On December 12, 2026, Complainants moved for partial termination of this investigation based on withdrawal of the complaint as to the D906 patent.

On February 2, 2026, the Chief ALJ issued the subject ID (Order No. 24), terminating the investigation as to the D906 patent. The ID found that the motion for partial termination complied with Commission Rules. *See* 19 CFR 210.21(a)(1). The ID also found that there are no extraordinary circumstances that warrant denying the motion. ID at 2. No petitions for review were filed.

The Commission has determined not to review the subject ID. Accordingly, the D906 patent has been terminated from the investigation.

The Commission vote for this determination took place on February 23, 2026.
