NO. 36 TERMINATING THE INVESTIGATION AS TO RESPONDENT RN  
VENTURES LTD. BASED ON A SETTLEMENT AGREEMENT**

**AGENCY:** U.S. International Trade Commission.

**ACTION:** Notice.

**SUMMARY:** Notice is hereby given that the U.S. International Trade Commission has determined not to review an initial determination (“ID”) (Order No. 36) of the presiding administrative law judge (“ALJ”) terminating the investigation as to respondent RN Ventures Ltd. (“RN Ventures”) based on a settlement agreement.

**SUPPLEMENTARY INFORMATION:** The Commission instituted this investigation under section 337 of the Tariff Act of 1930, as amended, 19 U.S.C. § 1337 (“Section 337”), on June 25, 2015, based on a complaint filed by Pacific Bioscience Laboratories, Inc. of Redmond, Washington (“PBL”). 80 *Fed. Reg.* 36576-77 (Jun. 25, 2015). The amended complaint, as supplemented, alleges a violation of Section 337 by reason of infringement of certain claims of U.S. Patent Nos. 7,320,691 and 7,386,906, and U.S. Design Patent No. D523,809 by numerous respondents. The amended complaint further alleges violations of Section 337 based upon the importation into the United States, or in the sale of certain electric skin care devices, brushes and chargers therefor, and kits containing the same, by reason of trade dress infringement, the threat

or effect of which is to destroy or substantially injure an industry in the United States. *Id.* The Commission's Office of Unfair Import Investigations ("OUII") was also named as a party.

On December 29, 2015, complainant PBL and respondent RN Ventures jointly moved to terminate the investigation as to RN Ventures based upon a settlement agreement. OUII supported the motion.

On January 12, 2016, the ALJ issued an ID (Order No. 36) granting the motion. The ALJ found no evidence that termination of this investigation on the basis of the settlement agreement would impose any undue burdens on public health and welfare, competitive conditions in the U.S. economy, the production of like or directly competitive articles in the United States, or U.S. consumers. Order No. 36 at 2-3. No party petitioned for review of the subject ID, and the Commission has determined not to review it.

The authority for the Commission's determination is contained in section 337 of the Tariff Act of 1930, as amended (19 U.S.C. § 1337), and in Part 210 of the Commission's Rules of Practice and Procedure (19 C.F.R. Part 210).

By order of the Commission.
