The ALJ held an evidentiary hearing on April 4-8, 2022. The parties timely filed their initial post-hearing briefs on April 25, 2022, and their post-hearing reply briefs on May 4, 2022.

On August 12, 2022, the presiding ALJ issued a final ID, finding no violation of Section 337 with respect to the '082 patent. Specifically, the final ID finds that: (1) the accused products do not infringe asserted claims 1, 13, 17, or 29; (2) claims 1, 13, 17, and 29 are invalid; and (3) Arigna satisfied both the technical and economic prongs of the DI requirement. The ALJ also found no violation with respect to the '867 patent. Specifically, the final ID finds that: (1) the accused products do not infringe asserted claim 8; (2) claim 4 is invalid but claim 8 is not invalid; and (3) Arigna satisfied the technical prong but not the economic prong of the DI requirement with respect to the '867 patent.

On August 26, 2022, the presiding ALJ issued a Recommended Determination on Remedy, Bonding, and the Public Interest, in the event the Commission finds a violation.

On August 26, 2022, Arigna filed a petition for review of the ID's finding of no violation with respect to the '082 patent, including claim construction, non-infringement, and invalidity. Arigna did not petition for review of any findings relating to the '867 patent.

On August 26, 2022, respondent GM filed a contingent petition for review with respect to the ID's finding that asserted claim 8 of the '867 patent is not invalid.

On September 6, 2022, respondents filed their opposition to Arigna's petition for review of the Final ID. OUII filed its respective responses to Arigna's petition and to GM's contingent petition on the same date.

The Commission has determined to extend the deadline for determining whether to review the final ID to November 2, 2022.

The Commission voted to approve this determination on September 23, 2022.

The authority for the Commission's determination is contained in Section 337 of the Tariff Act of 1930, as amended (19 U.S.C. 1337), and in part 210 of the Commission's Rules of Practice and Procedure (19 CFR part 210).

By order of the Commission.
