

INTERNATIONAL TRADE COMMISSION
Washington, DC

Investigation Nos. 731-TA-1186-1187 (Second Review)

Stilbenic Optical Brightening Agents from China and Taiwan

Termination of Five-Year Reviews.

AGENCY: United States International Trade Commission.

ACTION: Notice.

BACKGROUND: The Commission instituted the subject five-year reviews on October 3, 2022 to determine whether revocation of the antidumping duty orders on stilbenic optical brightening agents from China and Taiwan would be likely to lead to continuation or recurrence of material injury. On December 29, 2022, the Department of Commerce published notice that it was revoking the orders effective November 27, 2022, because no domestic interested party responded to the sunset review notice of initiation by the applicable deadline (87 FR 80162). Accordingly, the subject reviews are terminated.

DATES: November 27, 2022 (effective date of revocation of the orders).
