Washington, D.C.**

Investigation Nos. 701-TA-437 and 731-TA-1060—1061 (Fourth Review)

Carbazole Violet Pigment 23 from China and India

Termination of Five-Year Reviews.

AGENCY: United States International Trade Commission.

ACTION: Notice.

SUMMARY: The Commission instituted the subject five-year reviews on May 1, 2026 to determine whether revocation of the countervailing duty order on carbazole violet pigment 23 from India and the antidumping duty orders on carbazole violet pigment 23 from China and India would be likely to lead to continuation or recurrence of material injury. On August 7, 2026, the Department of Commerce published notice in the Federal Register that it was revoking the orders applicable August 7, 2026, because no domestic interested party filed a timely notice of intent to participate. Accordingly, the subject reviews are terminated.

DATE: August 7, 2026.
