## **GENERAL INFORMATION**

***Background.***--On May 23, 2002, the Department of Commerce issued antidumping duty orders on imports of silicomanganese from India, Kazakhstan, and Venezuela (67 F.R. 36149).

On April 2, 2007, the Commission instituted reviews pursuant to section 751(c) of the Tariff Act of 1930 (19 U.S.C. § 1675(c)) (the Act) to determine whether revocation of the orders would be likely to lead to continuation or recurrence of material injury to the domestic industry within a reasonably foreseeable time (72 F.R. 15726). Following five year reviews by Commerce and the Commission, effective November 30, 2007, Commerce issued a continuation of the antidumping duty orders on silicomanganese from India, Kazakhstan, and Venezuela (73 F.R. 841, January 4, 2008).

On October 1, 2012, the Commission instituted reviews pursuant to section 751(c) of the Tariff Act of 1930 (19 U.S.C. § 1675(c)) (the Act) to determine whether revocation of the orders would be likely to lead to continuation or recurrence of material injury to the domestic industry within a reasonably foreseeable time (77 F.R. 59970). Each order for which the Commission and Commerce make affirmative determinations will remain in place. If the Commission or Commerce makes a negative determination on a particular order, the Department of Commerce will revoke that order.

Questionnaires and other information pertinent to these reviews are available at [http://www.usitc.gov/trade\\_remedy/731\\_ad\\_701\\_cvd/investigations/2012/silicomanganese\\_in\\_kz\\_ve/reviewphase.htm](http://www.usitc.gov/trade_remedy/731_ad_701_cvd/investigations/2012/silicomanganese_in_kz_ve/reviewphase.htm). Address all correspondence to the United States International Trade Commission, Washington, DC 20436. Hearing-impaired individuals can obtain information regarding these reviews via the Commission's TDD terminal (202-205-1810).

***Due date of questionnaire(s).***-- Please submit the completed questionnaire(s) to the United States International Trade Commission so as to be received by no later than **May 17, 2013**. Because Commission staff might contact you with questions during the course of the proceeding, save the final version of the document(s) and retain all files and worksheets associated with the completed questionnaire(s). Please also retain a copy of the final document that you submit.

***Service of questionnaire response(s).***--In the event that your firm is a party to this proceeding, you are required to serve a copy of the questionnaire(s), once completed, on parties to the proceeding that are subject to administrative protective order (see 19 CFR § 207.7). A list of such parties is maintained by the Commission's Secretary and may be obtained by calling 202-205-1803. To facilitate possible verification of data, please keep all of your files, worksheets, and supporting documents used in the preparation of the questionnaire response(s).

**Release of information.**--The information provided by your firm in response to the questionnaire(s), as well as any other business proprietary information submitted by your firm to the Commission in connection with the review, may become subject to, and released under, the administrative protective order provisions of the Tariff Act of 1930 (19 U.S.C. § 1677f) and section 207.7 of the Commission's Rules of Practice and Procedure (19 CFR § 207.7). This means that certain lawyers and other authorized individuals may temporarily be given access to the information for use in connection with these reviews or other import-injury proceedings or reviews conducted by the Commission on the same or similar merchandise; those individuals would be subject to severe penalties if the information were divulged to unauthorized individuals.

## **INSTRUCTIONS**

**Answer all questions.**--Do not leave any question or section blank unless a questionnaire expressly directs you to skip over certain questions or sections. If the answer to any question is zero or "none," enter the number zero or "none." **If information is not readily available from your records in exactly the form requested, furnish carefully prepared estimates.** Answers to questions and any necessary comments or explanations should be entered in the space provided or in a separate MS word document submitted along with the questionnaire(s). If your firm is completing more than one questionnaire in connection with this proceeding (i.e., a producer, importer, and/or purchaser questionnaire), you need not respond to duplicated questions in the questionnaires.

**Consolidate all U.S. establishments.**--Report the requested data for your establishment(s) located in the United States. **Firms operating more than one establishment should combine the data for all establishments into a single report.**

**Electronic completion.**--Please electronically enter your responses into the Commission provided MS Word document. **Electronic submission.**-- Responding firms should submit their questionnaire responses electronically in MS Word format. The submission of questionnaire responses in the MS Word format allows the Commission to electronically extract data from questionnaires and thus, compile, assess, and analyze submitted data more efficiently and promptly. Furthermore, the electronic

submission of questionnaires completed in MS Word facilitates the Commission's ability to produce documents that comply with Section 508 of the Rehabilitation Act of 1973. There are three electronic submissions options detailed below.

### **OPTIONS FOR FILING**

This questionnaire is available as a "fillable" form in MS Word format on the Commission's website at [http://www.usitc.gov/trade\\_remedy/731\\_ad\\_701\\_cvd/investigations/2012/silic\\_omanganese\\_in\\_kz\\_ve/reviewphase.htm](http://www.usitc.gov/trade_remedy/731_ad_701_cvd/investigations/2012/silic_omanganese_in_kz_ve/reviewphase.htm). *Please do not attempt to modify the format or permissions of the questionnaire document.* Please complete the questionnaire and submit it electronically using one of the methods noted below. If your firm is unable to complete the MS Word questionnaire or cannot use one of the electronic methods of submission, please contact the Commission for further instructions.

**Note: If you are a party to the proceeding, and service of the questionnaire is required, such service should be made in paper form.**

## **DEFINITIONS**

***Silicomanganese.*** -- The products covered are all forms, sizes and compositions of silicomanganese, except low-carbon silicomanganese, including silicomanganese briquettes, fines and slag. Silicomanganese is a ferroalloy composed principally of manganese, silicon and iron, and normally contains much smaller proportions of minor elements, such as carbon, phosphorous and sulfur. Silicomanganese is sometimes referred to as ferrosilicon manganese. Silicomanganese is used primarily in steel production as a source of both silicon and manganese. Silicomanganese generally contains by weight not less than 4 percent iron, more than 30 percent manganese, more than 8 percent silicon and not more than 3 percent phosphorous. Silicomanganese is properly classifiable under subheading 7202.30.0000 of the Harmonized Tariff Schedule of the United States (HTSUS). The low-carbon silicomanganese excluded from this scope is a ferroalloy with the following chemical specifications: minimum 55 percent manganese, minimum 27 percent silicon, minimum 4 percent iron, maximum 0.10 percent phosphorus, maximum 0.10 percent carbon and maximum 0.05 percent sulfur. Low- carbon silicomanganese is used in the manufacture of stainless steel and special carbon steel grades, such as motor lamination grade steel, requiring very low carbon content. It is sometimes referred to as ferromanganese-silicon. This scope covers all silicomanganese, regardless of its tariff classification. Although the HTSUS subheadings are provided for convenience and customs purposes, the written description of the scope is dispositive.

***Firm.***--An individual proprietorship, partnership, joint venture, association, corporation (including any subsidiary corporation), business trust, cooperative, trustee in bankruptcy, or receiver under decree of any court.

***Establishment.***--Each facility of a firm in the United States involved in the production, importation, and/or purchase of silicomanganese (as defined above), including auxiliary facilities operated in conjunction with (whether or not physically separate from) such facilities.

***United States.***--For purposes of these reviews, the 50 States, Puerto Rico, the U.S. Virgin Islands, and the District of Columbia.

***Importer.***--Any person or firm engaged, either directly or through a parent company or subsidiary, in importing silicomanganese (as defined above) into the United States from a foreign manufacturer or through its selling agent.

**Purchaser.**--Any person or firm engaged, either directly or through a parent company or subsidiary, in purchasing silicomanganese (as defined above) from another firm that produces, imports, or otherwise distributes silicomanganese. A retail firm that is the importer of record may be considered a purchaser.

**Purchases.**--Purchases from all sources, NOT including direct imports from foreign sources located outside of the United States (which should be reported in an importer questionnaire).

**Purchase quantities.**--Quantities reported should be net of returns.

**Shipments.**--Shipments of products produced in or imported by your U.S. establishment(s). Include shipments to the contracting firm of product produced by your firm under a toll agreement.

**Shipment quantities.**--Quantities reported should be net of returns.

**Shipment values.**--Values reported should be net values (i.e., gross sales values less all discounts, allowances, rebates, prepaid freight, and the value of returned goods), f.o.b. your U.S. point of shipment.
