SUPPLEMENTARY INFORMATION: The Commission instituted this investigation on July 19, 2024, based upon a complaint filed on behalf of Milwaukee Electric Tool Corporation of Brookfield, Wisconsin and Keter Home and Garden Products Ltd. of Israel (collectively, “Complainants”). 89 FR 58764-65 (July 19, 2024). The complaint, as supplemented, alleges violations of section 337 of the Tariff Act of 1930, as amended, 19 U.S.C. 1337 (“section 337”), based upon the importation into the United States, the sale for importation, and the sale within the United States after importation of certain storage containers and toolboxes, organizers, component boxes, and coolers by reason of infringement of certain claims of U.S. Patent Nos. 11,365,026 (“the ’026 patent”); 11,794,952 (“the ’952 patent”); and 11,952,167 (“the ’167 patent”). The Commission's notice of investigation named as the respondent Klein Tools, Inc. of Lincolnshire, Illinois (“Klein”). The Office of Unfair Import Investigations is not a party to this investigation.

Over the course of the investigation, Complainants withdrew certain asserted claims. *See* Order No. 15 (Jan. 24, 2025), *unreviewed by* Comm’n Notice (Feb. 18, 2025); Order No. 19 (Feb. 11,

2025), *unreviewed by* Comm’n Notice (Feb. 24, 2025); Order No. 20 (Feb. 27, 2025), *unreviewed by* Comm’n Notice (Mar. 13, 2025). The asserted claims that remain are claims 4 and 8 of the ’026 patent; claims 3, 4, 8, and 16 of the ’952 patent; and claims 2, 5, 8, 14, and 15 of the ’167 patent. *See* Order No. 20 at 2 n.1.

On August 1, 2025, the Chief Administrative Law Judge issued a final initial determination (“FID”), which finds a violation of section 337 finding all of the asserted patent claims recited above infringed and not invalid. The FID also finds that the domestic industry requirement has been satisfied for each of the Asserted Patents pursuant to section 337(a)(3)(A) and (B). The FID declined to make findings as to whether Complainants have satisfied the domestic industry requirement under section 337(a)(3)(C).

On August 15, 2025, Klein filed a petition for Commission review of the FID as to the economic and technical prongs of the domestic industry requirement, as well as invalidity based on certain prior art. On August 28, 2025, Complainants filed a response to the petition.

On January 21, 2026, the Commission determined to review the FID in part with respect to the economic prong of the domestic industry requirement, patent invalidity, and the technical prong of the domestic industry requirement, as well as any underlying claim construction findings. 91 FR 3219-21 (Jan. 26, 2026). The Commission also sought briefing from the parties on certain issues under review and from the parties, interested government agencies, and other interested parties on the issues of remedy, the public interest, and bonding. *Id.*

On February 4, 2026, the Commission received initial submissions from the parties. On February 11, 2026, the Commission received reply submissions from the parties. The Commission received no other submissions.

The Commission has determined to extend the target date for completion of the investigation to May 28, 2026.

The Commission vote for this determination took place on April 20, 2026.

The authority for the Commission’s determination is contained in section 337 of the Tariff Act of 1930, as amended (19 U.S.C. 1337), and in Part 210 of the Commission’s Rules of Practice and Procedure (19 CFR Part 210).

By order of the Commission.

Secretary to the Commission
