**SUPPLEMENTARY INFORMATION:** The Commission instituted this investigation on February 26, 2025, based on a complaint filed on behalf of Razor USA LLC of Cerritos, California and Shane Chen of Camas, Washington (collectively, “Complainants”). 90 FR 10,730 (Feb. 26, 2025). The complaint, as amended, alleges violations of section 337 of the Tariff Act of 1930, as amended, 19 U.S.C. 1337, in the importation into the United States, the sale for importation, or the sale within the United States after importation of certain motorized self-balancing vehicles by reason of the infringement of certain claims of U.S. Patent No. RE46,964; U.S. Patent No. RE49,608; and U.S. Patent No. D739,906. *Id.* The complaint further alleges that an industry in the United States exists or is in the process of being established as required by the applicable Federal Statute. *Id.* The Commission’s notice of investigation named the following respondents: Gyroor Respondents, all of Guangdong, China; Unicorn Network, LLC. d/b/a Sisigad (“Sisigad”) of Dover, Delaware; and Golabs Inc. d/b/a Gotrax of Carrollton, Texas. *Id.*

Respondent Sisigad has been found in default. Order No. 7 (Apr. 16, 2025), *unreviewed by* Comm’n Notice (May 5, 2025).

On June 3, 2025, the Commission determined not to review Order No. 10, granting Complainants' motion to amend the complaint and notice of investigation ("NOI") by adding Zhejiang TaoTao Vehicles Co., Ltd. ("Tao Motor") of Lishui City, China as a new respondent. Order No. 10 (May 13, 2025), *unreviewed by Comm'n Notice* (June 3, 2025).

On June 27, 2025, Complainants and the Gyroor Respondents filed an unopposed joint motion to terminate this investigation as to the Gyroor Respondents based on a settlement agreement. *See* Order No. 15 at 1 (July 14, 2025). The moving parties filed confidential and public versions of the settlement agreement. *Id.* at 2. The motion stated that "there are no other agreements, written or oral, express or implied, between Razor and Gyroor concerning the subject matter of this Investigation" as required by 19 CFR 210.21(b)(1). *Id.* (quoting Mot. No. 1440-004 at 2).

On July 14, 2025, the ALJ issued the subject ID (Order No. 15), granting the joint motion to terminate the investigation as to the Gyroor Respondents. *Id.* at 4. The ALJ found that "any effect the settlement agreement may have on the statutory public interest factors does not counsel against termination of this investigation as to Gyroor" and that partial termination of the investigation will preserve Commission resources and avoid unnecessary litigation." *Id.* at 3. No petitions for review were filed.

The Commission has determined not to review the subject ID. Accordingly, the Gyroor Respondents are hereby terminated from the investigation.

The Commission vote for this determination took place on August 6, 2025.

The authority for the Commission's determination is contained in section 337 of the Tariff Act of 1930, as amended, 19 U.S.C. 1337, and in Part 210 of the Commission's Rules of Practice and Procedure, 19 CFR Part 210.

By order of the Commission.
