AGENCY: U.S. International Trade Commission.

ACTION: Notice.

SUMMARY: Notice is hereby given that the U.S. International Trade Commission has determined not to review an initial determination (Order No. 53) terminating the above-captioned investigation with respect to U.S. Patent No. 6,624,832.

SUPPLEMENTARY INFORMATION: The Commission instituted this investigation on January 8, 2013, based on a complaint filed by Ericsson Inc., of Plano, Texas, and Telefonaktiebolaget LM Ericsson of Sweden (collectively, "Ericsson"). 78 *Fed. Reg.* 1247 (Jan. 8, 2013). The complaint, as amended, alleged violations of section 337 of the Tariff Act of 1930, as amended (19 U.S.C. § 1337), in the importation into the United States, the sale for importation, and the sale within the United States after importation of certain electronic devices, including wireless communication devices, tablet computers, media players, and televisions, and

components thereof, by reason of infringement of certain claims of eleven U.S. patents. The notice of investigation named as respondents Samsung Electronics America, Inc., of Ridgefield Park, New Jersey; Samsung Telecommunications America LLC, of Richardson, Texas; and Samsung Electronics Co., Ltd., of the Republic of Korea. Two earlier Commission determinations reduced the number of patents and claims at issue in the investigation.

On July 15, 2013, Ericsson filed a motion to terminate the investigation with respect to all asserted claims of U.S. Patent No. 6,624,832. Ericsson stated that the motion was unopposed. On July 16, 2013, the presiding administrative law judge (“ALJ”) issued an initial determination (“ID”) granting Ericsson’s motion. The ALJ found that granting the motion reduced the number of issues to be decided in the investigation and that there were no extraordinary circumstances that counseled against granting the motion. The ALJ stated that eight patents remain asserted in the investigation. No petitions for review of the ID were filed.

The Commission has determined not to review the ID.

The authority for the Commission’s determination is contained in section 337 of the Tariff Act of 1930, as amended (19 U.S.C. § 1337), and in Part 210 of the Commission’s Rules of Practice and Procedure (19 C.F.R. Part 210).

By order of the Commission.
