The complaint, as supplemented, alleges violations of section 337 of the Tariff Act of 1930, as amended, 19 U.S.C. 1337 (“section 337”), based upon the importation into the United States, the sale for importation, and the sale within the United States after importation of certain storage containers and toolboxes, organizers, component boxes, and coolers by reason of infringement of certain claims of U.S. Patent Nos. 11,365,026; 11,794,952; and 11,952,167. The complaint further alleges that an industry in the United States exists as required by subsection (a)(2) of section 337. The Commission's notice of investigation named as the respondent Klein Tools, Inc. of Lincolnshire, Illinois. The Office of Unfair Import Investigations is not a party to this investigation.

On August 1, 2025, the CALJ issued the Final ID, which finds a violation of section 337 as to each of the three asserted patents. The Commission has determined to extend the deadline for determining whether to review the Final ID to October 28, 2025.

The Commission vote for this determination took place on September 24, 2025.
