**NOTICE OF EXTENSION OF THE DEADLINE FOR SUBMISSIONS ON THE PUBLIC
INTEREST**

AGENCY: U.S. International Trade Commission.

ACTION: Notice.

SUMMARY: Notice is hereby given that on August 19, 2026, the presiding administrative law judge (“ALJ”) issued a Recommended Determination regarding public interest should a violation be found in the above-captioned investigation. The Commission is extending the deadline for submissions on public interest issues should the Commission find a violation that was set in the notice dated August 11, 2026. This notice and the prior notice are soliciting comments from the public and interested government agencies only.

FOR FURTHER INFORMATION CONTACT: Joelle P. Justus, Esq., Office of the General Counsel, U.S. International Trade Commission, 500 E Street, S.W., Washington, D.C. 20436, telephone (202) 205-2593. Hearing-impaired persons are advised that information on this matter can be obtained by contacting the Commission’s TDD terminal on (202) 205-1810.

SUPPLEMENTARY INFORMATION: Section 337 of the Tariff Act of 1930 provides that, if the Commission finds a violation, it shall exclude the articles concerned from the United States unless, after considering the effect of such exclusion upon the public health and welfare, competitive conditions in the United States economy, the production of like or directly competitive articles in the United States, and United States consumers, it finds that such articles should not be excluded from entry. (19 U.S.C. 1337(d)(1)). A similar provision applies to cease and desist orders. (19 U.S.C. 1337(f)(1)).

The Commission is soliciting submissions on public interest issues raised by the recommended relief should the Commission find a violation, specifically: a limited exclusion

order directed to certain Wi-Fi routers, Wi-Fi devices, mesh Wi-Fi network devices and components thereof imported, sold for importation, and/or sold after importation by respondents ASUSTek Computer Inc. of Taipei City, Taiwan; ASUS Computer International of Fremont, CA; and Plume Design Inc. of Palo Alto, CA; and cease and desist orders directed to Plume Design Inc. and ASUS Computer International. Parties are to file public interest submissions pursuant to 19 CFR 210.50(a)(4).

The Commission is interested in further development of the record on the public interest in this investigation. Accordingly, members of the public and interested government agencies are invited to file submissions of no more than five (5) pages, inclusive of attachments, concerning the public interest in light of the ALJ's Recommended Determination on Remedy and Bonding issued in this investigation on August 6, 2026, and the Recommended Determination on Public Interest issued in this investigation on August 1, 2026. Comments should address whether issuance of the recommended remedial orders in this investigation, should the Commission find a violation, would affect the public health and welfare in the United States, competitive conditions in the United States economy, the production of like or directly competitive articles in the United States, or United States consumers.

In particular, the Commission is interested in comments that:

- (i) explain how the articles potentially subject to the recommended remedial orders are used in the United States;
- (ii) identify any public health, safety, or welfare concerns in the United States relating to the recommended orders;
- (iii) identify like or directly competitive articles that complainant, its licensees, or third parties make in the United States which could replace the subject articles if they were to be excluded;
- (iv) indicate whether complainant, complainant's licensees, and/or third-party suppliers have the capacity to replace the volume of articles potentially subject to the recommended orders within a commercially reasonable time; and
- (v) explain how the recommended orders would impact consumers in the United States.

Written submissions must be filed no later than by close of business **on September 18, 2026**.

Persons filing written submissions must file the original document electronically on or before the deadlines stated above pursuant to 19 CFR 210.4(f). Submissions should refer to the investigation number ("Inv. No. 337-TA-1454") in a prominent place on the cover page and/or the first page.
