**CERTAIN HYDRODERMABRASION
SYSTEMS AND COMPONENTS
THEREOF**

Investigation No. 337-TA-1408

**NOTICE OF A COMMISSION DETERMINATION NOT TO REVIEW
A REVISED INITIAL DETERMINATION EXTENDING THE TARGET DATE**

AGENCY: U.S. International Trade Commission.

ACTION: Notice.

SUMMARY: Notice is hereby given that the U.S. International Trade Commission (“Commission”) has determined not to review a revised initial determination (“ID”) (Order No. 62) of the presiding administrative law judge (“ALJ”), extending the target date to December 29, 2025.

FOR FURTHER INFORMATION CONTACT: Ronald A. Traud, Esq., Office of the General Counsel, U.S. International Trade Commission, 500 E Street S.W., Washington, D.C. 20436, telephone (202) 205-3427. Copies of non-confidential documents filed in connection with this investigation may be viewed on the Commission’s electronic docket (EDIS) at <https://edis.usitc.gov>. For help accessing EDIS, please email EDIS3Help@usitc.gov. General information concerning the Commission may also be obtained by accessing its Internet server at <https://www.usitc.gov>. Hearing-impaired persons are advised that information on this matter can be obtained by contacting the Commission’s TDD terminal on (202) 205-1810.

SUPPLEMENTARY INFORMATION: On July 17, 2024, the Commission instituted this investigation based on a complaint filed on behalf of HydraFacial LLC, f/k/a Edge Systems LLC, of Long Beach, California. 89 FR 58188-89 (Jul. 17, 2024). The complaint alleges violations of section 337 of the Tariff Act of 1930, as amended, 19 U.S.C. 1337, based on the importation into the United States, the sale for importation, or sale within the United States after importation of certain hydrodermabrasion systems and components thereof by reason of the infringement of certain claims of U.S. Patent No. 11,865,287. *Id.* The complaint further alleges that an industry in the United States exists as required by section 337. *Id.* The Commission’s notice of investigation named as respondents Cartessa Aesthetics, LLC of Melville, New York; and Eunsung Global Corp. of Republic of Korea. *Id.* The Office of Unfair Import Investigations is not participating in this investigation. *Id.*

On August 15, 2025, the ALJ issued Order No. 61, extending the target date for the completion of this investigation to December 29, 2025. However, the ID did not include an explanation of the good cause supporting the extension, which is required by Commission Rule 210.51(a) (19 CFR 210.51(a)). Accordingly, on August 22, 2025, the Commission *sua sponte* reviewed the ID and then remanded the ID to the ALJ for the issuance of a revised ID that included the required justification. Comm'n Not. (Aug. 22, 2025).

On August 26, 2025, the ALJ issued Order No. 62 (the subject ID), revising Order No. 61. The subject ID explained that the extension is necessary to provide adequate time to prepare the final ID while attending to responsibilities in other investigations. No petitions for review of the ID were filed. On August 26, 2025, the ALJ also issued the final ID.

The Commission has determined not to review the subject ID. Accordingly, the target date is December 29, 2025.

The Commission vote for this determination took place on September 15, 2025.

The authority for the Commission's determination is contained in section 337 of the Tariff Act of 1930, as amended (19 U.S.C. 1337), and in Part 210 of the Commission's Rules of Practice and Procedure (19 CFR Part 210).

By order of the Commission.

Lisa R. Barton
Secretary to the Commission
