At the discretion of CBP and pursuant to the procedures it establishes, persons seeking to import articles may be required to certify that they are familiar with the terms of this Order, that they have made appropriate inquiry, and thereupon state that, to the best of their knowledge and belief, the products being imported are not excluded from entry under paragraph 1 of this Order. At its discretion, CBP may require persons who have provided the certification described in this paragraph to furnish such records or analyses as are necessary to substantiate the certification.
- 5. In accordance with 19 U.S.C. § 1337(l), the provisions of this Order shall not apply to covered articles that are imported by and for the use of the United States, or imported for and to be used for, the United States with the authorization or consent of the Government.
- 6. The Commission may modify this Order in accordance with the procedures described in Rule 210.76 of the Commission's Rules of Practice and Procedure (19 C.F.R. § 210.76).
- 7. The Secretary shall serve copies of this Order upon each party of record in this investigation and upon CBP.

8. Notice of this Order shall be published in the Federal Register.

By order of the Commission.

UNITED STATES INTERNATIONAL TRADE COMMISSION Washington, D.C.

In the Matter of

CERTAIN BLOOD FLOW RESTRICTION DEVICES WITH ROTATABLE WINDLASSES AND COMPONENTS THEREOF **Investigation No. 337-TA-1364**

LIMITED EXCLUSION ORDER

The United States International Trade Commission ("Commission") has found respondents Anping Longji Medical Equipment Factory of Hengshui City, China; Dongguanwin Si Hai Precision Mold Co., Ltd. of Dongguan, China; Eiffel Medical Supplies Co., Ltd. of Shenzhen, China; Empire State Distributors Inc. of Brooklyn, New York; EMRN Medical Equipment of LaSalle, Canada; GD Tianwu New Material Tech Co., Ltd. of Shawan Town, China; Hengshui Runde Medical Instruments Co., Ltd. of Hengshui City, China; Putian Dima Trading Co., Ltd. of Putian City, China; Rhino Inc. of Lewes, Delaware; Shanghai Sixu International Freight Agent Co., Ltd. of Shanghai, China; Shenzhen Anben E-Commerce Co., Ltd. of Shenzhen, China; Shenzhen TMI Medical Supplies Co., Ltd. of Shenzhen, China; Shenzhen Yujie Commercial and Trading Co., Ltd. of Shenzhen, China; Wuxi Emsrun Technology Co., Ltd. of Wuxi City, China; Wuxi Golden Hour Medical Technology Co., Ltd. of Wuxi City, China; and Wuxi Puneda Technology Co., Ltd. of Wuxi City, China (collectively, "the Defaulting Respondents") in default. See Order No. 11 (Aug. 29, 2023), unreviewed by Comm'n Notice (Sept. 22, 2023). The Complaint alleged a violation of section 337 of the Tariff Act of 1930, as amended, 19 U.S.C. § 1337, in the unlawful importation, sale for importation, or sale within the United States after importation of certain blood flow restriction devices with

rotatable windlasses and components thereof that infringe one or more of U.S. Trademarks, Registration Nos. 3,863,064 and 5,064,378 (collectively, the "Asserted Trademarks") and certain trade dress described in the Complaint (*see* Compl. ¶ 156) (the "Asserted Trade Dress"). Because the conditions in 19 U.S.C. § 1337(g)(1)(A)–(E) have been satisfied, the Commission, upon the request of the complainant, issues a limited exclusion order, based on the allegations regarding a violation of section 337 in the Complaint that are presumed to be true as to the Defaulting Respondents.

Having reviewed the record in this investigation, including the written submissions of the parties, the Commission has made its determinations on the issues of remedy, the public interest, and bonding. The Commission has determined that the appropriate form of relief is a limited exclusion order prohibiting the unlicensed entry of infringing blood flow restriction devices with rotatable windlasses and components thereof manufactured by or on behalf of Respondents or any of their affiliated companies, parents, subsidiaries, agents, or other related business entities, or its successors or assigns.

The Commission has also determined that the public interest factors enumerated in 19 U.S.C. § 1337(g)(1) do not preclude the issuance of the limited exclusion order, and that the bond during the period of Presidential review shall be in the amount of one hundred percent (100%) of the entered value of the entered value of the articles subject to this Order.

Accordingly, the Commission hereby **ORDERS** that:

1. Blood flow restriction devices with rotatable windlasses and components thereof that infringe one or more of the Asserted Trademarks or the Asserted Trade Dress and are manufactured abroad by, or on behalf of, or imported by or on behalf of the Defaulting Respondents or any of their affiliated companies, parents, subsidiaries, agents, or other related

business entities, or its successors or assigns, are excluded from entry for consumption into the United States, entry for consumption from a foreign-trade zone, or withdrawal from a warehouse for consumption, except under license of the trademark owner or as provided by law until such date as the trademarks have been abandoned, canceled, or rendered invalid or unenforceable.

- 2. The blood flow restriction devices with rotatable windlasses and components thereof subject to this exclusion order (*i.e.*, "covered articles") are as follows: "single-handed combat tourniquets with rotatable windlasses that can be applied and tightened by a user to reduce blood loss from an arm or leg."
- 3. For the purpose of assisting U.S. Customs and Border Protection ("CBP") in the enforcement of this order, and without in any way limiting the scope of this Order, the Commission has attached to this Order a copy of the relevant trademark registrations and asserted trade dress as Exhibits A-C.
- 4. Notwithstanding paragraph 1 of this Order, covered articles are entitled to entry into the United States for consumption, entry for consumption from a foreign trade zone, or withdrawal from a warehouse for consumption, under bond in the amount of one hundred percent (100%) of their entered value, pursuant to subsection (j) of section 337 (19 U.S.C. § 1337(j)) and the Presidential Memorandum for the United States Trade Representative of July 21, 2005 (70 Fed. Reg. 43,251), from the day after this Order is received by the United States Trade Representative until such time as the United States Trade Representative notifies the Commission that this Order is approved or disapproved but, in any event, not later than sixty (60) days after the receipt of this Order. All entries of covered articles made pursuant to this paragraph are to be reported to U.S. Customs and Border Protection ("CBP"), in advance of the date of the entry, pursuant to procedures CBP establishes.

- 5. At the discretion of CBP and pursuant to the procedures it establishes, persons seeking to import articles may be required to certify that they are familiar with the terms of this Order, that they have made appropriate inquiry, and thereupon state that, to the best of their knowledge and belief, the products being imported are not excluded from entry under paragraph 1 of this Order. At its discretion, CBP may require persons who have provided the certification described in this paragraph to furnish such records or analyses as are necessary to substantiate the certification.
- 6. Complainants shall file a written statement with the Commission, made under oath, each year on the anniversary of the issuance of this Order stating whether Complainants continue to use each of the Asserted Trademarks and Asserted Trade Dress in commerce in the United States in connection with the products at issue and whether any of the Asserted Trademarks or Asserted Trade Dress have been abandoned, canceled, or rendered invalid or unenforceable.
- 7. The Commission may modify this Order in accordance with the procedures described in Rule 210.76 of the Commission's Rules of Practice and Procedure (19 C.F.R. § 210.76).
- 8. The Secretary shall serve copies of this Order upon each party of record in this investigation and upon CBP.

9. Notice of this Order shall be published in the Federal Register.

By order of the Commission.

Violation of this order may result in any of the actions specified in section 210.75 of the Commission's Rules of Practice and Procedure (19 C.F.R. § 210.75), including an action for civil penalties under section 337(f) of the Tariff Act of 1930 (19 U.S.C. § 1337(f)), as well as any other action that the Commission deems appropriate. In determining whether Respondent is in violation of this order, the Commission may infer facts adverse to Respondent if it fails to provide adequate or timely information.

X. Modification

The Commission may amend this order on its own motion or in accordance with the procedure described in section 210.76 of the Commission's Rules of Practice and Procedure (19 C.F.R. § 210.76).

XI. Bonding

The conduct prohibited by section III of this order may be continued during the sixty (60) day period in which this Order is under review by the United States Trade Representative, as delegated by the President (70 Fed. Reg. 43,251 (Jul. 21, 2005)), subject to Respondent's posting

of a bond in the amount of one hundred percent (100%) of their entered value. This bond provision does not apply to conduct that is otherwise permitted by section IV of this Order. Covered products imported on or after the date of issuance of this Order are subject to the entry bond as set forth in the exclusion order issued by the Commission, and are not subject to this bond provision.

The bond is to be posted in accordance with the procedures established by the Commission for the posting of bonds by complainants in connection with the issuance of temporary exclusion orders. *See* 19 C.F.R. § 210.68. The bond and any accompanying documentation are to be provided to and approved by the Commission prior to the commencement of conduct that is otherwise prohibited by section III of this Order. Upon the Secretary's acceptance of the bond, (a) the Secretary will serve an acceptance letter on all parties, and (b) Respondent must serve a copy of the bond and accompanying documentation on Complainants' counsel.²

The bond is to be forfeited in the event that the United States Trade Representative approves this Order (or does not disapprove it within the review period), unless (i) the U.S. Court of Appeals for the Federal Circuit, in a final judgment, reverses any Commission final determination and order as to Respondent on appeal, or (ii) Respondent exports or destroys the products subject to this bond and provides certification to that effect that is satisfactory to the Commission.
