On July 17, 2026, Complainant filed a motion to amend the procedural schedule and extend the target date, and request for expedited consideration. On July 22, 2026, Everspin filed an opposition to Complainant’s motion. On July 23, 2026, Complainant filed a reply in support of its motion.

On July 29, 2026, the ALJ issued the subject ID (Order No. 17), pursuant to Commission Rule 210.51(a), 19 CFR 210.51(a), granting-in-part Complainant’s motion and extending the target date for completion of the present investigation to August 16, 2027. The Commission has determined not to review the subject ID. Accordingly, the target date for completion of the investigation is extended to August 16, 2027.
