Filing Information

As a courtesy, we are making information related to sunset proceedings, including copies of the Department's regulations regarding sunset reviews (19 CFR 351.218) and *Sunset Policy Bulletin*, the Department's schedule of sunset reviews, case history information (i.e., previous margins, duty absorption determinations, scope language, import volumes), and service lists available to the public on the Department's sunset Internet web site at the following address: "<http://ia.ita.doc.gov/sunset/>."

All submissions in these sunset reviews must be filed in accordance

with the Department's regulations regarding format, translation, service, and certification of documents. These rules can be found at 19 CFR 351.303. Also, we suggest that parties check the Department's sunset web site for any updates to the appropriate service list before filing any submissions. The Department will make additions to and/or deletions from the service lists provided on the sunset web site based on notifications from parties and participation in these reviews. Specifically, the Department will delete from the relevant service list all parties that do not submit a substantive response to the notice of initiation.

Because deadlines in a sunset review are, in many instances, very short, we urge interested parties to apply for access to proprietary information under administrative protective order ("APO") immediately following publication in the **Federal Register** of the notice of initiation of the sunset review. The Department's regulations on submission of proprietary information and eligibility to receive access to business proprietary information under APO can be found at 19 CFR 351.304-306.

Information Required From Interested Parties

Domestic interested parties (defined in 19 CFR 351.102(b) and section 771

(9)(C), (D), (E), (F), and (G) of the Act wishing to participate in these sunset reviews must respond not later than 15 days after the date of publication in the **Federal Register** of the notice of initiation by filing a notice of intent to participate. The required contents of the notice of intent to participate are set forth at 19 CFR 351.218(d)(1)(ii). In accordance with the Department's regulations, with regard to each order identified above, if we do not receive an order-specific notice of intent to participate from at least one domestic interested party by the 15-day deadline, the Department will automatically revoke the order without further review. See 19 CFR 351.218(d)(1)(iii).

If we receive an order-specific notice of intent to participate from a domestic interested party, the Department's regulations provide that all parties wishing to participate in the sunset review must file complete substantive responses not later than 30 days after the date of publication in the **Federal Register** of the notice of initiation. The required contents of a substantive response, on an order-specific basis, are set forth at 19 CFR 351.218(d)(3). Note that certain information requirements differ for respondent and domestic parties. Also, note that the Department's information requirements are distinct from the International Trade Commission's information requirements. Please consult the Department's regulations for information regarding the Department's conduct of sunset reviews.¹ Please consult the Department's regulations at 19 CFR Part 351 for definitions of terms and for other general information concerning antidumping and countervailing duty proceedings at the Department.

This notice of initiation is being published in accordance with section 751(c) of the Act and 19 CFR 351.218(c).

Dated: May 24, 2004.

James J. Jochum,

Assistant Secretary for Import Administration.

¹ In comments made on the interim final sunset regulations, a number of parties stated that the proposed five-day period for rebuttals to substantive responses to a notice of initiation was insufficient. This requirement was retained in the final sunset regulations at 19 CFR 351.218(d)(4). As provided in 19 CFR 351.302(b), however, the Department will consider individual requests for extension of that five-day deadline based upon a showing of good cause.

SUPPLEMENTARY INFORMATION:

Background

On October 31, 2003, the Department received a timely request from Shenyang Yinghao Machinery Co., Ltd. ("Shenyang Yinghao") for a new shipper review of this antidumping duty order in accordance with 19 CFR 351.214(c). In its request for a new shipper review and in accordance with 19 CFR 351.214(b)(2)(i) and (iii)(A), Shenyang Yinghao certified that it did not export the subject merchandise to the United States during the period covered by the original less-than-fair-value ("LTFV") investigation and that it is not affiliated with any company which exported the subject merchandise to the United States during the period

of investigation ("POI"). Shenyang Yinghao also certified that its export activities are not controlled by the central government of the People's Republic of China ("PRC"). Pursuant to 19 CFR 351.214(b)(2)(iv), Shenyang Yinghao submitted documentation establishing the date on which the merchandise was first shipped for export to the United States, the volume of that first shipment, and the date of the first sale to an unaffiliated customer in the United States.

On November 25, 2003, the Department initiated a new shipper review of Shenyang Yinghao (*see Brake Rotors from the People's Republic of China: Initiation of the Tenth New Shipper Antidumping Duty Review*, 68 FR 67402 (December 2, 2003)).

On December 8, 2003, we issued the antidumping duty questionnaire to Shenyang Yinghao.

On January 15, 2004, Shenyang Yinghao submitted its questionnaire response. On January 16, 2004, the Department provided the parties an opportunity to submit publicly available information for consideration in the preliminary results. Also on January 16, 2004, the Department requested from CBP copies of all customs documents pertaining to the entry of brake rotors from the PRC produced/exported by Shenyang Yinghao during period of April 1, 2003, through September 30, 2003 (*see* January 16, 2002, memorandum to Michael S. Craig of CBP). On February 12, 2004, we issued a supplemental questionnaire.

On March 2, 2004, the petitioner¹ submitted a letter requesting that the Department conduct a verification of the responses submitted by Shenyang Yinghao. On March 12, 2004, we received documentation from CBP regarding our January 16, 2004, request for information. On March 15, 2004, we issued Shenyang Yinghao a supplemental questionnaire regarding the documentation we received from CBP. On March 16, 2004, we placed on the record the documentation we obtained from CBP (*see* March 16, 2004, memorandum to the file from Terre Keaton, International Trade Compliance Specialist). On March 17, 2004, we notified Shenyang Yinghao of our intent to conduct verification of its responses and provided it with a verification outline for purposes of familiarizing the company with the verification process. On March 18, 2004, the petitioner submitted publicly available information to be used in the
