**SUPPLEMENTARY INFORMATION:** The Commission instituted this investigation on May 2, 2012, based on a complaint filed by Technology Properties Limited, LLC ("TPL") of Cupertino, California. *77 Fed. Reg.* 26041 (May 2, 2012). The complaint alleged violations of section 337 of the Tariff Act of 1930, *as amended*, 19 U.S.C. § 1337, by reason of infringement of the claims of certain patents. The notice of investigation named twenty-one respondents including Shuttle, Inc. ("Shuttle") of Taipei, Taiwan.

On October 12, 2012, TPL and Shuttle filed a joint motion to terminate the investigation as to Shuttle based on entry of a consent order. On October 26, 2012, the presiding Administrative Law Judge granted the motion as an initial determination ("ID") (Order No. 28). On November 26, 2012, the Commission determined not to review the ID and issued the subject consent order.

On December 19, 2013, the Commission terminated the investigation as to the remaining respondents with a finding of no violation of section 337.

On May 22, 2015, TPL and Shuttle filed a joint petition to rescind the consent order based on a May 12, 2015, settlement agreement, which was included as a confidential attachment to the motion. 19 C.F.R. § 210.76(a)(1). No responses were received.

The Commission finds that the petition demonstrates “changed conditions of fact or law,” *id.*, in view of the settlement agreement. The Commission has determined to grant the petition, and thereby rescinds the consent order.

The authority for the Commission’s determination is contained in section 337 of the Tariff Act of 1930, as amended (19 U.S.C. § 1337), and in Part 210 of the Commission’s Rules of Practice and Procedure (19 C.F.R. Part 210).

By order of the Commission.
