AGENCY: U.S. International Trade Commission.

ACTION: Notice.

SUMMARY: Notice is hereby given that the U.S. International Trade Commission has determined not to review an initial determination (“ID”) (Order No. 18) issued by the presiding administrative law judge (“ALJ”) that terminates respondent Amphenol Corporation of Wallingford, Connecticut (“Amphenol”) based on settlement.

SUPPLEMENTARY INFORMATION: On April 18, 2025, the Commission instituted this investigation based on a complaint filed by Credo Semiconductor Inc. of San Jose, California and Credo Technology Group Ltd. of the Cayman Islands (collectively, “Credo”). 90 FR 16551-52 (Apr. 18, 2025). The complaint alleged violations of section 337 of the Tariff Act of 1930, as amended, 19 U.S.C. 1337, based upon the importation into the United States, the sale for importation, and the sale within the United States after importation of certain active electrical cables and components thereof by reason of the infringement of certain claims of U.S. Patent Nos. 10,877,233; 11,012,252; and 11,032,111. *Id.* The Commission’s notice of investigation named the following respondents: Amphenol; Molex, LLC of Lisle, Illinois (“Molex”); and TE Connectivity PLC of Galway, Ireland (“TE PLC”). *Id.* at 16552. The Office of Unfair Import Investigations (“OUII”) is a party to this investigation. *Id.*

On June 30, 2025, the Commission amended the complaint and notice of investigation to replace respondent TE PLC with TE Connectivity Corporation of Berwyn, Pennsylvania (“TE Connectivity”). Order No. 7 (May 28, 2025), *unreviewed by* 90 FR 27876-77 (June 30, 2025).

On August 25, 2025, Credo and Amphenol filed a corrected motion to terminate the investigation as to Amphenol based on settlement. The movants requested that service of the confidential version be limited to the settling parties and OUII. Also on August 25, 2025, OUII responded in support of the motion. On August 27, 2025, the other respondents—Molex and TE Connectivity—filed a statement of opposition only as to the request for limited service.

On September 5, 2025, the ALJ issued the subject ID (Order No. 18) pursuant to Commission Rule 210.21(b), 19 CFR 210.21(b), granting the motion. The ID finds that the motion complies with Commission Rule 210.21, 19 CFR 210.21; that granting the motion would not be contrary to the public interest under Commission Rule 210.50, 19 CFR 210.50; and that there are no extraordinary circumstances that warrant denying the motion. The ALJ also finds good cause for limiting service of the confidential settlement agreement.

No petitions for review of the ID were filed.

The Commission has determined not to review the ID.

The Commission vote for this determination took place on September 24, 2025.

The authority for the Commission’s determination is contained in section 337 of the Tariff Act of 1930, as amended (19 U.S.C. 1337), and in Part 210 of the Commission’s Rules of Practice and Procedure (19 CFR Part 210).

By order of the Commission.
