SUPPLEMENTARY INFORMATION: The Commission instituted this investigation on November 17, 2023, based upon a complaint filed on behalf of Telefonaktiebolaget LM Ericsson of Stockholm, Sweden. 88 FR 80336-37 (Nov. 17, 2023). The complaint, as supplemented, alleges violations of section 337 based on the importation into the United States, the sale for importation, and the sale within the United States after importation of certain mobile phones, components thereof, and products containing same by reason of the infringement of claims 10-16 of U.S. Patent No. 10,425,817; claims 1-23 of U.S. Patent No. 10,306,669; claims 1-18 and 34-40 of U.S. Patent No. 11,317,342 ("the '342 patent"); and claims 1-12 of U.S. Patent No. 11,515,893 ("the '893 patent"). The Commission's notice of investigation named as respondents Motorola Mobility LLC of Chicago, Illinois; Lenovo (United States) Inc., of Morrisville, North Carolina; Lenovo Group Limited of Quarry Bay, Hong Kong; and Motorola (Wuhan) Mobility Technologies, Communication Co., LTD of Wuhan, China. The Office of Unfair Import Investigations is also a party in this investigation.

On December 28, 2023, Complainant filed an unopposed motion for partial termination of the investigation based on the withdrawal of claims 17 and 37 of the '342 patent; and claims 2, 5, 8, and 11 of the '893 patent.

On January 3, 2024, the ALJ granted the unopposed motion. The ID found that the motion complies with the Commission Rules. The ID further found that there are no extraordinary circumstances that warrant denying the motion. No petitions for review of the ID were filed.

The Commission has determined not to review the subject ID. The following claims are terminated from the investigation: claims 17 and 37 of the '342 patent; and claims 2, 5, 8, and 11 of the '893 patent.

The Commission vote for this determination took place on February 1, 2024.

The authority for the Commission's determination is contained in section 337 of the
the
Tariff Act of 1930, as amended (19 U.S.C. 1337), and in Part 210 of the Commission's Rules of Practice and Procedure (19 CFR Part 210).

By order of the Commission.
