**NOTICE OF REQUEST FOR STATEMENTS ON THE PUBLIC INTEREST**

**AGENCY:** U.S. International Trade Commission.

**ACTION:** Notice.

**SUMMARY:** Notice is hereby given that, on February 18, 2020, the presiding administrative law judge (“ALJ”) issued an Initial Determination on Violation of Section 337 in the above-captioned investigation. On April 3, 2020, the ALJ issued a Recommended Determination on Remedy and Bond. The Commission is soliciting comments on public interest issues raised by the recommended relief, should the Commission find a violation. This notice is soliciting public interest comments from the public only. Parties are to file public interest submissions pursuant to Commission rules.

**SUPPLEMENTARY INFORMATION:** Section 337 of the Tariff Act of 1930 (“Section 337”) provides that if the Commission finds a violation it shall exclude the articles concerned from the United States unless the public interest factors listed in 19 U.S.C. 1337(d)(1) prevent such action. A similar provision applies to cease and desist orders. 19 U.S.C. 1337(f)(1).

The Commission is soliciting comments on public interest issues raised by the recommended relief should the Commission find a violation, specifically: (1) limited exclusion orders (“LEOs”) directed to certain LTE- and 3G-compliant cellular communications devices imported, sold for importation, and/or sold after importation by respondents Apple Inc. of Cupertino, California; HTC Corporation of Taoyuan City, Taiwan; HTC America, Inc. of Seattle, Washington; ZTE Corporation of Guangdong, China; and ZTE (USA) Inc. of Richardson, Texas; and (2) cease and desist orders (“CDOs”) against each respondent.

The Commission is interested in further development of the record on the public interest in this investigation. Accordingly, parties are to file public interest submissions pursuant to 19 CFR 210.50(a)(4). In addition, members of the public are hereby invited to file submissions of no more than five (5) pages, inclusive of attachments, concerning the public interest in light of the ALJ's Recommended Determination on Remedy and Bond issued in this investigation on April 3, 2020. Comments should address whether issuance of the remedial orders in this investigation, should the Commission find a violation, would affect the public health and welfare in the United States, competitive conditions in the United States economy, the production of like or directly competitive articles in the United States, or United States consumers.

In particular, the Commission is interested in comments that:

- (i) Explain how the articles potentially subject to the recommended LEOs and CDOs are used in the United States;
- (ii) Identify any public health, safety, or welfare concerns in the United States relating to the recommended LEOs and CDOs;
- (iii) Identify like or directly competitive articles that complainant, its licensees, and/or third parties make in the United States which could replace the subject articles if they were to be excluded;
- (iv) Indicate whether complainant, its licensees, and/or third-party suppliers have the capacity to replace the volume of articles potentially subject to the recommended LEOs and CDOs within a commercially reasonable time; and
- (v) Explain how the recommended LEOs and CDOs would impact consumers in the United States.

Written submissions from the public must be filed no later than by close of business on May 5, 2020.

Persons filing written submissions must file the original document electronically on or before the deadlines stated above. The Commission's paper filing requirements in 19 CFR 210.4(f) are currently waived. 85 *Fed. Reg.* 15798 (Mar. 19, 2020). Submissions should refer to the investigation number ("Inv.
