Parties that filed entries of appearance in the preliminary phase of the investigations need not enter a separate appearance for the final phase of the investigations. Industrial users, and, if the merchandise under investigation is sold at the retail level, representative consumer organizations have the right to appear as parties in Commission antidumping and countervailing duty investigations. The Secretary will prepare a public service list containing the names and addresses of all persons, or their representatives, who are parties to the investigations.

Background

On May 16, 2013, a petition was filed with the Commission and Commerce by Bristol Metals, L.P. (Bristol, TN), Felker Brothers Corp. (Marshfield, WI), and Outokumpu Stainless Pipe (Schaumburg, IL), alleging that an industry in the United States is materially injured or threatened with material injury by reason of LTFV imports of welded stainless steel pressure pipe from Malaysia, Thailand, and Vietnam. Accordingly, effective May 16, 2013, the Commission instituted antidumping duty investigation Nos. 731-TA-1210-1212 (Preliminary).

Notice of the institution of the Commission's investigations and of a public conference to be held in connection therewith was given by posting copies of the notice in the Office of the Secretary, U.S. International Trade Commission, Washington, DC, and by publishing the notice in the **Federal Register** of May 24, 2013 (78 FR 31574). The conference was held in Washington, DC, on June 6, 2013, and all persons who requested the opportunity were permitted to appear in person or by counsel.

The Commission transmitted its determinations in these investigations to the Secretary of Commerce on July 1, 2013. The views of the Commission are contained in USITC Publication 4413 (July 2013), entitled *Welded Stainless Steel Pressure Pipe from Malaysia, Thailand, and Vietnam: Investigation Nos. 731-TA-1210-1212 (Preliminary)*.

Issued: July 10, 2013.

INTERNATIONAL TRADE COMMISSION

[Investigation Nos. 731-TA-1210-1212
(Preliminary)]

Welded Stainless Steel Pressure Pipe From Malaysia, Thailand, and Vietnam

Determination

On the basis of the record¹ developed in the subject investigations, the United States International Trade Commission (Commission) determines, pursuant to section 733(a) of the Tariff Act of 1930 (19 U.S.C. 1673b(a)) (the Act), that there is a reasonable indication that an industry in the United States is materially injured by reason of imports from Malaysia, Thailand, and Vietnam of welded stainless steel pressure pipe, provided for in subheading 7306.40 of the Harmonized Tariff Schedule of the United States, that are alleged to be sold in the United States at less than fair value (LTFV).

Pursuant to section 207.18 of the Commission's rules, the Commission also gives notice of the commencement of the final phase of its investigations. The Commission will issue a final phase notice of scheduling, which will be

¹ The record is defined in sec. 207.2(f) of the Commission's Rules of Practice and Procedure (19 CFR 207.2(f)).

By order of the Commission.
