<sup>1</sup> For purposes of these investigations, the Department of Commerce has defined the subject merchandise as steel concrete reinforcing bar imported in either straight length or coil form ("rebar"), regardless of metallurgy, length, diameter, or grade. Specifically excluded are plain rounds (i.e., non-deformed or smooth rebar).

The public record for these investigations may be viewed on the Commission's electronic docket (EDIS) at <http://edis.usitc.gov>.

#### **SUPPLEMENTARY INFORMATION:**

**Background.**--The final phase of these investigations is being scheduled as a result of affirmative preliminary determinations by the Department of Commerce that imports of steel concrete reinforcing bar from Mexico and Turkey are being sold in the United States at less than fair value within the meaning of section 733 of the Act (19 U.S.C. § 1673b). Although the Department of Commerce has preliminarily determined that countervailable subsidies are not being provided to producers and exporters of steel concrete reinforcing bar from Turkey, for purposes of efficiency the Commission hereby waives rule 207.21(b)<sup>2</sup> so that the final phase of the investigations may proceed concurrently in the event that Commerce makes a final affirmative determination with respect to such imports.

The investigations were requested in a petition filed on September 4, 2013, by the Rebar Trade Action Coalition and its individual members: Nucor Corporation, Charlotte, NC; Gerdau Ameristeel U.S. Inc., Tampa, FL; Commercial Metals Company, Irving, TX; Cascade Steel Rolling Mills, Inc., McMinnville, OR; and Byer Steel Corporation, Cincinnati, OH.

**Participation in the investigations and public service list.**--Persons, including industrial users of the subject merchandise and, if the merchandise is sold at the retail level, representative consumer organizations, wishing to participate in the final phase of these investigations as parties must file an entry of appearance with the Secretary to the Commission, as provided in section 201.11 of the Commission's rules, no later than 21 days prior to the hearing date specified in this notice. A party that filed a notice of appearance during the preliminary phase of the investigations need not file an additional notice of appearance during this final phase. The Secretary will maintain a public service list containing the names and addresses of all persons, or their representatives, who are parties to the investigations.

**Limited disclosure of business proprietary information (BPI) under an administrative protective order (APO) and BPI service list.**--Pursuant to section 207.7(a) of the Commission's rules, the Secretary will make BPI gathered in the final phase of these investigations available to authorized applicants under the APO issued in the investigations, provided that the application is made no later than 21 days prior to the hearing date specified in this notice. Authorized applicants must represent interested parties, as defined by 19 U.S.C. § 1677(9), who are parties to the investigations. A party granted access to BPI in the preliminary phase of the

A nonparty who has testimony that may aid the Commission's deliberations may request permission to present a short statement at the hearing. All parties and nonparties desiring to appear at the hearing and make oral presentations should attend a prehearing conference to be held at 9:30 a.m. on Monday, September 8, 2014, at the U.S. International Trade Commission Building. Parties must submit any request to present a portion of their hearing testimony in camera no later than 7 business days prior to the date of the hearing.

**Written submissions.**--Each party who is an interested party shall submit a prehearing brief to the Commission. Prehearing briefs must conform with the provisions of section 207.23 of the Commission's rules; the deadline for filing is Thursday, September 4, 2014. Parties may also file written testimony in connection with their presentation at the hearing, as provided in section 207.24 of the Commission's rules, and posthearing briefs, which must conform with the provisions of section 207.25 of the Commission's rules. Additional written submissions to the Commission, including requests pursuant to section 201.12 of the Commission's rules, shall not be accepted unless good cause is shown for

accepting such submissions, or unless the submission is pursuant to a specific request by a Commissioner or Commission staff.

In accordance with sections 201.16(c) and 207.3 of the Commission's rules, each document filed by a party to the investigations must be served on all other parties to the investigations (as identified by either the public or BPI service list), and a certificate of service must be timely filed. The Secretary will not accept a document for filing without a certificate of service.
