The complaint further alleges violations of section 337 based upon trade dress infringement, trademark dilution, and infringement of common law trademarks, the threat or effect of which is to destroy or substantially injure an industry in the United States. The Commission’s notice of investigation named two respondents: Mahindra & Mahindra Ltd. of Mumbai, India and Mahindra Automotive North America, Inc. of Auburn Hills, Michigan. The Office of Unfair Import Investigations is also a party to the investigation.

On March 11, 2019, the ALJ issued the subject ID extending the target date of the investigation by two months from January 13, 2020, to March 13, 2020, and the deadline for his final initial determination from September 13, 2019, to November 13, 2019. The ALJ stated that the extension was necessary in light of the recent government shutdown. No party petitioned for review.

The Commission has determined not to review the subject ID.
