

UNITED STATES INTERNATIONAL TRADE COMMISSION
Washington, D.C.

In the Matter of

**CERTAIN BIO-LAYER
INTERFEROMETERS AND
COMPONENTS THEREOF**

Investigation No. 337-TA-1344

**NOTICE OF COMMISSION DECISION NOT TO REVIEW
AN INITIAL DETERMINATION EXTENDING THE TARGET DATE**

AGENCY: U.S. International Trade Commission.

ACTION: Notice.

SUMMARY: Notice is hereby given that the U.S. International Trade Commission has determined not to review an initial determination (“ID”) (Order No. 41) of the presiding Administrative Law Judge (“ALJ”) extending the target date for completion of the investigation until July 8, 2024.

FOR FURTHER INFORMATION CONTACT: Houda Morad, Office of the General Counsel, U.S. International Trade Commission, 500 E Street SW, Washington, DC 20436, telephone (202) 708-4716. Copies of non-confidential documents filed in connection with this investigation may be viewed on the Commission’s electronic docket (EDIS) at <https://edis.usitc.gov>. For help accessing EDIS, please email EDIS3Help@usitc.gov. General information concerning the Commission may also be obtained by accessing its Internet server at <https://www.usitc.gov>. Hearing-impaired persons are advised that information on this matter can be obtained by contacting the Commission’s TDD terminal on (202) 205-1810.

SUPPLEMENTARY INFORMATION: On November 29, 2022, the Commission instituted this investigation under section 337 of the Tariff Act of 1930, as amended, 19 U.S.C. 1337 (“section 337”), based on a complaint filed by Sartorius Bioanalytical Instruments, Inc. of Bohemia, New York. *See* 87 FR 73329-30 (Nov. 29, 2022). The complaint, as supplemented, alleges a violation of section 337 based upon the importation into the United States, the sale for importation, and the sale within the United States after importation of certain bio-layer interferometers and components thereof by reason of the infringement of certain claims of U.S. Patent Nos. 7,445,887 (“the ’887 patent”); 7,394,547 (“the ’547 patent”); 7,728,982 (“the ’982 patent”); and 8,305,585 (“the ’585 patent”). *See id.* The notice of investigation names Gator Bio, Inc. of Palo Alto, California as a respondent in the investigation. *See id.* The Office of Unfair Import Investigations is also a party to the investigation. *See id.*

The Commission terminated the investigation as to the '547, '982, and '585 patents and claims 1-5, 7, 9-14, and 16-18 of the '887 patent based on the withdrawal of the complaint as to those patents and claims. *See* Order No. 14 (May 15, 2023), *unreviewed by* Comm'n Notice (June 9, 2023); Order No. 26 (June 29, 2023), *unreviewed by* Comm'n Notice (July 20, 2023); Order No. 37 (Oct. 26, 2023), *unreviewed by* Comm'n Notice (Nov. 27, 2023).

On February 6, 2024, the ALJ issued the subject ID (Order No. 41) extending the target date for completion of the investigation until July 8, 2024. The ID explains that the extension is necessary to provide the ALJ with adequate time to draft the final ID while also attending to the ALJ's responsibilities in other investigations. *See* ID at 1. The deadline for issuing the final ID is now March 8, 2024.

No petition for review of the subject ID was filed.

The Commission has determined not to review the subject ID. The target date for completion of the investigation is extended until July 8, 2024.

The Commission vote for this determination took place on March 4, 2024.

The authority for the Commission's determination is contained in section 337 of the Tariff Act of 1930, as amended (19 U.S.C. 1337), and in part 210 of the Commission's Rules of Practice and Procedure (19 CFR part 210).

By order of the Commission.

A handwritten signature in black ink, appearing to read 'Lisa R. Barton', enclosed within a large, loopy oval shape.

Lisa R. Barton
Secretary to the Commission

Issued: March 4, 2024
