U.S. PURCHASERS' QUESTIONNAIRE

STAINLESS STEEL PLATE IN COILS

This questionnaire must be received by the Commission by no later than March 16, 2011

See page 4 of the Instruction Booklet for filing instructions.

The information called for in this questionnaire is for use by the United States International Trade Commission in connection with its five-year reviews concerning stainless steel plate in coils from Belgium, Italy, Korea, South Africa, and Taiwan (Inv. Nos. 701-TA-376 and 379 and 731-TA-788, 790-793 (Second Review)). The information requested in the questionnaire is requested under the authority of the Tariff Act of 1930, title VII. This report is mandatory and failure to reply as directed can result in a subpoena or other order to compel the submission of records or information in your possession (19 U.S.C. § 1333(a)). Further information on this questionnaire can be obtained from Cindy Cohen (202-205-3230, cindy.cohen@usitc.gov).

PART I.—GENERAL INFORMATION

The questions in this questionnaire have been reviewed with market participants to ensure that issues of concern are adequately addressed and that data requests are sufficient, meaningful, and as limited as possible. Public reporting burden for this questionnaire is estimated to average 40 hours per response, including the time for reviewing instructions, searching existing data sources, gathering the data needed, and completing and reviewing the questionnaire. Send comments regarding the accuracy of this burden estimate or any other aspect of this collection of information, including suggestions for reducing the burden, to the Office of Investigations, U.S. International Trade Commission, 500 E Street, SW, Washington, DC 20436.

III-16. Market studies,--Please provide as a separate attachment to this request any studies, surveys, etc. that you are aware of that quantify and/or otherwise discuss stainless steel plate in coils supply (including production capacity and capacity utilization) and demand in (1) the United States, (2) each of the other major producing/consuming countries, including Belgium, Italy, Korea, South Africa, and Taiwan, and (3) the world as a whole. Of particular interest is such data from 2005 to the present and forecasts for the future.

III-17.	supply produc produc	es in factors affecting supplyHave any changes occurred in any other factors affecting (e.g., changes in availability or prices of energy or labor; transportation conditions; tion capacity and/or methods of production; technology; export markets; or alternative tion opportunities) that affected the availability of U.Sproduced stainless steel plate in the U.S. market since 2005?
	□ No	YesPlease note the time period(s) of any such changes, the factors(s) involved, and the impact such changes had on your shipment volumes and prices.
W 10		
III-18.	United	tance of purchasing domestic productIs buying a product that is produced in the States an important factor in your firm's purchases of stainless steel plate in coils (check nat apply)?
		s Purchases of domestic product are required by law or regulation (for example, government purchases under "Buy American" provisions). This involves percent of all our purchases of stainless steel plate in coils. sPurchases of domestic product are not required by law or regulation, but are by our customers. This involves percent of all our purchases of stainless steel plate in
	Yes	coils. sPurchases of domestic product are required for other reasons (please specify these reasons below). This involves percent of all our purchases of stainless steel plate in coils.
III-19.	Condi	tions of competition
	(a)	Is the stainless steel plate in coils market subject to business cycles or conditions of competition other than fluctuations in the overall economy?
		☐ No ☐ YesPlease explain and estimate the duration of any such cycle.

(b)		ness cycles or cond inged since 2005?	litions of competiti	on of the stainless stee	el plate in coils

III-22.	Purcha	asing frequency
	(a)	How frequently do you make purchases?
		☐ Daily ☐ Weekly ☐ Monthly ☐ Quarterly ☐ Annually
		Other (specify))
	(b)	Do you expect this purchasing pattern to change in the next two years?
		☐ No ☐ Yes—Please explain.
III-23.		er of suppliers contactedHow many suppliers do you generally contact before making a se? firms
III-24.	Suppli	er negotiations
	(a)	Do purchases of stainless steel plate in coils usually involve negotiations between supplier and purchaser?
		☐ No ☐ YesPlease describe these negotiations.
	(b)	Do you quote competing prices as part of the negotiation process?
		□ No □ Yes
	(c)	Does your firm tend to vary its purchases from a given supplier within a specified time period based on the price offered for that period?
		☐ No ☐ YesSpecify the time period.

1	YesPlease list the supplier(s), indicate whether the firm was added or dropped, and the reasons for the change.
6. <u>New</u>	suppliers
(a)	Are you aware of any new suppliers, either foreign or domestic, that have entered the market since 2005?
	☐ No ☐ YesPlease identify the firms.
(b)	Do you expect new stainless steel plate in coils suppliers to enter the U.S. market?
	☐ No ☐ YesPlease provide details, noting the specific future time period.
7. <u>Sup</u>	plier qualification
(a)	Do you require the stainless steel plate in coils you purchase to be certified to meet standards set by ASTM, AISI, or by a similar body?
	No Yes percent of value of purchases in 2010 Yesall purchases
(b)	Please specify the type(s) of certification.
(c)	Do you require any supplier qualification in addition to those reported in a and b above?.
	No Yes—Please list these qualification factors and the factors that you consider when qualifying a new supplier (e.g., quality of product reliability of supplier, etc.)
(d)	How long does it take to qualify a new supplier?days.

III-28.	certify	e to certifySince 2005, have any domestic or foreign producers failed in their attempts to or qualify their stainless steel plate in coils with your firm or have any producers lost their ed status?
	□ No	YesPlease identify these firms, the countries where they are located, and the reasons why they failed the certification/qualification.
III-29.	stainles "contro	rissues.—Have any suppliers (U.S. or foreign) refused, declined, or been unable to supply so steel plate in coils since 2005? (Examples include being placed on allocation or olled order entry," suppliers declining to accept new customers or to renew existing ters, delivering less than the quantity promised, being unable to meet timely shipment timents, etc.)
	□ No	YesPlease note when this occurred (i.e. month and year) and duration, country of origin, and supplier; amount and type of product involved; and the effect on your operations.
III-30.	Surcha	arges
	(a)	Since 2005, have you ever paid surcharges on your purchases of stainless steel plate in coils for:
		☐ Raw materials ☐ Fuel ☐ Energy ☐ Transportation ☐ Other:
	(b)	Which suppliers imposed the surcharges and during what time frame?
	(c)	How were the surcharge(s) determined (e.g., which indices were used)?

(d)	Please describe how the surcharg	ges have changed s	since 2005.
