Washington, DC

Investigation Nos. 731-TA-1207-1208 (Review)

Prestressed Concrete Steel Rail Tie Wire from China and Mexico

Termination of five-year reviews.

AGENCY: United States International Trade Commission.

ACTION: Notice.

SUMMARY: The Commission instituted the subject five-year reviews in May 2019 to determine whether revocation of the antidumping duty orders on prestressed concrete steel rail tie wire from China and Mexico would be likely to lead to continuation or recurrence of material injury. On June 10, 2019, the Department of Commerce published notice that it was revoking the orders effective June 24, 2019, because the domestic interested parties did not participate in these sunset reviews (84 FR 26816, June 10, 2019). Accordingly, the subject reviews are terminated.

DATE: June 14, 2019.
