#### **IMPORTERS' QUESTIONNAIRE**

# STAINLESS STEEL BUTT-WELD PIPE FITTINGS FROM ITALY, MALAYSIA, AND THE PHILIPPINES

Return completed questionnaire to:

#### UNITED STATES INTERNATIONAL TRADE COMMISSION

Office of Investigations, Room 615 500 E Street, SW, Washington, DC 20436

So as to be received by the Commission by no later than June 30, 2006

The information called for in this questionnaire is for use by the United States International Trade Commission in connection with its antidumping review investigations concerning stainless steel butt-weld pipe fittings from Italy, Malaysia, and the Philippines (inv. Nos. 731-TA-865-867 (Review)). The information requested in the questionnaire is requested under the authority of the Tariff Act of 1930, title VII. This report is mandatory and failure to reply as directed can result in a subpoena or other order to compel the submission of records or information in your possession (19 U.S.C. § 1333(a)).

#### PART I.--GENERAL QUESTIONS

The questions in this questionnaire have been reviewed with market participants to ensure that issues of concern are adequately addressed and that data requests are sufficient, meaningful, and as limited as possible. Public reporting burden for this questionnaire is estimated to average 40 hours per response, including the time for reviewing instructions, searching existing data sources, gathering the data needed, and completing and reviewing the questionnaire. Send comments regarding the accuracy of this burden estimate or any other aspect of this collection of information, including suggestions for reducing the burden, to the Office of Investigations, U.S. International Trade Commission, 500 E Street, SW, Washington, DC 20436.

### Section III-B.--PRICE-RELATED QUESTIONS--Continued

III-B-14.	Have there been any changes in the number or types of products that can be substituted for stainless steel butt-weld pipe fittings since 2000?			
	No YesPlease explain.			
III-B-15.	Do you anticipate any changes in terms of the substitutability of other products for stainless steel butt-weld pipe fittings in the future?			
	No YesPlease describe. Provide any underlying assumptions, along with relevant portions of business plans or other supporting documentation, that address this issue.			
III-B-16.	To what extent have changes in the prices of raw materials affected your firm's selling prices for stainless steel butt-weld pipe fittings during January 2000-March 2006? Also discuss any anticipated changes in your raw material costs in the future, identifying the time period(s) involved and the factor(s) that you believe would be responsible for such changes. Provide any underlying assumptions, along with relevant portions of business plans or other supporting documentation, that address this issue.			
III-B-17.	Have any changes occurred in any other factors affecting supply (e.g., changes in availability or prices of energy or labor; transportation conditions; production capacity and/or methods of production; technology; export markets; or alternative production opportunities) that affected the availability of U.Sproduced stainless steel butt-weld pipe fittings in the U.S. market since 2000?			
	No YesPlease note the time period(s) of any such changes, the factors(s) involved, and the impact such changes had on your shipment volumes and prices.			
III-B-18.	(a) Do you anticipate any changes in terms of the availability of stainless steel butt-weld pipe fittings imported from Italy, Malaysia, and/or the Philippines in the U.S. market in the future?  Increase  No Change  Decrease			
	(b) If you anticipate changes in supply, please identify the changes including the time period and the impact of such changes on shipment volumes and prices. Provide any underlying assumptions, along with relevant portions of business plans or other supporting documentation, that address this issue.			

## ${\bf PART~III.--} \underline{\bf PRICING~AND~MARKET~FACTORS} \textbf{--} Continued$

#### Section III-B.--MARKET FACTORS--Continued

III-B-19.	Has the availability of <u>NONSUBJECT</u> imported stainless steel butt-weld pipe fittings changed since 2000?			
	No YesPlease explain.			
III-B-20.	Describe how easily your firm can shift its sales of stainless steel butt-weld pipe fittings between the U.S. market and alternative country markets. In your discussion, please describe any contracts, other sales arrangements, or other constraints that would prevent or retard your firm from shifting stainless steel butt-weld pipe fittings between the U.S. and alternative country markets within a 12-month period. Provide any underlying assumptions, along with relevant portions of business plans or other supporting documentation, that address this issue.			
III-B-21.	Have there been any significant changes in the product range, product mix, or marketing (including sales over the internet) of stainless steel butt-weld pipe fittings since 2000?  No YesPlease describe and quantify if possible.			
III-B-22.	Do you anticipate any changes in terms of the product range, product mix, or marketing (including sales over the internet) of stainless steel butt-weld pipe fittings in the future? Provide any underlying assumptions, along with relevant portions of business plans or other supporting documentation, that address this issue.			
	No YesPlease identify, including the time period.			

#### Section III-B.--<u>MARKET FACTORS</u>--Continued

III-B-23.	a) How has demand within the United States for stainless steel butt-weld pipe fittings changed since 2000?				
	Increased Unchanged Decreased				
	Other (describe)				
	What were the principal factors affecting changes in demand?				
	a) How has demand outside the United States for stainless steel butt-weld pipe fittings changed since 2000?				
	Increased Unchanged Decreased				
	Other (describe)				
	What were the principal factors affecting changes in demand?				
III-B-24.	Do you anticipate any future changes in stainless steel butt-weld pipe fittings demand in the United States and, if known, the rest of the world?				
	No YesPlease describe and identify the time period. Provide any underlying assumptions, along with relevant portions of business plans or other supporting documentation, that address this issue.				

#### Section III-B.--MARKET FACTORS--Continued

III-B-25.	Please compare market prices of stainless steel butt-weld pipe fittings in U.S. and non-U.S. markets, if known. Provide specific information as to time periods and regions for any price comparisons.			
III-B-26.	Please provide as a separate attachment to this request any studies, surveys, etc. that you are aware of that quantify and/or otherwise discuss stainless steel butt-weld pipe fittings supply (including production capacity and capacity utilization) and demand in (1) the United States, (2) each of the other major producing/consuming countries, including Italy, Malaysia, and the Philippines, and (3) the world as a whole. Of particular interest is such data from 2000 to the present and forecasts for the future.			
III-B-27.	Are your exports of stainless steel butt-weld pipe fittings subject to any tariff or non-tariff barriers to trade in other countries?			
	No YesPlease list the countries and describe any such barriers and any significant changes in such barriers that have occurred since 2000, or that are expected to occur in the future.			
III-B-28.	Does your firm sell stainless steel butt-weld pipe fittings over the internet?			
	No YesPlease describe, noting the estimated percentage of your firm's total sales of stainless steel butt-weld pipe fittings in 2005 accounted for by internet sales.			

## ${\bf PART~III.--} \underline{\bf PRICING~AND~MARKET~FACTORS} \textbf{--} Continued$

#### Section III-B.--PRICE-RELATED QUESTIONS--Continued

III-B-29. Are stainless steel butt-weld pipe fittings produced in the United States and in other countries interchangeable (i.e., can they physically be used in the same applications)? Please indicate below, using "A" to indicate that the products from a specified country-pair are <i>always</i> interchangeable, "F" to indicate that the products are <i>frequently</i> interchangeable, "S" to indicate that the products are <i>sometimes</i> interchangeable, "N" to indicate that the products are <i>never</i> interchangeable, and "0" to indicate <i>no familiarity</i> with products from a specified country-pair.						
Country-pair	United States	Italy	Malaysia	Philippines	Other countries	
United States						
Italy						
Malaysia						
Philippines						
¹ For any country-pair producing stainless steel butt-weld pipe fittings which is <i>sometimes or never</i> interchangeable, please explain the factors that limit or preclude interchangeable use:
