GENERAL INFORMATION

Background.--These investigations were instituted in response to a petition filed on May 14, 2003, by counsel for Ciba Specialty Chemicals Corporation, Tarrytown, NY. Countervailing and/or antidumping duties may be assessed on the subject imports as a result of these investigations if the Commission makes affirmative determinations of injury, threat, or material retardation, and if the U.S. Department of Commerce makes affirmative determinations of subsidization and/or dumping.

Additional questionnaires will be supplied promptly upon request, or photocopies of the enclosed questionnaire(s) may be used. Address all correspondence to the United States International Trade Commission, Washington, DC 20436. Hearing-impaired individuals can obtain information regarding this investigation via the Commission's TDD terminal (202-205-1810).

Due date of questionnaire(s).--Return the completed questionnaire(s) to the United States International Trade Commission by no later than May 29, 2003. Please use overnight mail service or fax the completed questionnaire to the attention of Cynthia Trainor at 202-205-3354 to ensure that your response actually reaches the Commission by May 29, 2003. **Return only one copy of the completed questionnaire(s), but please keep a copy for your records so that you can refer to it if the Commission staff contacts you with any questions during the course of the investigations.**

Service of questionnaire response(s).--In the event that your firm is a party to these investigations, you are required to serve a copy of the questionnaire(s), once completed, on parties to the proceeding that are subject to administrative protective order (see 19 CFR § 207.7). A list of such parties is maintained by the Commission's Secretary and may be obtained by calling 202-205-1803. A certificate of service must accompany the copy of the completed questionnaire(s) you submit (see 19 CFR § 207.7).

Such confidential information will not be published in a manner that will reveal the individual operations of your firm; however, nonnumerical characterizations of numerical business proprietary information (such as discussion of trends) will be treated as confidential business information only at the request of the submitter for good cause shown.

Verification.--The information submitted in the enclosed questionnaire(s) is subject to audit and verification by the Commission. To facilitate possible verification of data, please keep all your workpapers and supporting documents used in the preparation of the questionnaire response(s).

DEFINITIONS

DAS--4,4'-Diamino-2,2'-stilbenedisulfonic acid (DAS) is a compound with a sulfonated amino molecule. It is a stilbene, an aromatic compound with two benzene rings attached together by an olefinic linkage (which is an unsaturated carbon-carbon bond). DAS has a trans-olefinic structure that imparts fluorescence by absorbing incident ultraviolet light and emitting in the blue region of the spectrum, imparting a distinct appearance of brightness to the reflecting material. DAS is primarily used to produce SFWA. The Chemical Abstracts Service listing for DAS is 81-11-8. DAS is covered by statistical reporting number 2921.59.2000 of the Harmonized Tariff Schedule of the United States (HTS).

SFWA--Stilbenic Fluorescent Whitening Agents (SFWA) are also known in the trade as CC-DAS where "CC" is cyanuric chloride. DAS is the essential input in SFWA, imparting the fluorescent quality accounting for the brightening or "whitening" property of SFWA. SFWA is used in the manufacture of paper, soaps and detergents, and textile materials. SFWA is covered by the statistical reporting number 3204.20.8000 of the HTS.

Firm--An individual proprietorship, partnership, joint venture, association, corporation (including any subsidiary corporation), business trust, cooperative, trustee in bankruptcy, or receiver under decree of any court.

Related firm--A firm that your firm solely or jointly owned, managed, or otherwise controlled; a firm that solely or jointly owned, managed, or otherwise controlled your firm; and/or a firm that was solely or jointly owned, managed, or otherwise controlled by a firm that also solely or jointly owned, managed, or otherwise controlled your firm.

Establishment--Each facility of a firm in the United States involved in the production, importation, and/or purchase of DAS and/or SFWA (as defined above), including auxiliary facilities operated in conjunction with (whether or not physically separate from) such facilities.

United States--For purposes of these investigations, the 50 States, Puerto Rico, the U.S. Virgin Islands, and the District of Columbia.

Importer--Any person or firm engaged, either directly or through a parent company or subsidiary, in importing DAS and/or SFWA (as defined above) into the United States from a foreign manufacturer or through its selling agent.

Import values--Values reported should be landed, duty-paid values at the U.S. port of entry, including ocean freight and insurance costs, brokerage charges, and import duties (i.e., all charges except inland freight in the United States).

Purchaser--Any person or firm engaged, either directly or through a parent company or subsidiary, in purchasing DAS and/or SFWA (as defined above) from another firm that produces, imports, or otherwise distributes DAS and/or SFWA.

Purchases--Purchases from all sources, NOT including direct imports from foreign producers (which should be reported in an importer questionnaire).

Purchase quantities--Quantities reported should be net of returns.

Purchase values--Values reported should be net values (i.e., gross purchase values less all discounts, allowances, rebates, and the value of returned goods), delivered to your U.S. receiving point.

Shipments--Shipments of products produced in or imported by your U.S. establishment(s). Include shipments to the contracting firm of product produced by your firm under a toll agreement.

Shipment quantities--Quantities reported should be net of returns.

Shipment values--Values reported should be net values (i.e., gross sales values less all discounts, allowances, rebates, prepaid freight, and the value of returned goods), f.o.b. your U.S. point of shipment. The value of domestic shipments to the contracting firm under a toll agreement is the conversion fee (including profit).
