On July 2, 2026, Cambria and Cosentino filed a joint motion to terminate the investigation as to Cosentino based on settlement. The motion included as exhibits the confidential and public versions of the settlement agreement and the prior agreement between Cambria and Cosentino. The motion also stated that there are no other agreements, written or oral, express or implied, between the parties concerning the subject matter of the investigation, and that it is in the interest of the public and administrative economy to grant the motion.

On July 15, 2026, the ALJ issued Order No. 30 ordering Cambria and Cosentino to file revised public versions of Exhibits 2 and 5 to the motion. On July 20, 2026, Cambria and Cosentino filed a joint response with revised Exhibits 2 and 5 to comply with the order.

On July 21, 2026, the ALJ issued the subject ID (Order No. 32) pursuant to Commission Rule 210.21(b), 19 CFR 210.21(b), granting the joint motion to terminate based on settlement. The ID finds that the joint motion, in view of the revised public versions of the agreements filed in response to Order No. 30, complies with Commission Rule 210.21(b), and that granting the motion will not adversely affect the public interest.

No petitions for review of the ID were filed.

The Commission has determined not to review the ID. The investigation is terminated as to Cosentino.

The Commission vote for this determination took place on August 13, 2026.

The authority for the Commission's determination is contained in section 337 of the Tariff Act of 1930, as amended (19 U.S.C. 1337), and in Part 210 of the Commission's Rules of Practice and Procedure (19 CFR Part 210).

By order of the Commission.

Secretary to the Commission
