WASHINGTON, DC 20436

January 2, 2013

To Whom It May Concern:

The enclosed questionnaire pertains to the United States International Trade Commission's investigations concerning frozen warmwater shrimp. These investigations are being conducted under the provisions of section 701 of the Tariff Act of 1930.

In these investigations the Commission must determine whether there is a reasonable indication that an industry in the United States is materially injured or is threatened with material injury, or the establishment of an industry in the United States is materially retarded, by reason of imports from China, Ecuador, India, Indonesia, Malaysia, Thailand, and Vietnam of frozen warmwater shrimp that are allegedly subsidized. A copy of the Commission's notice of these investigations is enclosed and will be published in the *Federal Register*.

The business proprietary information you supply in this questionnaire or in connection therewith will be so treated by the Commission and will not be disclosed except as may be required by law. Your response will be consolidated with the responses of other firms and will form much of the statistical base for the Commission's determinations.

Please return the completed questionnaire to the Commission by no later than **January 11, 2013**. If you have any questions concerning the questionnaire or other matters related to the investigations, please contact Amy Sherman (202-205-3289, or [amy.sherman@usitc.gov](mailto:amy.sherman@usitc.gov)) of the Commission's staff. Correspondence may be sent to the above address or via FAX to 202-205-3205.

Sincerely,

A handwritten signature in black ink, appearing to read "Catherine DeFilippo".
